"**SECTION 4.** A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Advancement of academics - Matching grants - University of North Dakota and North Dakota state university.

1. a. During the period beginning July 1, 2013, and ending December 31, 2014, the state board of higher education shall award one dollar in matching grants for every two dollars raised by the institutional foundations of the university of North Dakota and North Dakota state university for projects dedicated exclusively to the advancement of academics.
 - b. To be eligible for a matching grant, an institution must demonstrate that:
 - (1) Its foundation has raised at least fifty thousand dollars in cash or monetary pledges for a qualifying project; and
 - (2) The project has been approved by the grant review committee established in section 7 of this Act.
 - c. The board may award up to ten million dollars in matching grants to each institution.
2. a. If any available dollars have not been awarded by the board before January 1, 2015, in accordance with subsection 1, either the university of North Dakota or North Dakota state university may apply for an additional matching grant.
 - b. An application submitted under this subsection must meet the same criteria as an original application.
 - c. The board shall consider each application submitted under this subsection in chronological order.
 - d. If the remaining dollars are insufficient to provide a matching grant in the amount of one dollar for every two dollars raised by the institutional foundation, the board shall award a lesser amount.

SECTION 5. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Advancement of academics - Matching grants - Two-year and four-year institutions of higher education.

1. a. During the period beginning July 1, 2013, and ending December 31, 2014, the state board of higher education shall award one dollar in matching grants for every two dollars raised by the institutional foundations of Bismarck state college, Dakota college at Bottineau, Dickinson state university, Lake Region state college, Mayville state university, Minot state university, North Dakota state college of science, Valley City state university, and Williston state college for projects dedicated exclusively to the advancement of academics.
- b. To be eligible for a matching grant, an institution must demonstrate that:
 - (1) Its foundation has raised at least twenty-five thousand dollars in cash or monetary pledges for a qualifying project; and

3. The grant review committee shall establish its rules of operation and procedure and shall develop and publish the criteria upon which all requests for matching grants will be reviewed.
4. A request for a matching grant must be presented to the committee by the president of the institution. The president may be accompanied by other individuals having an expertise with respect to the project.

SECTION 8. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Grant review committee - Compensation.

Each member of the grant review committee is entitled to receive compensation in the amount of one hundred thirty-five dollars per day plus reimbursement for expenses as provided by law for state officers if the member is attending meetings or performing duties directed by the committee. The compensation provided for in this section may not be paid to any member of the committee who receives a salary or other compensation as an employee or official of this state if the individual is serving on the committee by virtue of the individual's state office or state employment.

SECTION 9. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Definition.

For purposes of this Act, projects dedicated to the advancement of enhanced academics include investments in research, scholarships, technology, endowed chairs, and investments in educational infrastructure, including new capital construction projects that conform with the university system campus master plan and space utilization study.

SECTION 10. AMENDMENT. Section 15-52-01 of the North Dakota Century Code is amended and reenacted as follows:

15-52-01. School of medicine and health sciences.

The primary purpose of the university of North Dakota school of medicine and health sciences is to educate physicians and other health professionals for subsequent service in North Dakota and to enhance the quality of life in North Dakota of its people. Other purposes include the discovery of knowledge that benefits the people of this state and enhances the quality of their lives.

SECTION 11. AMENDMENT. Section 15-52-03 of the North Dakota Century Code is amended and reenacted as follows:

15-52-03. School of medicine and health sciences advisory council - Members, terms, meetings.

1. To assure the proper coordination of the university of North Dakota school of medicine and health sciences with all other health activities of the state, a permanent school of medicine and health sciences advisory council is established to perform the duties in section 15-52-04.
2. The council consists of fifteen members:

- a. (1) Two members of the senate, one of whom must be from the majority party and one of whom must be from the minority party, selected by the chairman of the legislative management; and
 - (2) Two members of the house of representatives, one of whom must be from the majority party and one of whom must be from the minority party, to be selected by the chairman of the legislative management;
 - b. One member selected by each of the following:
 - (1) The department of human services;
 - (2) The state board of higher education;
 - (3) The state department of health;
 - (4) The North Dakota medical association;
 - (5) The North Dakota hospital association;
 - (6) The veterans administration hospital in Fargo; and
 - (7) The university of North Dakota center for rural health; and
 - c. Four members selected by the dean of the university of North Dakota school of medicine and health sciences, one from each of the four campuses of the school of medicine and health sciences with headquarters in Bismarck, Fargo, Grand Forks, and Minot.
3. The representatives named by the state agencies and boards must be selected to serve as members of the advisory council for periods of at least one year, but may not serve longer than their term of office on the public agency. The representatives from the North Dakota ~~state~~-medical association and the North Dakota hospital association shall serve a term of three years or until their successors are named and qualified.
 4. The council shall name its own chairman and the dean of the university of North Dakota school of medicine and health sciences shall serve as executive secretary of the council. The executive secretary does not have voting privileges. The council shall meet not less than twice each year, and, from time to time, on its own motion or upon request of the university administration.

