BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. A new section to chapter 6-09 of the North Dakota Century Code is created and enacted as follows:

Required transfer - Special education contract costs.

If the industrial commission is notified by the superintendent of public instruction that, using all available sources, there are insufficient moneys with which to fully reimburse school districts for the excess costs of serving the one percent of special education students statewide who require the greatest school district expenditures in order to be provided with special education and related services, the industrial commission shall transfer from the earnings and accumulated and undivided profits of the Bank of North Dakota the amount that the superintendent of public instruction certifies is necessary to provide the statutorily required level of reimbursement. The superintendent of public instruction shall file for introduction legislation requesting that the ensuing legislative assembly return any amount transferred under this section to the Bank of North Dakota.

SECTION 2. AMENDMENT. Section 15.1-07-33 of the North Dakota Century Code is amended and reenacted as follows:

**15.1-07-33. Student information system - Statewide coordination -
Financial support - Exemption.**

1. Notwithstanding any other technology requirements imposed by the superintendent of public instruction, the information technology department, or the North Dakota educational technology council, each school district shall acquire PowerSchool through the information technology department and use it as its principal student information system.
2. The superintendent of public instruction shall forward that portion of a school district's state aid which is payable by the superintendent under subdivision n of subsection 1 of section 15.1-27-03.1 directly to the information technology department to reimburse the department for the cost of the school district's acquisition, implementation, or utilization of PowerSchool and any related technology support services. The superintendent shall forward the amount payable under this subsection at the same time and in the same manner as provided for other state aid payments under section 15.1-27-01.
3. If the portion of a school district's state aid forwarded to the information technology department under subsection 2 exceeds the cost incurred by the information technology department in providing for the school district's acquisition, implementation, or utilization of PowerSchool and any related technology support services, the information technology department shall return the excess moneys to the superintendent of public instruction for redistribution to the school district as per student payments.
4. The superintendent of public instruction may exempt a school district from having to acquire and utilize PowerSchool if the school district demonstrates that, in accordance with requirements of the bureau of Indian education, the district has acquired and is utilizing a student information system that is determined to be comparable by the superintendent.

2. The superintendent of public instruction shall determine each school district's weighted average daily membership by adding the products derived under subsection 1 to the district's average daily membership.

SECTION 24. AMENDMENT. Section 15.1-27-04 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-04. Per student payment rate.

- 1. a. The per student payment rate to which each school district is entitled for the first year of the biennium is three thousand ~~two~~nine hundred ~~ten~~ dollars.
- b. The per student payment rate to which each school district is entitled for the second year of the biennium is three thousand ~~seven~~nine hundred ~~seventy-nine~~eighty dollars.
- 2. In order to determine the state aid payment to which each district is entitled, the superintendent of public instruction shall multiply each district's weighted student units by the per student payment rate set forth in subsection 1.

SECTION 25. AMENDMENT. Section 15.1-27-07.2 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-07.2. Baseline funding - Determination - Minimum and maximum allowable increases.

- 1. The superintendent of public instruction shall determine each school district's baseline funding per weighted student unit by:
 - a. Adding together all state aid received by the district during the 2006-07 school year;

- b. Subtracting the amount received by the district during the 2006-07 school year for transportation aid, special education excess cost reimbursements, special education contracts, prior year funding adjustments, and per student payments for participation in educational associations governed by joint powers agreements; and
 - c. Dividing the amount determined under subdivision b by the district's 2007-08 weighted student units.
- 2. a. The superintendent of public instruction shall ensure that the total amount of state aid payable to a district per weighted student unit, for the 2009-10 school year, is at least equal to one hundred eight percent of the baseline funding per weighted student unit, as established in subsection 1.
 - b. The superintendent of public instruction shall ensure that the total amount of state aid payable to a district per weighted student unit, for each school year after the 2009-10 school year, is at least equal to one hundred twelve and one-half percent of the baseline funding per weighted student unit, as established in subsection 1.
- 3. a. The superintendent of public instruction shall ensure that the total amount of state aid payable to a district per weighted student unit, less any amount received as equity payments under section 15.1-27-11 per weighted student unit, does not exceed, for the ~~2009-10~~2011-12 school year, one hundred ~~twenty-four~~two percent of the baseline funding per weighted student unit, as established in subsection 1.
 - b. ~~The superintendent of public instruction shall ensure that the total amount of state aid payable to a district per weighted student unit, less any amount received as equity payments under section 15.1-27-11 per weighted student unit, does not exceed, for each school year after the 2009-10 school year, one hundred thirty-four percent of the baseline funding per weighted student unit, as established in subsection 1.~~

