- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

Engrossed HB 1147 expands the homestead tax credit program by increasing the maximum income limit from \$42,000 to \$52,000 and by including veterans age 60 and older who meet the income and asset limitations.

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

The current homestead tax credit program provides a state-paid credit against property taxes for persons age 65 and older, or persons who are permanently and totally disabled, with annual income less than \$42,000, and assets that do not exceed \$500,000. The credit applies to up to \$100,000 of taxable value, with a maximum reduction of 100% for those with annual income less than \$22,000. This bill would increase the maximum income level from \$42,000 to \$52,000 and expand the income brackets. This bill, as amended, would also extend eligibility to veterans age 60 and older, provided they meet the income and asset criteria.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*

The appropriation of \$27.8 million required to fund the homestead tax credit program, as proposed in this engrossed bill, is an increase of \$5.8 million over the estimated cost to continue the program with no change. The executive recommendation includes \$30 million for the homestead tax credit program in the recommended budget for the Tax Department (SB2006).