SECTION 12. AMENDMENT. Section 15-52-04 of the North Dakota Century Code is amended and reenacted as follows:

15-52-04. Duties of council.

1. The advisory council, in consultation with the school of medicine and health sciences and the other agencies, associations, and institutions represented on the advisory council, shall study and make recommendations regarding the strategic plan, programs, and facilities of the school of medicine and health sciences in support of its purpose as defined in section 15-52-01.
2. Biennially, the advisory council shall submit a report, together with its recommendations, to the agencies, associations, and institutions

represented on the advisory council, to the university of North Dakota, and to the legislative council.

3. a. The report must describe the advisory council's recommendations regarding the strategic plan, programs, and facilities of the school of medicine and health sciences as developed under subsection 1. The recommendations for implementing strategies through the school of medicine and health sciences or other agencies and institutions must:
 - (1) Address the health care needs of the people of the state; and
 - (2) Provide information regarding the state's health care workforce needs; and
 - (3) Provide information that specifies the contributions that the university of North Dakota school of medicine and health sciences and the residency training programs in the state are making to meet the health care provider workforce needs of the state. Such information must include data regarding:
 - (a) The effectiveness of activities conducted throughout the state relating to the recruitment and progression of students into medical school and into the health care provider workforce;
 - (b) Class characteristics of the medical school matriculants, specifically to include a description of their geographic background;
 - (c) Residency choices of medical school graduates;
 - (d) Practice location choices of graduates of North Dakota residencies; and
 - (e) Any other relevant information that the university of North Dakota school of medicine and health sciences advisory council determines to be important and useful in assessing the degree of success of the university of North Dakota school of medicine and health sciences in meeting the health care workforce needs of the state as specified in section 15-52-01.
- b. The recommendations required under subdivision a may address:
 - (1) Medical education and training;
 - (2) The recruitment and retention of physicians and other health care professionals;
 - (3) Factors influencing the practice environment for physicians and other health care professionals;
 - (4) Access to health care;
 - (5) Patient safety;
 - (6) The quality of health care and the efficiency of its delivery; and
 - (7) Financial challenges in the delivery of health care.

4. The council may consult with any individual or entity in performing its duties under this section.

SECTION 13. AMENDMENT. Section 15-52-05 of the North Dakota Century Code is amended and reenacted as follows:

15-52-05. Facilities.

The university authorities shall make the facilities of the university of North Dakota school of medicine and health sciences available to all agencies of the state, federal, and local governments engaged in health and welfare activities to the fullest extent possible within the limits of a complete and coordinated program for the use thereof on terms commensurate with the cost of services rendered and facilities furnished. The work of the school of medicine and health sciences must be coordinated with the work of the other departments of the university of North Dakota. Means must be provided whereby regularly enrolled students in other schools or departments of the university of North Dakota may, upon approval of the dean of such other school or department, enroll in elective courses in the medical school and receive credit therefor in the school or department in which they are regularly enrolled, subject to such policy and procedures as may be established by the university of North Dakota and the state board of higher education. Medical students may enroll in other departments and schools. Such action must be taken as may serve to make both the school of medicine and health sciences and the other departments and schools of the university of North Dakota more efficient and responsive to needs of the people through the mutual interchange of facilities, and service, wherever possible.

SECTION 14. AMENDMENT. Section 15-52-09 of the North Dakota Century Code is amended and reenacted as follows:

15-52-09. Expenditure of proceeds of one-mill levy authorized - Limitation.

The proceeds of the one-mill tax levy established by section 10 of article X of the Constitution of North Dakota, together with any other funds that may be received by the state treasurer, from time to time, for the benefit of the ~~North Dakota state medical center~~university of North Dakota school of medicine and health sciences, must be expended to establish, develop, and maintain the university of North Dakota school of medicine and health sciences, as provided in this chapter, by the issuance of state warrants drawn on such funds by the director of the office of management and budget.

SECTION 15. AMENDMENT. Section 15-52-31 of the North Dakota Century Code is amended and reenacted as follows:

15-52-31. Admission of students - Qualifications.

The faculty of the school of medicine and health sciences at the university of North Dakota may, with the advice of the school of medicine and health sciences advisory council and with the approval of the state board of higher education and in accordance with applicable accreditation requirements as specified by the liaison committee on medical education, adopt such rules and regulations governing the education and residency qualifications of applicants for admission to the school of medicine and health sciences as it deems necessary and proper to carry out its purpose as provided in section 15-52-01."