SECTION 26. AMENDMENT. Section 15.1-27-11 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-11. Equity payments.

- 1. The superintendent of public instruction shall:
 - a. Divide the imputed taxable valuation of the state by the total average daily membership of all school districts in the state in order to determine the state average imputed taxable valuation per student.
 - b. Divide the imputed taxable valuation of each school district by the district's total average daily membership in order to determine each district's average imputed taxable valuation per student.
- 2. If a school district's imputed taxable valuation per student is less than ninety percent of the statewide imputed taxable valuation per student, the superintendent of public instruction shall calculate the valuation deficiency by:

- a. Determining the difference between ninety percent of the state average imputed taxable valuation per student and the district's average imputed taxable valuation per student; and
 - b. Multiplying that difference by the district's total average daily membership.
3. Except as provided in subsection 4, the equity payment to which a district is entitled under this section equals the district's valuation deficiency multiplied by the lesser of:
 - a. The district's general fund levy for the taxable year 2008; or
 - b. One hundred eighty-five mills.
4.
 - a. The equity payment to which a district is entitled may not exceed the district's taxable valuation multiplied by its general fund levy for the taxable year 2008.
 - b. If a district's general fund levy for the taxable year 2008 is less than one hundred eighty-five mills, the superintendent of public instruction shall subtract the district's general fund levy for the taxable year 2008 from one hundred eighty-five mills, multiply the result by the district's taxable valuation, and subtract that result from the equity payment to which the district is otherwise entitled.
 - c. If a district's imputed taxable valuation per student is less than fifty percent of the statewide imputed taxable valuation per student, the payment to which the district is entitled under this section may not be less than twenty percent of the statewide imputed taxable valuation per student times the school district's average daily membership, multiplied by one hundred eighty-five mills.
5. In determining the amount to which a school district is entitled under this section, the superintendent of public instruction may not include any payments received by the district as a result of Public Law No. 81-874 [64 Stat. 1100; 20 U.S.C. 236 et seq.] and may not include in the district's average daily membership students who are dependents of members of the armed forces and students who are dependents of civilian employees of the department of defense.
6. In determining the statewide average imputed taxable valuation per student for purposes of this section, the superintendent of public instruction may not include:
 - a. Any school district, which if included in the calculation would have an imputed taxable valuation per student that is three times greater than the statewide average imputed taxable valuation per student; and
 - b. Any school district, which if included in the calculation would have an imputed taxable valuation per student that is less than one-fifth of the statewide average imputed taxable valuation per student.
7. For purposes of this section:
 - a. "General fund levy" includes a district's high school transportation levy and its high school tuition levy.

- b. "Imputed taxable valuation" means the valuation of all taxable real property in the district plus:
 - (1) An amount determined by dividing seventy percent of the district's mineral and tuition revenue, revenue from payments in lieu of property taxes on distribution and transmission of electric power, revenue from payments in lieu of taxes from electricity generated from sources other than coal, and revenue received on account of the leasing of lands acquired by the United States for flood control, navigation, and allied purposes in accordance with 33 U.S.C. 701c-3 by the district's general fund mill levy for the taxable year 2008; and
 - (2) An amount determined by dividing the district's revenue from mobile home taxes and telecommunications taxes by the district's general fund mill levy for the taxable year 2008.
- c. "Mineral revenue" includes all revenue from county sources reported under code 2000 of the North Dakota school district financial accounting and reporting manual as developed by the superintendent of public instruction in accordance with section 15.1-02-08.
- d. "Tuition revenue" includes all revenue reported under code 1300 of the North Dakota school district financial accounting and reporting manual as developed by the superintendent of public instruction in accordance with section 15.1-02-08. "Tuition revenue" does not include tuition income received specifically for the operation of an educational program provided at a residential treatment facility.

