

**SECOND ENGROSSMENT
with House Amendments
REENGROSSED SENATE BILL NO. 2339**

Introduced by

Senators Laffen, Schneider

1 A BILL for an Act to provide for a legislative management study to address residential and
2 commercial development programs and to review the facility master plan.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. LEGISLATIVE MANAGEMENT STUDY - PROGRAMS FOR RESIDENTIAL**
5 **AND COMMERCIAL DEVELOPMENT - FACILITY MASTER PLAN.**

- 6 1. During the 2013-14 interim, the legislative management shall consider a study to:
- 7 a. Create an inventory of and strategic plan for state, local, and federal programs
8 relating to residential and commercial development and the related infrastructure
9 needs. As part of this study, the housing finance agency, working with the Bank of
10 North Dakota and department of commerce, shall survey appropriate state, local,
11 and federal entities to create an inventory of these government programs, which
12 may include housing finance programs, energy efficiency programs, home and
13 residential accessibility programs, disaster recovery programs, and other
14 governmental programs providing residential and commercial development
15 assistance. The housing finance agency shall present this inventory to the
16 legislative management and shall assist the legislative management in identifying
17 program overlap and program gaps.
- 18 b. Review current state government space utilization by all state government
19 branches and agencies, including rental, lease, and state-owned facilities. The
20 study must identify any recommended changes to the state's facility master plan.
- 21 2. The legislative management shall report its findings and recommendations, together
22 with any legislation required to implement the recommendations, to the sixty-fourth
23 legislative assembly.
