

Third Street Clinic

Healthy Living. Together.

Walk a Mile with Angela

Single woman in her late 50s
Lived in Grand Forks her whole life
Works full time but does not receive benefits

Why Third Street Clinic?

Chronic nose bleeds, weak immune system, overactive thyroid.

“If it weren’t for Third Street Clinic, I would never be able to see a doctor. God Bless [the volunteers] and Third Street Clinic.” –Angela, December 16, 2011

Our Mission

Every man, woman, and child
of Grand Forks and Polk counties
deserve access to
personalized professional
health care services
in a safe and caring environment
using community and
private resources.