SECTION 27. AMENDMENT. Section 15.1-27-23 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-23. Weather or other emergency conditions - Closure of schools - State aid payments to school districts.

- 1. If because of severe weather or other emergency conditions a public school or school district remains closed or provides less than a full day of instruction, the public school or school district shall make every effort to reschedule classes so that students receive at least ~~one hundred~~ seventy-three ~~the number of full instructional days of instruction required by~~ section 15.1-06-04.
- 2. Any public school or school district for which the rescheduling of classes would create undue hardship may request that, for purposes of calculating state aid payments to the ~~school or~~ school district, the governor waive the rescheduling in whole or in part.
- 3. The governor may not grant a waiver for less than a full day of instruction. However, if a public school or school district closes for only a portion of its regular schoolday, the hours during which the school or school district is closed may be added together to determine the number of additional full days of instruction that may be waived under this section.

SECTION 28. AMENDMENT. Section 15.1-27-35.3 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-35.3. ~~(Effective through June 30, 2011) Payments to school districts -- Unobligated general fund balance -- Report to legislative council.~~

1. ~~The superintendent of public instruction shall determine the amount of payments due a school district and shall subtract from that the amount by which the unobligated general fund balance of the district on the preceding June thirtieth is in excess of fifty percent of its actual expenditures, plus twenty thousand dollars. Beginning July 1, 2008, the superintendent of public instruction shall determine the amount of payments due a school district and shall subtract from that the amount by which the unobligated general fund balance of the district on the preceding June thirtieth is in excess of forty-five percent of its actual expenditures, plus twenty thousand dollars.~~
2. ~~In making the determination required by subsection 1, the superintendent of public instruction may not include in a district's unobligated general fund balance any moneys that:~~
 - a. ~~(1) Were received by the district during the school year ending June 30, 2009, on account of the leasing of lands acquired by the United States for flood control, navigation, and allied purposes in accordance with 33 U.S.C. 701e-3; and~~
 - (2) Exceeded the amount received by the district during the school year ending June 30, 2008, for the purpose stated in paragraph 1;
 - b. ~~Were received directly by the district from the United States government in accordance with the American Recovery and Reinvestment Act of 2009; or~~
 - c. ~~Were received by the district as supplemental one-time grants under section 52 of S.L. 2009, ch. 175.~~
3. ~~Any district having more than fifty thousand dollars excluded in the determination of its ending fund balance, as required by subsection 2, shall provide a report to the legislative council. The report, which must be presented at the time and in the manner directed by the legislative council, must address how the money was expended, including the number of mills by which the district was able to decrease its property taxes, if such was a permitted use.~~

~~(Effective after June 30, 2011) Payments to school districts - Unobligated general fund balance.~~

1. ~~The superintendent of public instruction shall determine the amount of payments due a school district and shall subtract from that the amount by which the unobligated general fund balance of the district on the preceding June thirtieth is in excess of fifty percent of its actual expenditures, plus twenty thousand dollars. Beginning July 1, 2008, the superintendent of public instruction shall determine the amount of payments due a school district and shall subtract from that the amount by which the unobligated general fund balance of the district on the preceding June thirtieth is in excess of forty-five percent of its actual expenditures, plus twenty thousand dollars.~~

2. In making the determination required by subsection 1, the superintendent of public instruction may not include in a district's unobligated general fund balance any moneys that were received by the district from the federal education jobs fund program.

SECTION 29. A new section to chapter 15.1-27 of the North Dakota Century Code is created and enacted as follows:

Distribution of remaining moneys.

If any money remains in the grants - state aid line item after the superintendent complies with all statutory payment obligations imposed for a biennium, the superintendent shall use the remaining moneys to provide additional per student payments on a prorated basis according to the latest available average daily membership of each school district.

