PROPOSED AMENDMENTS TO ENGROSSED SENATE  
CONCURRENT RESOLUTION NO. 4030

That the House recede from its amendments as printed on pages 1013-1015 of the Senate Journal and pages 1117 and 1118 of the House Journal and that Engrossed Senate Concurrent Resolution No. 4030 be amended as follows:

Page 1, line 1, after "A concurrent resolution" replace the remainder of the resolution with "to provide for a legislative management study of applying property tax rates against true and full value of property.

**WHEREAS**, property taxpayers continue to express frustration with the complexity of the property tax system's three levels of valuation for property and how mill rates are applied to determine the tax bill for a parcel of property; and

**WHEREAS**, it appears feasible and desirable to use true and full valuation of property and a percent of that value as a tax rate, to provide a more comprehensible method of determination of the tax bill for a parcel of property; and

**WHEREAS**, determining the statutory changes necessary to implement such a change will involve detailed consideration and adjustment of a very large volume of statutory provisions, which is feasible only in an interim study setting;

**NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF NORTH DAKOTA, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN:**

That the Legislative Management study applying property tax rates against true and full value of property; and

**BE IT FURTHER RESOLVED**, that the Legislative Management report its findings and recommendations, together with any legislation required to implement the recommendations, to the Sixty-fourth Legislative Assembly."

Renumber accordingly
