

JOURNAL OF THE SENATE

* * * * *

Bismarck, February 18, 2013

The Senate convened at 1:00 p.m., with President Wrigley presiding.

The prayer was offered by Pastor Les Wolfgram, Shepherd of the Valley Lutheran Church, Bismarck.

The roll was called and all members were present.

A quorum was declared by the President.

MOTION

SEN. KLEIN MOVED that the Senate resolve itself into a Confirmation Session, which motion prevailed on a voice vote.

REPORT OF SELECT COMMITTEE

MR. PRESIDENT: Your **Select Committee (Sen. Klein, Chairman)** appointed to consider the nomination to North Dakota State Board of Higher Education, do advise and consent to the appointment of Kathleen Neset.

REMARKS OF SENATOR TRIPLETT

MR. PRESIDENT: I am pleased to report on the confirmation hearing held February 15, 2013 regarding the Governor's appointment of Kathleen Neset to a position on the State Board of Higher Education.

Ms. Neset was appointed to the State Board of Higher Education in July 2012 to fill a vacancy created by the resignation of Claus Lembke in the Spring of 2012. Therefore, her current appointment is scheduled to expire June 30, 2013. If she is confirmed today, it will be for a full four-year term beginning July 1, 2013.

Kathleen Neset has a B.A. in geology from Brown University. She is President of Neset Consulting Service, Inc., which provides well site geologic and geosteering services to the oil industry in North Dakota and throughout the Rocky Mountain region. She started her business in 1980 and is one of very few people to have worked as an independent petroleum geologist in western North Dakota continuously since that time. She is also the owner of Neset Farms near Tioga, ND, where she resides.

Mr. President, I was personally impressed by the fact that Ms. Neset reported that virtually all of her undergraduate classes, other than her geology courses, were in the area of education. Although she does not maintain certification as a public school teacher, she is qualified by her education to be a teacher, and she has taught in the Tioga Public School system in the past.

While virtually all of our candidates for the State Board of Higher Education through the years have had a college or university education, very few of them were specifically trained in the theoretical concepts of education.

Given the emphasis that the legislature has encouraged in recent years on cooperation between our high schools and our institutions of higher education to ensure that our graduating high school seniors are well prepared for a college or university education, Ms. Neset's background in education offers great promise.

Ms. Neset appears to have the combination of education, business experience, temperament, time management skills, and personal commitment to serve the State of North Dakota very well as a member of the State Board of Higher Education.

MOTION

SEN. TRIPLETT MOVED that the report be adopted.

ROLL CALL

The question being, "will the Senate advise and consent to the appointment of Kathleen Neset to North Dakota State Board of Higher Education," the roll was called and there were 47 YEAS, 0 NAYS, 0 EXCUSED, 0 ABSENT AND NOT VOTING.

REPORT OF SELECT COMMITTEE

MR. PRESIDENT: Your **Select Committee (Sen. Klein, Chairman)** appointed to consider the nomination to North Dakota State Board of Higher Education, do advise and consent to the appointment of Don Morton.

REMARKS OF SENATOR KREBSBACH

MR. PRESIDENT: Don Morton has a varied and extensive background. A native of the state of Michigan, he has a B.A. Degree in Psychology, a Master of Arts in Education and Administration. His career in coaching led him to several locations in the country. He started in high school in Moline, IL as assistant football and head wrestling coach, he then moved to a collegiate position at Augustana in SD. Next he arrived at North Dakota State University where he eventually became the head coach and won four conference championships and one national championship. In 1983 he was named National Coach of the Year. He also served as head coach at the University of Tulsa and a Wisconsin University. He then returned to North Dakota State University as the Assistant to the President and the Director of University Relationships.

Upon retiring from the coaching field, Don Morton found a new life career in the computer world. He served as the Chief of Staff to the Co-founder and CEO of Great Plains Software, Doug Bergum. In 2001, Great Plains was acquired by Microsoft, and Don remained the Chief of Staff to Doug Bergum who was named the Sr. Vice President of Microsoft Business Solutions Group. Mr. Morton is currently a Sr. Director within this group and has three major areas of responsibility. He leads the Global Dynamic Academic Alliance Team, he leads a team responsible for the Executive Briefing Center on the Microsoft campus in Fargo, and he is a site leader for the Microsoft Campus in Fargo which employs over 1600 employees.

His background and leadership skills are very much what is needed on the State Board of Higher Education. During his interview, we did ask thoughtful questions, as the Chairman of the Committee said.

