BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. Section 57-20-07.2 of the North Dakota Century Code is created and enacted as follows:

57-20-07.2. State-paid property tax relief credit.

1. The owner of taxable property is entitled to a credit against property taxes levied against the total amount of property or mobile home taxes in dollars levied against the taxable value of the property. The credit is equal to twelve and one-half percent of property or mobile home taxes levied in dollars against that property.
2. The owner, operator, or lessee of railroad property assessed by the state board of equalization under chapter 57-05 or public utility operative property assessed by the state board of equalization under chapter 57-06 is entitled to a credit against property taxes levied within each county against that property in the amount provided in subsection 1 against property taxes levied in dollars against that property in that county.
3. The owner, operator, or lessee of operative property of an air carrier transportation company assessed and taxed under chapter 57-32 is entitled to a credit in the amount provided in subsection 1 against property taxes in dollars levied against that property. The tax commissioner shall determine the total amount of credits under this subsection and certify the amount to the state treasurer for transfer from the general fund to the air transportation fund. The credit for each air transportation company must be allocated to each city or municipal airport authority where that company makes regularly scheduled landings, in the same manner as the tax collected from that company is allocated.
4. The tax commissioner shall determine the total amount of credits under this section for each county from the abstract of the tax list filed by the county auditor under section 57-20-04, as audited and corrected by the tax commissioner. The tax commissioner shall certify to the state treasurer for payment, by June first following receipt of the abstract of the tax list, the amount determined for each county under this subsection. No penalty or interest applies to any state payment under this section, regardless of when the payment is made.
5. Upon receipt of the payment from the state treasurer under subsection 4, the county treasurer shall apportion and distribute the payment to the county and the taxing districts in the county on the basis on which the general real estate tax for the preceding year is apportioned and distributed.
6. After payments to counties under subsection 4 have been made, the tax commissioner shall certify to the state treasurer as necessary any supplemental amounts payable to counties or the air transportation fund or any amounts that must be returned by counties or returned from the air transportation fund for deposit in the state general fund to correct any errors in payments or reflect any abatement or compromise of taxes, court-ordered tax reduction or increase, or levy of taxes against omitted property. The county auditor shall provide any supplemental information

requested by the tax commissioner after submission of the abstract of the tax list. The county treasurer shall apply to the tax commissioner for any supplemental payments to which the county treasurer believes the county is entitled.

7. Notwithstanding any other provision of law, for any property other than mobile homes, the property tax credit under this section does not apply to any property subject to payments or taxes that are stated by law to be in lieu of personal or real property taxes.

SECTION 2. APPROPRIATION. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$250,000,000, or so much of the sum as may be necessary, to the state treasurer for the purpose of state-paid property tax relief credits under section 57-20-07.2, for the biennium beginning July 1, 2013, and ending June 30, 2015.

SECTION 3. EFFECTIVE DATE. This Act becomes effective July 1, 2013."
