

SECTION 2. STUDENT FEES - LEGISLATIVE MANAGEMENT STUDY. The legislative management shall consider studying, during the 2011-12 interim, the assessment of mandatory fees and fees for optional purposes or services by institutions under the control of the state board of higher education, including the manner in which such fees are determined, identified, and justified and whether the programs, purposes, services, and activities supported by such fees should in fact be supported by tuition dollars, legislative appropriations, or other public or private funding sources. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-third legislative assembly.
