¹ This amendment removes funding added in the executive budget for credit card usage fees.

² Funding is added due to a calculation error in the executive compensation package.

³ This amendment adjusts the state employee compensation and benefits package as follows:

- Reduces the performance component from 3 to 5 percent per year to 2 to 4 percent per year.
- Reduces the market component from 2 to 4 percent per year for employees below the midpoint of their salary range to up to 2 percent for employees in the first quartile of their salary range for the first year of the biennium only.
- Removes funding for additional retirement contribution increases.

⁴ A portion of salaries and wages funding from the general fund (\$78,184) and from other funds (\$4,647) for permanent employees' compensation and benefits is reallocated to an accrued leave payments line item for paying annual leave and sick leave for eligible employees.

This amendment also:

- Identifies \$283,754 from the general fund as one-time funding related to the 3 new FTE positions for the business registration unit (2 FTE positions) and the business information unit (1 FTE position) included in the executive recommendation.
- Identifies \$225,600 from the general fund provided for overtime is one-time funding.
- Amends Section 4 of the bill related to the salary of the Secretary of State. The amendment makes the statutory changes necessary to provide a salary increase of 3 percent effective July 1, 2013, and 3 percent effective July 1, 2014. The executive recommendation included increases of 4 percent each year of the 2013-15 biennium.
- Replaces Section 5 of the bill to provide an exemption to North Dakota Century Code 54-44.1-11 and allow the Secretary of State to continue up to \$1,750,000 million of the funding provided for the mainframe migration computer project during the 2011-13 biennium into the 2013-15 biennium.
- A section is added providing that the 3 new FTE positions are authorized only for the 2013-15 biennium and must be reevaluated after the completion of the mainframe migration computer project to determine if the positions should be included in the agency's 2015-17 biennium budget request as optional items.

¹Funding is added due to a calculation error in the executive compensation package.

²This amendment adjusts the state employee compensation and benefits package as follows:

- Reduces the performance component from 3 to 5 percent per year to 2 to 4 percent per year.
- Reduces the market component from 2 to 4 percent per year for employees below the midpoint of their salary range to up to 2 percent for employees in the first quartile of their salary range for the first year of the biennium only.
- Removes funding for additional retirement contribution increases.

³A portion of salaries and wages funding for permanent employees' compensation and

benefits is reallocated to an accrued leave payments line item for paying annual leave and sick leave for eligible employees.

⁴Funding is added to increase the State Treasurer's salary to match the State Auditor's salary.

⁵Funding is added to change the accounting budget specialist position added in the executive budget recommendation to an accounting manager position.

⁶This amendment provides additional funding for temporary salaries to provide a total of \$74,139.

⁷Funding for additional information technology development costs is added relating to changes in oil revenue distributions and other changes.

This amendment also amends Section 54-11-01(18) relating to the duties of the State Treasurer and amends Section 3 of this Act to reflect the State Treasurer's salary at the same rate as the State Auditor, reflecting a 3 percent annual salary increase.

Deposit of fees.

The commissioner shall forward all inspection fees, license fees, and registration fees received under this chapter to the state treasurer. The state treasurer shall deposit the first \$485,000 of fees received under this chapter each biennium in the environment and rangeland protection fund and any remaining fees in the general fund.

SECTION 9. LEGISLATIVE MANAGEMENT STUDY - MILK MARKETING BOARD. During the 2013-14 interim, the legislative management shall consider studying the structure of the milk marketing board; its statutory duties; the manner in which it prescribes and regulates producer, distributor, and retail prices throughout the state; and the manner in which it investigates and resolves concerns regarding the price and availability of milk throughout the state. If conducted, the study must review any policy or regulatory changes that the board has implemented in order to address pricing issues and availability of milk in the western portion of this state. The study must examine whether the continued regulation of the grade A dairy industry is best accomplished by the milk marketing board in its current form and operating under its current statutory directives, whether changes are needed to the board or its statutory directives, and whether there are other methods by which the desired results could be effectively and efficiently achieved. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-fourth legislative assembly."

15-05-10. Royalties from oil leases - Rents from other leases - Rules.

Oil leases must be made by the board of university and school lands at such annual minimum payments as are determined by the board, but the royalty shall be not less than twelve and one-half percent of the gross output of oil from the lands leased. Oil leases made by the board may authorize a royalty of less than twelve and one-half percent for production from stripper well properties or individual stripper wells and qualifying secondary recovery and qualifying tertiary recovery projects as defined in section 57-51.1-01. Leases for gas, coal, cement materials, sodium sulfate, sand and gravel, road material, building stone, chemical substances, metallic ores, or colloidal or other clays must be made by the board in such annual payments as are determined by the board. The board may adopt rules regarding annual payments and royalties under this section.

SECTION 2. AMENDMENT. Subsection 4 of section 38-08-04 of the North Dakota Century Code is amended and reenacted as follows:

4. To classify wells as oil or gas wells for purposes material to the interpretation or enforcement of this chapter, to classify and determine the status and depth of wells that are stripper well property or individual stripper wells as defined in ~~subsection 8 of~~ section 57-51.1-01, to certify to the tax commissioner which wells are stripper wells and the depth of those wells, and to certify to the tax commissioner which wells involve secondary or tertiary recovery operations under section 57-51.1-01, and the date of qualification for the reduced rate of oil extraction tax for secondary and tertiary recovery operations."
