INDIAN BUSINESS ALLIANCE
OF NORTH DAKOTA

WE'RE ALL BUSINESS.

INDIAN BUSINESS ALLIANCE
OF NORTH DAKOTA

We support Native-owned businesses, creating independence in the spirit of entrepreneurship. We're here to help create new Native-owned businesses and support existing Native-owned business both on and off reservations.

NEED SUPPORT IN STARTING A NEW BUSINESS?

Contact us. We can help. Support services to new entrepreneurs include:

- Access to tools and resources to help develop and refine your business plan
- Information on programs that enhance opportunities for minority-owned businesses
- Newsletters with valuable information on North Dakota's Native economies and upcoming events
- Networking with established Native-owned businesses at IBA conferences
- Mentorship opportunities with established local business leaders

"Creating the Indian Business Alliance of North Dakota is an important step in generating a spirit of business ownership for Native Americans both on and off reservations."

- Scott Davis, Executive Director
North Dakota Indian Affairs Commission

ALREADY OWN A BUSINESS?

Benefits of connecting with the Alliance include:

- Inclusion in a network of Native businesses with interest in buying products and services from other Native-owned businesses and creating a culture of Native entrepreneurship
- Access to tools and resources to further grow and develop your business
- Connection with other Native business owners at business development conferences
- Newsletters with valuable information on North Dakota's Native economies and upcoming events
- Recognition as a successful Native-owned business with interest in continued development of Native economies while preserving Native culture and values
- An opportunity to mentor the next generation of Native business owners
