SECOND READING OF HOUSE BILL

HB 1263: A BILL for an Act to create and enact a new section to chapter 15-10 of the North Dakota Century Code, relating to the athletic nickname and logo of the university of North Dakota.

REMARKS OF SENATOR NETHING

MR. PRESIDENT: Ladies and Gentlemen of the Senate, I rise in support of the committee's recommendation not to pass House Bill 1263. Both the United States Constitution and the North Dakota Constitution have provisions which forbid the passage of laws impairing the obligation of contracts. The test when analyzing whether a law violates these provisions is: First, is there substantial impairment of the contract? Second, is there a significant and legitimate public purpose served? Third, is adjusting the contracting parties' rights reasonable and appropriate in light of the public purpose?

I believe the answers to these questions are as follows. First, yes, there is a substantial impairment as the agreement, in essence, prevents the use of the "Fighting Sioux" nickname and logo, unless certain events occur within a certain period of time and under certain circumstances and House Bill 1263, in essence, requires the use of the nickname and logo. Second, there is no significant and legitimate public purpose served. Now I understand there are those who believe the issue involved would qualify as "significant and legitimate" but in my opinion the true meaning of "significant and legitimate" would be held to a much higher degree of application than the use or non-use of a nickname or logo. Third, no, adjusting the parties' rights is not reasonable and appropriate in light of the public purpose.

I recognize that each of you may disagree with my conclusions, but in my opinion, as you read the agreement and this piece of legislation, you will agree with me on the legitimacy of my position.

Mr. President and fellow Senators, the oath and obligation I took to become a member of this body stated that I would uphold the Constitution of the United States and the State of North Dakota. In view of my understanding of the contract between the State and the NCAA, House Bill 1263, as well as my oath and obligation; House Bill 1263 does violate both the United States and North Dakota State Constitution. I will be voting "no" on this bill. I invite you to join me.

SEN. NETHING REQUESTED that his remarks be printed in the Journal, which request was granted.
