Notwithstanding any other provision of law, a portion of sales, gross receipts, use, and motor vehicle excise tax collections, equal to forty percent of an amount determined by multiplying the quotient of one percent divided by the general sales tax rate, that was in effect when the taxes were collected, times the net sales, gross receipts, use, and motor vehicle excise tax collections under chapters 57-39.2, 57-39.5, 57-39.6, 57-40.2, and 57-40.3 must be deposited by the state treasurer in the state aid distribution fund. The state tax commissioner shall certify to the state treasurer the portion of sales, gross receipts, use, and motor vehicle excise tax net revenues that must be deposited in the state aid distribution fund as determined under this section. The share of the county allocation under this subsection to be distributed to a township must be equal to the percentage of the county share of state aid distribution fund allocations that township received during calendar year 1996. The governing boards of the county and township may agree to a different distribution.

1. "Approved naturopathic medical college" means a college and program granting the degree of doctor of naturopathy or naturopathic medicine which must require as a minimum a four-year, full-time resident program of academic and clinical study and which:
 - a. Is accredited, or has the status of candidate for accreditation, by an organization approved by the board, such as the council on naturopathic medical education; or
 - b. Has been approved by the board after an investigation that determines that the college or program meets education standards equivalent to those established by the accrediting agency under subdivision a and complies with the board's rules.
2. "Board" means the state board of integrative health care created under chapter 43-57.
3. "Homeopathic preparations" means nonprescriptive substances prepared according to the official homeopathic pharmacopoeia of the United States. The term does not include prescriptive drugs.
4. "Licensee" means an individual licensed by the board under this chapter.
5. "Naturopath" means an individual licensed to practice naturopathic health care under this chapter.
6. "Naturopathic health care", "naturopathic medicine", or "naturopathy" means a system of primary health care practiced by naturopaths for the prevention, diagnosis, and treatment of human health conditions, injury, and disease. The purpose of naturopathic health care, naturopathic medicine, or naturopathy is to promote or restore health by the support and stimulation of the individual's inherent self-healing processes. This is accomplished through education of the patient by a naturopath and through the use of natural therapies and therapeutic substances.
7. "Naturopathic physical application" means the therapeutic use by a naturopath of the actions or devices of electrical muscle stimulation, galvanic, diathermy, ultrasound, ultraviolet light, hydrotherapy, and naturopathic manipulative therapy. The term does not include manipulation of the spine.

43-58-02. Exemptions.

Many of the therapies used by a naturopath, such as the use of nutritional supplements, herbs, foods, homeopathic preparations, and such physical forces as heat, cold, water, touch, and light, are not the exclusive privilege of naturopaths, and their use, practice, prescription, or administration by individuals not licensed to practice naturopathic medicine is not prohibited by this chapter. This chapter does not restrict or apply to the scope of practice of any other profession licensed, certified, or registered under the laws of this state.

43-58-03. License required - Title restrictions.

1. Effective January 1, 2012, a person may not practice naturopathy without a current naturopathic license issued by the board.
2. A naturopath may use the title "naturopath" or "doctor of naturopathic medicine" and the abbreviation "N.D." when used to reflect either of these titles. Effective January 1, 2012, a person that uses these terms or initials as identification without having received a naturopathic license under this chapter is engaging in the practice of naturopathy without a license.

43-58-04. Qualifications for licensure.

In order to obtain a license to practice naturopathic medicine in this state, an application must be made to the board. The application must be upon the form adopted by the board and must be made in the manner prescribed by the board.

43-58-05. Application for licensure.