SECTION 30. AMENDMENT. Section 15.1-36-02 of the North Dakota Century Code is amended and reenacted as follows:

15.1-36-02. School construction projects - Loans.

1. The board of university and school lands may authorize the use of moneys in the coal development trust fund established pursuant to section 21 of article X of the Constitution of North Dakota and subsection 1 of section 57-62-02 to provide school construction loans, as described in this chapter. The outstanding principal balance of loans under this chapter may not exceed fifty million dollars. The board may adopt policies and rules governing school construction loans.
2. In order to be eligible for a loan under this section, the board of a school district shall:
 - a. Propose a construction project with a cost of at least one million dollars and an expected utilization of at least thirty years;
 - b. Obtain the approval of the superintendent of public instruction for the construction project under section 15.1-36-01; and
 - c. Submit to the superintendent of public instruction an application containing all information deemed necessary by the superintendent, including potential alternative sources or methods of financing the construction project.
3. The superintendent of public instruction shall give priority to any district that meets the requirements for receipt of an equity payment under section 15.1-27-11.
4. If an eligible school district's imputed taxable valuation per student is less than eighty percent of the state average imputed valuation per student, the district is entitled to receive:
 - a. A school construction loan equal to the lesser of ~~eight~~twelve million dollars or eighty percent of the actual project cost;

- b. An interest rate discount equal to at least ~~forty~~fortyone hundred but not more than two hundred fifty basis points below the prevailing tax-free bond rates; and
 - c. A term of repayment that may extend up to twenty years.
5. If an eligible school district's imputed taxable valuation per student is equal to at least eighty percent but less than ninety percent of the state average imputed taxable valuation per student, the district is entitled to receive:
- a. A school construction loan equal to the lesser of ~~seventen~~seventen million dollars or seventy percent of the actual project cost;
 - b. An interest rate buydown equal to at least ~~forty~~fortyone hundred but not more than two hundred fifty basis points below the prevailing tax-free bond rates; and
 - c. A term of repayment that may extend up to twenty years.
6. If an eligible school district's imputed taxable valuation per student is equal to at least ninety percent of the state average imputed taxable valuation per student, the district is entitled to receive:
- a. A school construction loan equal to the lesser of ~~two~~two million-~~five-hundred-thousand~~four million dollars or thirty percent of the actual project cost;
 - b. An interest rate discount equal to at least ~~forty~~fortyone hundred but not more than two hundred fifty basis points below the prevailing tax-free bond rates; and
 - c. A term of repayment that may extend up to twenty years.
7. The board of a school district may submit its loan application to the superintendent of public instruction before or after receiving authorization of a bond issue in accordance with chapter 21-03. If the vote to authorize a bond issue precedes the application for a loan, the application must be acted upon by the superintendent expeditiously but no later than one hundred eighty days from the date it is received by the superintendent.
8. The superintendent of public instruction shall consider each loan application in the order it received approval under section 15.1-36-01.
9. If the superintendent of public instruction approves the loan, the superintendent may determine the loan amount, the term of the loan, and the interest rate, in accordance with the requirements of this section.
10. The superintendent of public instruction may adopt rules governing school construction loans.
11. For purposes of this section, a construction project means the purchase, lease, erection, or improvement of any structure or facility by a school board, provided the acquisition or activity is within a school board's authority.

SECTION 31. AMENDMENT. Section 15.1-37-01 of the North Dakota Century Code is amended and reenacted as follows:

15.1-37-01. Early childhood education program - Approval.

1. Any person or school district operating an early childhood education program may request approval of the program from the superintendent of public instruction. The superintendent shall approve an early childhood education program if the program:
 - ~~1.a.~~ Is taught by individuals who are licensed to teach in early childhood education by the education standards and practices board;
 - ~~2.b.~~ Follows a developmentally appropriate curriculum; ~~and~~
 - ~~3.c.~~ Is in compliance with all municipal and state health, fire, and safety requirements; and
 - d. Limits its enrollment to children who have reached the age of four before August first in the year of enrollment.
2. ~~Per student funding will not be provided to individuals or school districts offering a prekindergarten.~~ In determining the state aid payments to which a school district is entitled, the superintendent of public instruction may not count any student enrolled in a regular early childhood education program.