There is a sense of mistrust of the Board of Higher Education and he was asked what he would do to improve that relationship. Mr. Morton feels the board needs to have more contact with the Presidents and with the Legislature. He feels they need to be engaged with their constituents to be effective. Another question was raised regarding issues where they can do better as a board. His response was, "We have to accept responsibility and we can do better."

Finally, the statement was made that we are looking for a game changer on the board and does he feel that he can be a game changer. Mr. Morton's response was, "Yes, I do. I feel I can be a game changer."

We have to keep in mind, Mr. President that he has been on the board since July 2012. And I feel confident Mr. Morton will take his responsibility very seriously on the board, and will be a game changer for the better of the University System for the State of North Dakota.

MOTION

SEN. KREBSBACH MOVED that the report be adopted.

REPORT OF SELECT COMMITTEE

MR. PRESIDENT: Your **Select Committee (Sen. Klein, Chairman)** appointed to consider the nomination to North Dakota State Board of Higher Education, do advise and consent to the appointment of Kari Reichert.

REMARKS OF SENATOR HECKAMAN

MR. PRESIDENT: I am here today on behalf of the High Education Confirmation Committee to advise and consent to the appointment of Kari Reichert to the North Dakota Board of Higher Education.

Ms. Reichert comes to the board with a Law Degree from Yale Law School. She was also an Olin Fellow in Law and Economics. What a perfect fit for her work on the board.

As a resident of Bismarck, she is currently working with a local business developing recruitment strategy for entry-level candidates for the business. She has extensive experience working with policy, employment, record management, litigation, and contracts. Her experience includes researching and drafting policies and addressing legal compliance issues.

The committee heard her commitment to upholding legislative direction and intent as it relates to the University System. She believes she can be a game changer and of course, that is what the search committee believes is needed.

But more importantly, she understands the current level of distrust and concern about the Board of High Education and believes communication is of the utmost importance in alleviating any of those current beliefs. Her vision is one of shared responsibility along with delineating a fine line between micro managing and maintaining the responsibility of not only her job on the board but also of that of the chancellor.

The committee was very firm in its direction to each candidate expecting that each of these applicants will have a huge responsibility regaining the trust of the public, students, faculty, and legislature.

title 28, Code of Federal Regulations, part 36 [28 CFR 36]. State and political subdivision entities may not claim the exceptions to the requirement that elevators be installed in certain buildings as those exceptions are stated in exception 1 to section 4.1.3(5) and in section 4.1.6(1)(k)(i) in the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities found in the appendix to 28 CFR 36. A structural change to an existing state or political subdivision building or facility is not required if another method is effective in achieving compliance with regulations adopted under Public Law 101-336. For public accommodations, an alternative to a structural change in existing buildings or facilities is permitted only after it has been documented, in accordance with regulations adopted under Public Law 101-336, that a particular structural change is not readily achievable. A state agency or the governing body of a political subdivision shall require from any person preparing plans and specifications for a building or facility subject to the Americans with Disabilities Act of 1990 [Pub. L. 101-336; 104 Stat. 327], a statement that the plans and specifications are, in the professional judgment of that person, in conformance with the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities found in the appendix to 28 CFR 36, subject to the exception stated in this section. A statement of conformance must be submitted to the department of commerce division of community services for recording.

1. This section replaces any reference to "accessibility standards" in the state and a political subdivision's building code. The 2010 standards are minimum requirements, both scoping and technical, for newly designed and constructed or altered state and local government facilities, public accommodations, and commercial facilities to be readily accessible to and usable by individuals with disabilities.
2. These standards include standards for state and local governments, which consist of the title II regulations at 28 CFR 35.151 and the 2004 Americans with Disabilities Act accessibility guidelines at 36 CFR, part 1191, appendices B and D; the 2010 standards for public accommodations and commercial facilities, which consist of the title III regulations at 28 CFR, part 36, subpart D, and the 2004 Americans with Disabilities Act accessibility guidelines at 36 CFR, part 1191, appendices B and D.
3. These standards include the elevator requirements and exceptions are stated in 206.2.3; exceptions: 11 through 7.
4. All state agencies, governing bodies of a political subdivision, and controlling bodies of all public accommodations and commercial facilities shall require from the person preparing drawings and specifications for a building or facility, subject to the Americans with Disabilities Act of 1990, revised 2010, a statement referencing all applicable sections of the standards, that the drawings and specifications are in the professional judgment of that person, in conformance with 2010 Americans with Disabilities Act standards for accessible design. For all public facilities, the statement of conformance must be submitted to the controlling body before construction proceeds. A copy of the statement must be submitted to the department of commerce division of community services for recording.
