STATEMENT OF PURPOSE OF AMENDMENT:

Senate Bill No. 2369 - Adjutant General - House Action

The amendment:

- Changes Section 37-17.1-27, relating to the state disaster relief fund, to limit use of money in the fund for only the required state share of funding to match federal funds for expenses associated with presidential-declared disasters in the state and to require Emergency Commission and Budget Section approval of the use of money in the fund.
- Provides that the \$9 million for emergency snow removal grant is to be considered one-time funding and any unspent funds are not available for future snow removal assistance, but may be used only for the state share of funding required to match federal funds for expenses associated with presidential-declared disasters in the state. The years used to determine average snow removal costs are changed to 2004 through 2008, rather than 2004 through 2010 with the highest and lowest snow removal cost years being disregarded.
- Limits funding available for flood disaster relief or disaster mitigation projects in eligible incorporated cities to \$3.2 million.
- Adds authorization to provide grants to political subdivisions for a portion of the local share required to match federal funds on road grade raising projects. Road grade raising grants are limited to 50 percent of the local share for political subdivisions that lost up to 33 percent of taxable land due to inundated lands since 1993, 75 percent for political subdivisions that have lost 33 percent to 50 percent, and 90 percent for political subdivisions that have lost 50 percent or more.
- Requires Emergency Commission and Budget Section approval of disaster relief grants, except emergency snow removal grants.
