BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 14-05-24 of the North Dakota Century Code is amended and reenacted as follows:

14-05-24. Division of property and debts.

1. When a divorce is granted, the court shall make an equitable distribution of the property and debts of the parties.
2. If one party to the divorce is covered by the civil service retirement system or other government pension system in lieu of social security and is not entitled to receive full social security benefits and the other party is a social security recipient, in making an equitable distribution award, the court shall compute what the present value of the social security benefits would have been to the party with the government pension during the covered period and subtract that amount from the value of the government pension in order to determine the government pension's marital portion.
3. The court may redistribute property and debts in a postjudgment proceeding if a party has failed to disclose property and debts as required by rules adopted by the supreme court or the party fails to comply with the terms of a court order distributing property and debts.
