REMARKS OF MAJORITY LEADER CARLSON

Welcome. It is an honor to have you here. This is a special place - the people's house. Today we honor your loved ones who served in this chamber. Things haven't changed a lot since your loved ones served.

The success of this state was not just because of our current economic boom. It is, in part, because of the hard work and dedication of those who came before us. It is truly public service that brought your family members to this chamber, not the pay, and not the prestige. Their desire to create a better North Dakota brought them. We will always be indebted for their service.

On behalf of the members of this chamber and the citizens of North Dakota, we thank you. Having served with several of these members even makes this event more special. I shall always remember my days sitting beside Frank Wald.

May God bless your family and the State of North Dakota.
