**BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

**SECTION 1. AMENDMENT.** Section 15.1-27-23 of the North Dakota Century Code is amended and reenacted as follows:

**15.1-27-23. Weather or other emergency conditions - Closure of schools - State payments to school districts.**

1. If because of severe weather or other emergency conditions a public school or school district remains closed or provides less than a full day of instruction, the public school or school district shall make every effort to reschedule classes so that students receive at least one hundred ~~seventy-three~~seventy-five full days of instruction.
2. Any public school or school district for which the rescheduling of classes would create undue hardship may request that, for purposes of calculating state aid payments to the ~~school or~~ school district, the governor waive the rescheduling in whole or in part.
3. The governor may not grant a waiver for less than a full day of instruction. However, if a public school or school district closes for only a portion of its regular schoolday, the hours during which the school or school district is closed may be added together to determine the number of additional full days of instruction that may be waived under this section.
