

**SECOND ENGROSSMENT
with Conference Committee Amendments
REENGROSSED SENATE BILL NO. 2276**

Introduced by

Senators J. Lee, Dever, Heckaman

Representatives Kaldor, Weisz

1 A BILL for an Act to create and enact a new section to chapter 23-01 of the North Dakota
2 Century Code, relating to the North Dakota immunization program; to amend and reenact
3 section 23-01-05.3 of the North Dakota Century Code, relating to reporting immunization data;
4 and to provide an appropriation.

5 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

6 **SECTION 1. AMENDMENT.** Section 23-01-05.3 of the North Dakota Century Code is
7 amended and reenacted as follows:

8 **23-01-05.3. Immunization data.**

- 9 1. The state department of health may establish an immunization information system and
10 may require the childhood immunizations specified in subsection 1 of section
11 23-07-17.1 and other information be reported to the department. The state department
12 of health may only require the reporting of childhood immunizations and other data
13 upon completion of the immunization information reporting system. A health care
14 provider who administers a childhood immunization shall report the patient's
15 identifying information, the immunization that is administered, and other required
16 information to the department. The report must be submitted using electronic media,
17 and must contain the data content and use the format and codes specified by the
18 department.
- 19 2. If a health care provider fails to submit an immunization report required under this
20 section within four weeks of vaccination:
- 21 a. That health care provider may not order or receive any vaccine from the North
22 Dakota immunization program until that provider submits all reports required
23 under this section.

1 **b.** The state department of health shall make a report to that health care provider's
2 occupational licensing entity outlining that provider's failure to comply with the
3 reporting requirements under this section.

4 **3.** Notwithstanding any other provision of law, a health care provider, elementary or
5 secondary school, early childhood facility, public or private postsecondary educational
6 institution, city or county board of health, district health unit, and the state health officer
7 may exchange immunization data in any manner with one another. Immunization data
8 that may be exchanged under this section is limited to the date and type of
9 immunization administered to a patient and may be exchanged regardless of the date
10 of the immunization.

11 **SECTION 2.** A new section to chapter 23-01 of the North Dakota Century Code is created
12 and enacted as follows:

13 **Immunization program - Provider choice - Purchasing.**

14 **1.** As used in this section:

15 **a.** "Department" means the state department of health.

16 **b.** "North Dakota immunization advisory committee" means the group of private
17 health care providers, local public health units, department staff, and other
18 applicable individuals which makes immunization and vaccine selection
19 recommendations to the North Dakota immunization program.

20 **c.** "North Dakota immunization program" means the program administered by the
21 department to provide vaccinations to North Dakota children consistent with state
22 and federal law.

23 **d.** "Program-eligible child" means any child, who is under nineteen years of age,
24 whose custodial parent or legal guardian resides in this state.

25 **e.** "Vaccine" means any vaccine recommended by the federal advisory committee
26 on immunization practices of the centers for disease control and prevention.

27 **f.** "Vaccines for children program" is a federally funded program that provides
28 vaccines at no cost to eligible children pursuant to section 1928 of the Social
29 Security Act [42 U.S.C. 1396s].

30 **2.** As part of the North Dakota immunization program:

- 1 a. The department shall implement a provider choice system as part of the state's
2 implementation of the vaccines for children program. This provider choice system
3 must provide a health care provider participating in the state's vaccines for
4 children program or in any other immunization program for children, adolescents,
5 or adults which is administered through the state using federal or state funds.
6 may select any licensed vaccine, including combination vaccines, and any
7 dosage forms that have in effect a recommendation from the federal advisory
8 committee on immunization practices. This subsection does not apply in the
9 event of a disaster, public health emergency, terrorist attack, hostile military or
10 paramilitary action, or extraordinary law enforcement emergency.
- 11 b. The department shall establish a program through which the department
12 purchases vaccines through the federal vaccine purchasing contract.
- 13 (1) The department shall supply public health units with the purchased
14 vaccines. A public health unit that receives vaccines under this subdivision
15 shall administer the vaccines to program-eligible children.
- 16 (2) A public health unit that receives vaccines under this purchasing program
17 may not bill an insurer for the cost of the vaccine but may charge an
18 administration fee.
- 19 (3) The department shall fund this purchasing program through participation in
20 the vaccines for children program, the federal section 317 vaccine program,
21 and state funds appropriated for this purpose. If it appears there will be
22 inadequate funds to fund this purchasing program, the department shall
23 petition the emergency commission for a transfer from the state contingency
24 fund. The emergency commission may grant the transfer request, or so
25 much thereof as may be necessary, to fund this purchasing program.

26 **SECTION 3. APPROPRIATION.** There is appropriated out of any moneys in the general
27 fund in the state treasury, not otherwise appropriated, the sum of \$1,500,000, or so much of the
28 sum as may be necessary, to the state department of health for the purpose of funding the
29 program through which the department purchases vaccines through the federal vaccine
30 purchasing contract, for the biennium beginning July 1, 2011, and ending June 30, 2013.