"SECTION 21. CAPITAL PROJECTS FUNDING POOL - TRANSFER

AUTHORITY - BUDGET SECTION APPROVAL. The capital projects funding pool line item contained in subdivision 1 of section 1 of this Act includes funding of \$160,000,000 from the general fund and \$16,000,000 of other funds which must be used for capital projects located at institutions under the control of the state board of higher education. The state board of higher education shall review capital projects and prioritize the projects based on the university system master plan and space utilization study as provided in section 22 of this Act. The board shall recommend projects and associated funding to the budget section for final approval. Upon budget section approval, the state board of higher education shall transfer appropriation authority from the capital projects funding pool to institutions for approved capital projects. A ten percent match from local or private funds must be provided by the institution for any approved project that provides for the construction of a new building or provides for a renovation to an existing building that exceeds a total cost of \$10,000,000. Projects eligible to receive funding from the capital projects funding pool include:

1. Bismarck state college communications and creative arts center.
2. Lake Region state college Erlandson technical center remodel and addition project.
3. Williston state college campus drive project.
4. Williston state college Stevens hall renovation.
5. University of North Dakota law school building renovation.
6. University of North Dakota school of medicine and health sciences facility project.
7. North Dakota state university science, technology, engineering, and mathematics classroom and laboratory building.
8. State college of science old main building renovation project.
9. Mayville state university campuswide drainage improvements.
10. Mayville state university old gymnasium building replacement and improvements.
11. Minot state university plant services building.
12. Valley City state university hillside slope stabilization project.
13. Valley City state university Vangstad hall renovation.
14. Dakota college at Bottineau campus safety and emergency preparedness improvements.

SECTION 22. MASTER PLAN AND SPACE UTILIZATION STUDY - CAMPUS

BUILDING PROJECTS - PROJECT MANAGEMENT. The master plan and space utilization study line item contained in subdivision 1 of section 1 of this Act includes funding that must be used by the state board of higher education to conduct a systemwide master plan and space utilization study. The board may use up to \$150,000 of the funds to contract with an outside entity for a final design review of the

university of North Dakota school of medicine and health sciences facility project and the North Dakota state university science, technology, engineering, and mathematics classroom building project. Beginning with the effective date of this Act, the state board of higher education may not authorize a capital project, excluding athletic facility projects to be paid from private or local funds, to begin at an institution until a master plan and space utilization study has been conducted of the campus and the board determines the building project conforms with the master plan and space utilization study. However, construction may begin on the university of North Dakota school of medicine and health sciences facility project and the North Dakota state university science, technology, engineering, and mathematics classroom building project prior to the completion of a master plan and space utilization study of the respective campus. Each capital project authorized by the state board of higher education must have adequate project management oversight by either an institution official or a representative of an external entity as determined by the commissioner of higher education. Any project management costs must be paid from funds authorized for the project.

SECTION 23. BISMARCK STATE COLLEGE COMMUNICATIONS AND CREATIVE ARTS CENTER. The capital assets line item in subdivision 2 of section 1 of this Act includes the sum of \$6,000,000 from special funds derived from donations and other income for the Bismarck state college communications and creative arts center project. The \$6,000,000 special funds appropriation for the project may be used to construct a theater as part of the communications and creative arts center project. The operations line item in subdivision 2 of section 1 of this Act includes the sum of \$600,000 from special funds derived from donations and other income which may be used to develop programming at the communications and creative arts center that includes written and spoken communications, visual and performing arts, social sciences, history, law, economics, philosophy, and current events. Funding may be used for items including curriculum development, student activities, faculty enhancement, public programming, and the development and publication of appropriate media to promote these activities. The other funds authority provided for the communications and creative arts center project may be used only if the state board of higher education allocates funding from the capital projects funding pool for the communications and creative arts center as provided for in this Act.

SECTION 24. UNIVERSITY OF NORTH DAKOTA SCHOOL OF MEDICINE AND HEALTH SCIENCES BISMARCK FAMILY PRACTICE CENTER SKYWALK PROJECT. The capital assets line item in subdivision 5 of section 1 of this Act includes the sum of \$750,000 from the general fund for the university of North Dakota school of medicine and health sciences Bismarck family practice center skywalk project. The university of North Dakota shall provide \$1 of nonstate funding for the project for every \$1 of funding used from the general fund appropriation."

Page 13, line 2, replace "\$5,000,000" with "\$2,000,000"

Page 13, line 20, replace "the sum of \$158,904,848" with "funding"

Page 14, after line 27, insert:

"SECTION 33. LEGISLATIVE MANAGEMENT REPORT - POSTSECONDARY ACADEMIC MATCHING GRANTS. Before October 1, 2014, the state board of higher education shall provide a report to the legislative management regarding the number of matching grants that were sought, the number that were awarded, and the manner in which the grants were used as provided in sections 4 through 9 of this Act.