SECTION 32. AMENDMENT. Subsection 1 of section 15.1-37-02 of the North Dakota Century Code is amended and reenacted as follows:

1. The North Dakota early childhood education council consists of:

SECTION 33. AMENDMENT. Section 15.1-37-03 of the North Dakota Century Code is amended and reenacted as follows:

15.1-37-03. Council - Duties.

The council shall:

- 1. Review the ~~delivery~~availability and provision of early childhood education, ~~care, and services~~ in this state;
- 2. ~~Conduct a needs assessment;~~
- 3. ~~Review early childhood education standards and propose revisions to the standards as needed;~~
- 4. ~~Review~~Identify opportunities for public and private sector collaboration in the ~~delivery~~provision of early childhood education, ~~care, and services~~ in this state;
- 5. ~~Develop a comprehensive plan governing the delivery of early childhood education in this state; and~~
- ~~6-3.~~ Identify ways to assist with the recruitment and retention of individuals interested in working as providers of early childhood education, care, and services, including training and continuing education or professional development opportunities;

4. Seek the advice and guidance of individuals who are uniquely familiar with the nature, scope, and associated challenges of providing early childhood education, care, and services in geographically and socioeconomically diverse settings, and develop recommendations pertaining to the short-term and longer-term improvement and expansion of early childhood education, care, and services in this state; and
5. Provide a biennial report regarding its activities findings and recommendations to the governor and the legislative council assembly.

SECTION 34. APPROPRIATION - SCHOOL DISTRICT RAPID ENROLLMENT GROWTH - GRANTS. There is appropriated out of any moneys in the oil and gas impact grant fund in the state treasury, not otherwise appropriated, the sum of \$5,000,000, or so much of the sum as may be necessary, to the superintendent of public instruction for the purpose of providing a grant to any school district that can demonstrate rapid enrollment growth, for the biennium beginning July 1, 2011, and ending June 30, 2013.

1. If the number of full-time equivalent students enrolled in a school district has increased by at least seven percent annually and if that increase is equal to at least twenty-five full-time equivalent students, as demonstrated by the district's September tenth fall enrollment report, the district is entitled to receive a grant equal to the per student payment provided for in section 15.1-27-04 multiplied by the actual increase in its full-time equivalent student enrollment.
2. If the amount of the appropriation provided for in this section is insufficient to meet the obligations of this section, the superintendent of public instruction shall prorate the payment based on the percentage of the total amount to which each school district is entitled.
3. The superintendent of public instruction may not expend more than \$2,500,000 in grants under this section during the first year of the biennium.
4. Any district that is precluded from receiving state aid under section 15.1-27-35.3 is not eligible to receive a grant under this section.

SECTION 35. APPROPRIATION - GEARING UP FOR KINDERGARTEN. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$625,000, or so much of the sum as may be necessary, to the superintendent of public instruction for the purpose of supporting the gearing up for kindergarten program provided by the North Dakota state university extension service, for the biennium beginning July 1, 2011, and ending June 30, 2013. The North Dakota state university extension service may use up to \$125,000 of the amount appropriated for administrative purposes.

SECTION 36. TRANSPORTATION GRANTS - DISTRIBUTION.

1. During each year of the 2011-13 biennium, the superintendent of public instruction shall calculate the payment to which each school district is entitled based on the state transportation formula as it existed on June 30, 2001, except that the superintendent shall provide reimbursement at the rate of:

