## Appropriation Authority for Health Insurance Exchange Grants

**Legislative Intent – Health Insurance Exchange Grants.** It is the intent of the sixty-second legislative assembly that the office of management and budget shall apply for available federal exchange establishment grants to be used for the purposes of exchange planning activities to include developing an IT system for the exchange. Exchange establishment grants include level one and level two establishment grants. It is the further intent of the legislature that the office of management and budget, information technology, the department of human services and the insurance department explore any additional grant opportunities that may become available for the health insurance exchange. Upon approval of health insurance exchange grants, the departments shall notify the office of management and budget and report to the legislative council any increased federal appropriation authority.

**Contingent Appropriation.** Upon approval of federal health insurance exchange grants, there is appropriated out of special funds derived from federal funds, not otherwise appropriated, the sum as may be necessary, for the purposes of building a health insurance exchange to the office of management and budget, information technology, the department of human services and the insurance department. Upon approval of health insurance exchange grants, the departments shall notify the office of management and budget and report to the legislative council any increased federal appropriation authority.

*Or provide transfer language if OMB receives the grants to transfer them to the appropriate agency*
