- 1 b. "Budget year" means the taxing district's year for which the levy is being
2 determined under this section;
- 3 c. "Calculated mill rate" means the mill rate that results from dividing the base year
4 taxes levied by the sum of the taxable value of the taxable property in the base

- 13 3. A taxing district may elect to levy the amount levied in dollars in the base year. Any
14 levy under this section must be specifically approved by a resolution approved by the
15 governing body of the taxing district. Before determining the levy limitation under this
16 section, the dollar amount levied in the base year must be:
- 17 a. Reduced by an amount equal to the sum determined by application of the base
18 year's calculated mill rate for that taxing district to the final base year taxable
19 valuation of any taxable property and property exempt by local discretion or
20 charitable status which is not included in the taxing district for the budget year but
21 was included in the taxing district for the base year.
- 22 b. Increased by an amount equal to the sum determined by the application of the
23 base year's calculated mill rate for that taxing district to the final budget year

28 electors of the taxing district. For purposes of this subdivision, an expired
29 temporary mill levy increase does not include a school district general fund mill
30 rate exceeding one hundred ten mills which has expired or has not received
31 approval of electors for an extension under subsection 2 of section 57-64-03.

- 1 d. ~~Increased, for a school district determining its levy limitation under this section,~~
2 ~~by the amount the school district's mill levy reduction grant under section~~

4 ~~reduction grant under section 57-64-02 for the budget year.~~
- 5 e. ~~Reduced for a school district determining its levy limitation under this section, by~~
6 ~~the amount the school district's mill levy reduction grant under section 57-64-02~~

8 ~~grant under section 57-64-02 for the base year.~~
- 9 d. If the base year is a taxable year before 2013, reduced by the amount of state aid
10 under chapter 15.1-27, which is determined by multiplying the budget year
11 taxable valuation of the school district by the lesser of:
- 12 (1) The base year mill rate of the school district minus fifty mills; or
13 (2) Sixty mills.
- 14 4. In addition to any other levy limitation factor under this section, a taxing district may
15 increase its levy in dollars to reflect new or increased mill levies authorized by the
16 legislative assembly or authorized by the electors of the taxing district.
- 17 5. Under this section a taxing district may supersede any applicable mill levy limitations
18 otherwise provided by law, or a taxing district may levy up to the mill levy limitations
19 otherwise provided by law without reference to this section, but the provisions of this
20 section do not apply to the following:
- 21 a. Any irrevocable tax to pay bonded indebtedness levied pursuant to section 16 of
22 article X of the Constitution of North Dakota.
- 23 b. The one-mill levy for the state medical center authorized by section 10 of article X
24 of the Constitution of North Dakota.
- 25 6. A school district choosing to determine its levy authority under this section may apply
26 subsection 3 only to the amount in dollars levied for general fund purposes under
27 section 57-15-14 or, if the levy in the base year included separate general fund and
28 special fund levies under sections 57-15-14 and 57-15-14.2, the school district may
29 apply subsection 3 to the total amount levied in dollars in the base year for both the
30 general fund and special fund accounts. School district levies under any section other

1 than section 57-15-14 may be made within applicable limitations but those levies are
2 not subject to subsection 3.

3 7. Optional levies under this section may be used by any city or county that has adopted
4 a home rule charter unless the provisions of the charter supersede state laws related
5 to property tax levy limitations.

15 a school district may not impose greater levies than those permitted under section
16 57-15-14.2.

17 a. In any school district having a total population in excess of four thousand

12 precondition of receiving state aid in accordance with chapter 15.1-27.
- 13 (2) The authority for a levy of up to a specific number of mills, approved by
14 electors of a school district for any period of time that does not include a
15 taxable year before 2009, must be reduced by fifty mills as a precondition of
16 receiving state aid in accordance with chapter 15.1-27.
- 17 (3) The authority for a levy of up to a specific number of mills, placed on the
18 ballot in a school district election for electoral approval of increased levy

21 statement that the statutory school district general fund levy limitation is
22 sixty mills on the dollar of the taxable valuation of the school district.
- 23 5. f. The authority for an unlimited levy approved by electors of a school district before
24 July 1, 2009, is terminated effective for taxable years after 2015. If the electors of
25 a school district subject to this subsection have not approved a levy of up to a
26 specific number of mills under this section by December 31, 2015, the school
27 district levy limitation for subsequent years is subject to the limitations under
28 section 57-15-01.1 or this section.
- 29 2. a. The question of authorizing or discontinuing such specific number of mills
30 authority in any school district must be submitted to the qualified electors at the
31 next regular election upon resolution of the school board or upon the filing with

1 the school board of a petition containing the signatures of qualified electors of the
