of North Dakota

ENGROSSED SENATE BILL NO. 2352

Introduced by

Senators Krebsbach, Lyson, O'Connell

Representatives Klein, Onstad, Sukut

1 A BILL for an Act to authorize the conveyance of real property owned by the state of North  
2 Dakota.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. TRANSFER OF LAND AUTHORIZED.**

5 1. The state of North Dakota may sell, trade, or otherwise convey certain real property  
6 used for the purposes of the north central research extension center and the Williston  
7 research extension center in Ward County and Williams County if determined  
8 appropriate by the state board of agricultural research and education and the vice  
9 president for agricultural affairs at North Dakota state university and approved by the  
10 budget section of the legislative management. If any of the real property authorized to  
11 be conveyed under this Act is conveyed, the terms of the conveyance must be  
12 determined jointly by the state board of agricultural research and education, the vice  
13 president of agricultural affairs at North Dakota state university, and the director of the  
14 research extension center that is the subject of the conveyance. However, no  
15 conveyance may be completed unless the terms of the conveyance or other provisions  
16 allow for an appropriate relocation of the research extension centers and the  
17 replacement of the structures and personal property of the centers in a manner that is  
18 substantially equivalent to the research center property conveyed. Any funds received  
19 as a result of a conveyance under this Act which exceed the amount necessary to  
20 relocate an extension center must be deposited in a special fund that may be used by  
21 the state board of agricultural research and education solely for agricultural research  
22 purposes at the research extension center that is the subject of the conveyance.  
23 Sections 54-01-05.2 and 54-01-05.5 do not apply to a conveyance authorized by this  
24 Act.