- a. One dollar and three cents per mile for schoolbuses having a capacity of ten or more passengers;
 - b. Forty-six cents per mile for vehicles having a capacity of nine or fewer passengers;
 - c. Forty-six cents per mile, provided:
 - (1) The student being transported is a student with a disability, as defined in chapter 15.1-32;
 - (2) The student's individualized education program plan requires that the student attend a public or a nonpublic school located outside the student's school district of residence;
 - (3) The student is transported by an adult member of the student's family;
 - (4) The student is transported in a vehicle furnished by the student's parents;
 - (5) The student's transportation is paid for by the student's parents; and
 - (6) The reimbursement does not exceed two round trips daily between the student's home and school.
 - d. Forty-six cents per mile, one way, provided:
 - (1) The student being transported resides more than two miles from the public school that the student attends;
 - (2) The student is transported by an adult member of the student's family;
 - (3) The student is transported in a vehicle furnished by the student's parents; and
 - (4) The student's transportation is paid for by the student's parents; and
 - e. Twenty-six cents per student for each one-way trip.
2. The superintendent of public instruction shall use the latest available student enrollment count in each school district in applying the provisions of subsection 1.
 3. If any moneys provided for transportation payments in the grants transportation line item in the appropriation bill for the superintendent of public instruction, as approved by the sixty-second legislative assembly, remain after application of the formula provided for in this section, the superintendent of public instruction shall prorate the remaining amounts according to the percentage of the total transportation formula amount to which each school district is entitled.
 4. This section does not authorize the reimbursement of any costs incurred in providing transportation for student attendance at extracurricular activities or events.

SECTION 37. ISOLATED SCHOOLS - TRANSITION PAYMENTS.

1. If during the 2010-11 school year a school district received payments as a result of section 15.1-27-15, as the section existed on June 30, 2011, and if that district is not eligible for the factor established under subdivision j of subsection 1 of section 15.1-27-03.1, the district is entitled to the following transition payments:
 - a. For the 2011-12 and 2012-13 school years, an amount equal to that which the district would have received under section 15.1-27-15, as the section existed on June 30, 2011;
 - b. For the 2013-14 school year, an amount equal to seventy-five percent of that which the district would have received under section 15.1-27-15, as the section existed on June 30, 2011;
 - c. For the 2014-15 school year, an amount equal to fifty percent of that which the district would have received under section 15.1-27-15, as the section existed on June 30, 2011; and
 - d. For the 2015-16 school year, an amount equal to twenty-five percent of that which the district would have received under section 15.1-27-15, as the section existed on June 30, 2011.
2. Upon the closure of a school that met the definition of isolated under section 15.1-27-15, as it existed on June 30, 2011, the superintendent of public instruction shall cease to provide to the district the transition payments established under subsection 1.

SECTION 38. ALTERNATIVE MIDDLE SCHOOL - GRANTS.

1. During the second year of the 2011-13 biennium, the superintendent of public instruction shall expend up to \$300,000 from the grants - other grants line item in the appropriation bill for the superintendent of public instruction, as approved by the sixty-second legislative assembly, for the purpose of providing a grant to any school district that offers an alternative education program for students enrolled in grades six through eight.
2. In order to determine the amount that a school district may receive under this section, the superintendent of public instruction shall multiply by a factor of .15 the number of students in grades six through eight who are enrolled in an alternative education program for at least fifteen hours per week.
3. If the expenditure authorized in this section is insufficient for providing grants to all eligible school districts, the superintendent of public instruction shall prorate the grants based on the percentage of the total to which each school district is entitled.

SECTION 39. USE OF NEW MONEY - TEACHER COMPENSATION INCREASES - REPORTS TO THE LEGISLATIVE MANAGEMENT.

1. During the 2011-13 biennium, the board of each school district shall use an amount equal to at least seventy percent of all new money received by the district for per student payments to increase the compensation paid to

teachers and to provide compensation to teachers who begin employment with the district on or after July 1, 2011.

