<sup>1</sup> Funding for general fund grants is increased, the same as the House version, as follows:

	<b>Increase</b>	<b>Total Provided</b>
Atlantic Brucke/Atlantic Forum	\$30,000	\$105,000
North Central Council for School Television	40,000	485,000
Governor's School	<u>50,000</u>	<u>460,000</u>
Total	\$120,000	\$1,050,000

<sup>2</sup> Funding for adult education learning center grants is increased to provide a total of \$3,110,411 from the general fund, the same as the House version.

In addition, Section 59 of Chapter 175 of the 2009 Session Laws is amended to provide that, after reserving the first \$8 million of 2009-11 biennium unobligated state school aid for per student payments during the 2011-13 biennium, the next \$500,000 is reserved for adult education learning center grants. The \$500,000 is available to the department for additional adult education learning center grants if federal funding for adult education received by the department is less than \$900,000 in any year of the 2011-13 biennium. The department may only spend up to \$250,000 of these funds during the first year of the biennium. The House also included this provision.

<sup>3</sup> State school aid is adjusted to reflect the following changes to the weighting factors and per student payment rates adopted by the conference committee on Senate Bill 2150:

- \$2,300,000 - Increase relating to an increase in the formula weighting factor for special education. The executive recommendation included, and the House and Senate versions approved an increase in the special education weighting factor from .07 to .073 for the 2011-13 biennium. The conference committee provided an increase from .073 to .079 during the second year of the biennium.
- (\$3,300,000) - Decrease relating to changes to the per student payment rates provided in the conference committee report on Senate Bill No. 2150 compared to the Senate version of Senate Bill No. 2150.

<sup>4</sup> Funding for alternative education program grants added by the Senate is adjusted to provide a total of \$300,000. The executive recommendation did not include the alternative education program grants, and the House included legislative intent regarding the grants in Senate Bill No. 2150, but funding for the grants was not included in the House version of Senate Bill No. 2013.

<sup>5</sup> Funding is reduced to reflect a limit on the number of meetings of the Professional Development Advisory Committee in Senate Bill No. 2150, the same as the House version.

<sup>6</sup> Funding for mill levy reduction grants from the property tax sustainability fund included in the executive recommendation is removed, the same as the House. Funding is provided from the general fund in House Bill No. 1047.

---

This amendment removes:

- Section 5 relating to mill levy reduction grants, the same as the House.
- Section 8 relating to alternative education program grants, the same as the House. The distribution of the alternative middle school grants is provided in Senate Bill No. 2150.
- Section 10 relating to the teacher of the year program, the same as the House.
- Section 16 relating to a contingent appropriation for school district deferred maintenance and physical plant improvement grants, the same as the House.

This amendment does not include a section added by the House which would have reduced the 2009-11 contingent supplemental transportation aid payment by \$2.5 million, from \$5 million to \$2.5 million.

Sections are added to the bill relating to:

- The distribution of continuing education grants, the same as the House.
- The distribution of unobligated 2009-11 state school aid reserved for adult education learning center grants.
- A separate budget bill for the North Dakota School for the Deaf for the 2013 legislative session rather than in the appropriation bill for the Department of Public Instruction, the same as the House.
- One-time funding from federal education jobs funding. This was not included in the Senate or House versions.

In addition, Section 9 of the bill relating to the gifted and talented program and Medicaid matching funds is amended to more clearly distinguish distribution, and Section 18 of the bill relating to an amendment of Section 59 of Chapter 175 of the 2009 Session Laws is amended to reserve an additional \$500,000 of unobligated 2009-11 state school aid for 2011-13 adult education learning center grants, the same as the House.