SECTION 34. EXPIRATION DATE. Sections 4 through 9 of this Act are effective through June 30, 2015, and after that date are ineffective."

Page 14, line 28, replace "Sections 3 and 18" with "Sections 19, 21, 22, 24, 25, and 32"

Page 14, line 28, after "Act" insert "; \$2,000,000 from the general fund contained in the operations line item in subdivision 10 of section 1 of this Act for flood recovery funding;"

Page 14, line 28, after "assets" insert ", capital projects funding pool, master plan and space utilization study,"

Renumber accordingly

¹ Funding for system governance added by the Senate is increased by \$700,000 to provide total increased funding of \$2 million. The specific use of the funds is to be determined by the State Board of Higher Education.

² Funding added by the Senate for a contract settlement payment to terminate the contract of the Commissioner of Higher Education is removed.

³ Funding of \$5 million from the general fund is added for a systemwide performance funding pool. Section 8 of the bill is amended to provide guidelines for the use of funds from the pool.

⁴ Funding of \$2.5 million is added for a campus security and emergency preparedness funding pool. The funds are to be distributed to campuses prior to January 1, 2014.

⁵ Funding of \$1 million removed by the Senate for a systemwide campus master plan and space utilization study is restored. A section is added to provide guidelines regarding the study, including a provision that allows \$150,000 of the funding to be used for the final design review of the University of North Dakota School of Medicine and Health Sciences facility and the North Dakota State University STEM classroom building projects. The new section also requires the study to be completed prior to the start of new capital projects.

⁶ Funding for employee compensation is reduced for the University System office and Forest Service to provide for salary increases of 3 percent annually rather than 4 percent annually and to remove funding for increased retirement contributions.

⁷ Internal audit and legal positions and related funding at North Dakota State University and the University of North Dakota are transferred to the University System office.

⁸ Funding included in the Senate version and the executive budget for campus equalization payments based on a proposed higher education funding method is removed.

⁹ Funding is added for campus equity funding payments based on adjustments to the higher education funding formula included in the executive budget recommendation. Funding is reduced for institutions that have 2011-13 biennium base funding above the adjusted per credit-hour payment level.

¹⁰ Funding included in the Senate version and the executive budget for campus inflation and initiative formula payments based on a proposed higher education funding formula is removed.

¹¹ Funding for inflation payments to institutions is added based on a 2 percent inflation adjustment made to institutions' base budgets with equity enhancements.

¹² Funding from the general fund is adjusted for the following campus items:

- One-time funding of \$1 million is added for Williston State College to address extraordinary campus needs resulting from energy development.
- Funding of \$200,000 added by the Senate for the operations of the Dickinson State University Henry Biesiot Activities Center is removed.
- Flood recovery funding added by the Senate for Minot State University is reduced from \$5 million to \$2 million.

¹³ Funding is removed for the following campus capital projects that include funding from the general fund:

Project	General Fund
University of North Dakota law school project	\$12,000,000
North Dakota State University STEM classroom	29,600,000

Mayville State University campus drainage improvements	2,267,000
Minot State University plant services building	1,821,905
Valley City State University hillside slope stabilization	505,800
Valley City State University Vangstad Hall project	3,636,466
Valley City State University former president's house	250,000
Dakota College at Bottineau campus generator	395,600
Dakota College at Bottineau Thatcher Hall project and software updates	840,000
Total	\$167,218,263

¹⁴ Funding from the general fund (\$160 million) and other funds (\$16 million) is added to the University System office for a funding pool for campus capital projects. A section is added to provide guidelines for the use of funds from the pool.

¹⁵ Funding is added for the following capital projects:

- Bismarck State College Communications and Creative Arts Center - Special funds authority of \$6.6 million is added to allow the project to include construction of a theater (\$6 million) and for center programming (\$600,000) if private donations are received for the project. A section is also added regarding the use of private funding designated for the center.
- University of North Dakota School of Medicine and Health Sciences Bismarck Family Practice Center skywalk project - A general fund appropriation of \$750,000 is added to construct a skywalk attached to the center. A section is added to provide that the funds may only be spent on a dollar-for-dollar basis for private funds received for the project.

Senate Bill No. 2003 - Other Changes - House Action

This amendment also:

- Adjusts Section 9 of the bill to provide for system information technology services staff offices of new employees to be consolidated in the joint information technology building. The section also provides for reports regarding the status of consolidation of University System information technology services.
- Removes Section 10 of the bill which authorized the University of North Dakota to enter a financing and purchase agreement to purchase the research enterprise and commercialization building located on its campus.

- Adds sections to implement statutory provisions regarding the higher education challenge fund matching grant program. A section is also added to provide for a Legislative Management report regarding the program.
- Adds sections to provide statutory changes regarding the mission and reporting requirements of the University of North Dakota School of Medicine and Health Sciences.