2. For purposes of this section, the superintendent of public instruction shall calculate the amount of new money available during the 2011-13 biennium by:
 - a. Determining the total amount of dollars in the grants - state school aid line item in the 2011-13 appropriation bill for the superintendent of public instruction, as approved by the sixty-second legislative assembly and subtracting from that amount:
 - (1) Equity payments;
 - (2) Regional education association moneys and grants;
 - (3) PowerSchool acquisition, implementation, and utilization moneys; and
 - (4) Contingent distributions;
 - b. Determining the total amount of dollars in the grants - state school aid line item and in the grants - supplemental line item in the 2009-11 appropriation bill for the superintendent of public instruction, as approved by the sixty-first legislative assembly and subtracting from that amount:
 - (1) Equity payments;
 - (2) Regional education association moneys and grants;
 - (3) Technology support payments; and
 - (4) Contingent distributions; and
 - c. Subtracting the amount arrived at under subdivision b from the amount arrived at under subdivision a.
3. School districts providing educational services under a cooperative agreement approved by the superintendent of public instruction must, for purposes of this section, be treated as a single district.
4.
 - a. This section does not apply to a school district if the board of the school district, after a public hearing at which public testimony and documentary evidence are accepted, determines in its discretion and by an affirmative vote of two-thirds of the members of the board that complying with subsection 1 would place the school district in the position of having insufficient fiscal resources to meet the school district's other obligations.
 - b. Within ten days of the vote required by subdivision a, the school board shall notify the superintendent of public instruction of its action and shall file a report detailing the grounds for its determination and action.
 - c. The superintendent of public instruction shall report all notices received under this subsection to the legislative management.

SECTION 40. EDUCATION FUNDING AND TAXATION COMMITTEE - CREATION - STUDY.

1. The education funding and taxation committee consists of the following eight members:
 - a. The house majority leader or the leader's designee selected from among the members of the house education committee or the house finance and taxation committee;
 - b. The house minority leader or the leader's designee selected from among the members of the house education committee or the house finance and taxation committee;
 - c. The senate majority leader or the leader's designee selected from among the members of the senate education committee or the senate finance and taxation committee;
 - d. The senate minority leader or the leader's designee selected from among the members of the senate education committee or the senate finance and taxation committee;
 - e. The chairman of the house education committee, or the chairman's designee;
 - f. The chairman of the house finance and taxation committee, or the chairman's designee;
 - g. The chairman of the senate education committee, or the chairman's designee; and
 - h. The chairman of the senate finance and taxation committee, or the chairman's designee.
2. The chairman of the legislative management shall select one from among the voting members to serve as the chairman of the committee.
3. The committee shall operate according to the statutes and procedure governing the operation of other legislative management interim committees.
4. The committee shall examine short-term and longer-term state and local involvement in funding elementary and secondary education. The committee shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the legislative management.

SECTION 41. ADULT EDUCATION - STUDY. During the 2011-12 interim, the legislative management shall consider studying the provision and funding of adult education. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the legislative management.

SECTION 42. ALTERNATIVE EDUCATION - MIDDLE SCHOOL - DATA COLLECTION - REPORT.

1. The superintendent of public instruction shall collect data regarding the provision of services to students in grades six through eight who are enrolled in an alternative education program for at least an average of fifteen hours per week. The data must include:
 - a. The number of school districts offering alternative education programs to students in grades six through eight;
 - b. The number of students in grades six through eight who are enrolled in alternative education programs;
 - c. The number of students in grades six through eight who are enrolled in alternative education programs and who are eligible for free or reduced lunches under the Richard B. Russell National School Lunch Act [42 U.S.C. 1751 et seq.];
 - d. The average number of hours per week that students in grades six through eight are spending in alternative education programs;
 - e. A quantification of the students' academic accomplishments; and
 - f. Any reductions in the number of students enrolled in alternative high schools.
2. Before October 1, 2012, the superintendent of public instruction shall report the data to the legislative management.

SECTION 43. REPEAL. Section 5 of this Act and sections 15.1-18.2-01, 15.1-18.2-02, and 15.1-18.2-03 of the North Dakota Century Code are repealed.

SECTION 44. REPEAL. Section 15.1-27-15 of the North Dakota Century Code is repealed.

SECTION 45. EFFECTIVE DATE. Section 22 of this Act becomes effective on July 1, 2012. Section 43 of this Act becomes effective on July 1, 2013.

SECTION 46. EFFECTIVE DATE - EXPIRATION DATE. Section 23 of this Act is effective on July 1, 2013, through June 30, 2015, and after that date is ineffective.

SECTION 47. EMERGENCY. Sections 27 and 40 of this Act are declared to be an emergency measure."
