REMARKS OF REPRESENTATIVE WINRICH

MR. SPEAKER: This week, at the University of North Dakota, the UND Indian Association (UNDIA) and the Indian Studies Association will hold the 41st annual Time Out Week and Wacipi on the UND campus in Grand Forks. Time out week is an academic event that features presentations and discussions highlighting the cultural traditions, talents, and contributions of American Indians to the community and the region. Time Out Week originated in 1969 when the students of the recently formed UNDIA, with the support of UND President Tom Clifford, invited the campus community to take "Time Out" for a week to share in and celebrate their cultural traditions. This year's events include a demonstration of contemporary American Indian cooking, a discussion with Earl Bullhead about his experiences teaching the Lakota language, and a hoop dance demonstration by Wayne Fox. In addition to affirming the cultural pride of UND's American Indian students it is an unequalled opportunity to learn the about the history and traditions of North Dakota's first citizens.

The week culminates in a three-day powwow or Wacipi (the Lakota word for celebration). The Wacipi features tradition music with flute and drum and several categories of dance competition. A traditional meal served on Saturday evening at 5:00pm is free to the public. I've had the pages distribute a memo from UNDIA Vice President Deanna Rainbow inviting each of you to enjoy the Time Out Wacipi and to join in a Grand Entry March, the first of which is Friday evening at 7:00pm.

Its forty-year history of American Indian programming and powwows sets the University of North Dakota apart in the national arena. UND is proud of this distinction and the commitment to diversity that it symbolizes. The UNDIA Annual Time Out Week and Wacipi events publicly affirm UND's long history of commitment to American Indian education and awareness.

The amendment:

- Changes Section 37-17.1-27, relating to the state disaster relief fund, to limit use of money in the fund for only the required state share of funding to match federal funds for expenses associated with presidential-declared disasters in the state and to require Emergency Commission and Budget Section approval of the use of money in the fund.
- Provides that the \$9 million for emergency snow removal grant is to be considered one-time funding and any unspent funds are not available for future snow removal assistance, but may be used only for the state share of funding required to match federal funds for expenses associated with presidential-declared disasters in the state. The years used to determine average snow removal costs are changed to 2004 through 2008, rather than 2004 through 2010 with the highest and lowest snow

removal cost years being disregarded.

- Limits funding available for flood disaster relief or disaster mitigation projects in eligible incorporated cities to \$3.2 million.
- Adds authorization to provide grants to political subdivisions for a portion of the local share required to match federal funds on road grade raising projects. Road grade raising grants are limited to 50 percent of the local share for political subdivisions that lost up to 33 percent of taxable land due to inundated lands since 1993, 75 percent for political subdivisions that have lost 33 percent to 50 percent, and 90 percent for political subdivisions that have lost 50 percent or more.
- Requires Emergency Commission and Budget Section approval of disaster relief grants, except emergency snow removal grants.