1. An applicant for naturopathic licensure shall file an application on forms provided by the board showing to the board's satisfaction that the applicant is of good moral character and satisfied all of the requirements of this chapter and chapter 43-57, including:

 - b. Successful completion of an examination prescribed or endorsed by the board, such as part I and part II of the naturopathic physicians licensing examinations;
 - c. Physical, mental, and professional capability for the practice of naturopathic medicine in a manner acceptable to the board; and
 - d. A history free of any finding by the board, any other state licensure board, or any court of competent jurisdiction of the commission of any act that would constitute grounds for disciplinary action under this chapter and chapter 43-57. The board may modify this restriction for cause.
2. The application must be accompanied by the board-established license fees and application fees and by the documents, affidavits, and certificates necessary to establish that the applicant possesses the necessary qualifications.

43-58-06. Initial applications - Education and testing exception.

Notwithstanding the education and examination requirements for licensure under subdivisions a and b of subsection 1 of section 43-58-05, if an applicant was a bona fide resident of the state from January 1, 2011, through December 31, 2011, was practicing naturopathic medicine in this state immediately preceding January 1, 2012, was required to apply for licensure under this chapter in order to continue that practice, and does not meet the educational or examination requirements or both, the board may issue a license or limited license to that applicant if, following an examination of the applicant's education and experience, the board determines the applicant has sufficient education and experience to prepare the applicant to practice naturopathic medicine.

43-58-07. Licensure granted without examination to individuals licensed in other states.

1. The board may issue a naturopathic license by endorsement to an applicant who has complied with licensure requirements and who has passed an examination given by a recognized certifying agency approved by the licensing agency if the board determines the examination was equivalent in every respect to the examination required under this chapter.
2. The board may enter reciprocal agreements with licensing agencies of other states providing for reciprocal waiver of further examination or any part of the examination.
3. If an applicant is exempt from the examination required under this chapter, the applicant shall comply with the other requirements for licensure. The board may adopt rules allowing for temporary and special licensure to be in effect during the interval between board meetings.

43-58-08. Practice of naturopathic health care.

1. A naturopath may practice naturopathic medicine as a limited practice of the healing arts as exempted under section 43-17-02. A naturopath may not:
 - a. Prescribe, dispense, or administer any prescription drug;

2. A naturopath may prescribe and administer for preventive and therapeutic purposes a prescriptive device and the following nonprescriptive natural therapeutic substances, drugs, and therapies:
 - a. Food, vitamins, minerals, dietary supplements, enzymes, botanical medicines, and homeopathic preparations;

43-58-09. Public health duties.

A naturopath has the same powers and duties as a licensed physician with regard to public health laws, reportable diseases and conditions, communicable disease control and prevention, recording of vital statistics, health and physical examinations, and local boards of health, except that the authority and responsibility are limited to activities consistent with the scope of practice established under this chapter and chapter 43-57.

43-58-10. Employment by hospitals.

A hospital may employ a naturopath in the same manner as provided under section 43-17-42.

Techniques used in the practice of music therapy include the use of music to provide participatory individual and group experiences; musical improvisation; therapeutic development of verbal skills and nonverbal behavior; receptive music learning; lyric discussions; memory recall; music and imagery; self-expression through composition and songwriting; socialization and enhancement of self-esteem through music performance; relaxation to music, including stress and pain management; learning through music; cultural and spiritual expression; development of fine and gross motor skills through responses to rhythm; respiratory and speech improvements through sound production; sensory integration and stimulation; increased awareness of music for development of recreation and leisure interests; and interactive verbal techniques to help facilitate, elicit, or summarize the techniques listed in this subsection and build the therapeutic relationship.

43-59-02. Music therapy - License required - Title restrictions - Exceptions.

1. Effective August 1, 2012, a person may not hold out as practicing music therapy, hold out as being a music therapist, or use a title or other designation indicating the person is a music therapist in this state unless that person is an individual licensed under this chapter and chapter 43-57.
2. The licensure provisions of this chapter do not prevent or restrict the practice, services, or activities of any individual licensed in another profession or any individual supervised by a licensed professional from performing work incidental to the practice of that profession or occupation, if that individual does not represent the individual as a music therapist.

43-59-03. Qualifications for licensure.
