SECTION 6. AMENDMENT. Section 39-08-01 of the North Dakota Century Code is amended and reenacted as follows:

39-08-01. Persons under the influence of intoxicating liquor or any other drugs or substances not to operate vehicle - Penalty.

1. A person may not drive or be in actual physical control of any vehicle upon a highway or upon public or private areas to which the public has a right of access for vehicular use in this state if any of the following apply:
 - a. That person has an alcohol concentration of at least eight one-hundredths of one percent by weight at the time of the performance of a chemical test within two hours after the driving or being in actual physical control of a vehicle.
 - b. That person is under the influence of intoxicating liquor.
 - c. That person is under the influence of any drug or substance or combination of drugs or substances to a degree which renders that person incapable of safely driving.
 - d. That person is under the combined influence of alcohol and any other drugs or substances to a degree which renders that person incapable of safely driving.
 - e. That individual refuses to submit to any of the following:
 - (1) A chemical test, or tests, of the individual's blood, breath, or urine to determine the alcohol concentration or presence of other drugs, or combination thereof, in the individual's blood, breath, or urine, at the direction of a law enforcement officer under section 39-06.2-10.2 if the individual is driving or is in actual physical control of a commercial motor vehicle; or
 - (2) A chemical test, or tests, of the individual's blood, breath, or urine to determine the alcohol concentration or presence of other drugs, or combination thereof, in the individual's blood, breath, or urine, at the direction of a law enforcement officer under section 39-20-01; or
 - (3) An onsite screening test, or tests, of the individual's breath for the purpose of estimating the alcohol concentration in the individual's breath upon the request of a law enforcement officer under section 39-20-14.

The fact that any person charged with violating this section is or has been legally entitled to use alcohol or other drugs or substances is not a defense against any charge for violating this section, unless a drug which predominately caused impairment was used only as directed or cautioned by a practitioner who legally prescribed or dispensed the drug to that person. If the individual violated subdivisions a, b, c, or d of this subsection and subdivision e of this subsection and the violations arose from the same incident, for purposes of suspension or revocation of an operator's license, the violations are deemed a single violation and the court shall forward to the department of transportation only the conviction for driving under the influence or actual physical control.

2.
 - a. An individual who operates a motor vehicle on a highway or on public or private areas to which the public has a right of access for vehicular use in this state who refuses to submit to a chemical test, or tests, required under section 39-06.2-10.2, 39-20-01, or 39-20-14, is guilty of an offense under this section.
 - b. An individual is not subject to an offense under this section for refusal to submit to an onsite screening test under section 39-20-14 if the person submits to a chemical test

under section 39-20-01 or 39-06.2-10.2 for the same incident. Upon the individual's refusal to submit to an onsite screening test, the police officer shall inform the individual that the individual may remedy the refusal if the individual takes a chemical test under section 39-20-01 or 39-06.2-10.2 for the same incident.

3. An individual violating this section or equivalent ordinance is guilty of a class B misdemeanor for the first or second offense in a seven-year period, of a class A misdemeanor for a third offense in a seven-year period, and of a class C felony for any fourth or subsequent offense ~~regardless of the length of time since the previous offense~~within a fifteen-year period. The minimum penalty for violating this section is as provided in subsection 5. The court shall take judicial notice of the fact that an offense would be a subsequent offense if indicated by the records of the director or may make a subsequent offense finding based on other evidence.
4. Upon conviction of a second or subsequent offense within seven years under this section or equivalent ordinance, the court may order the motor vehicle number plates of all of the motor vehicles owned and operated by the offender at the time of the offense to be destroyed by the office of the police officer that made the arrest. The offender shall deliver the number plates to the court without delay at a time certain as ordered by the court following the conviction. The court shall deliver the number plates to the office and notify the department of the order. An offender who does not provide the number plates to the court at the appropriate time is subject to revocation of probation. The court may make an exception to this subsection, on an individual basis, to avoid undue hardship to an individual who is completely dependent on the motor vehicle for the necessities of life, including a family member of the convicted individual and a coowner of the motor vehicle, or if the offender is participating in the twenty-four seven sobriety program.
5. A person convicted of violating this section, or an equivalent ordinance, must be sentenced in accordance with this subsection. ~~For purposes of this subsection, unless the context otherwise requires, "drug court program" means a district court supervised treatment program approved by the supreme court which combines judicial supervision with alcohol and drug testing and chemical addiction treatment in a licensed treatment program. The supreme court may adopt rules, including rules of procedure, for drug courts and the drug court program.~~
 - a. (1) For a first offense, the sentence must include both a fine of at least five hundred dollars and an order for addiction evaluation by an appropriate licensed addiction treatment program.
 - (2) In addition, for a first offense when the convicted person has an alcohol concentration of at least sixteen one-hundredths of one percent by weight, the offense is an aggravated first offense and the sentence must include a fine of at least seven hundred fifty dollars and at least two days' imprisonment.
 - b. For a second offense within seven years, the sentence must include at least ten days' imprisonment, of which forty-eight hours must be served consecutively; a fine of one thousand five hundred dollars; an order for addiction evaluation by an appropriate licensed addiction treatment program; and at least ~~twelve months'~~three hundred sixty days' participation in the twenty-four seven sobriety program under chapter 54-12 as a mandatory condition of probation.
 - c. For a third offense within seven years, the sentence must include at least one hundred twenty days' imprisonment; a fine of at least two thousand dollars; an order for addiction evaluation by an appropriate licensed addiction treatment program; at least ~~one year's~~three hundred sixty days' supervised probation; and at least three hundred sixty days' participation in the twenty-four seven sobriety program under chapter 54-12 as a mandatory condition of probation.

- d. For a fourth or subsequent offense within fifteen years, the sentence must include at least one year and one day's imprisonment; a fine of at least two thousand dollars; an order for addiction evaluation by an appropriate licensed treatment program; at least two years' supervised probation; and participation in the twenty-four seven sobriety program under chapter 54-12 as a mandatory condition of probation.
- e. The imposition of sentence under this section may not be deferred under subsection 4 of section 12.1-32-02 for an offense subject to this section.
- f. If the offense is subject to subdivision a or b, a municipal court or district court may not suspend a sentence, but may convert each day of a term of imprisonment to ten hours of community service for an offense subject to paragraph 2 of subdivision a. If the offense is subject to subdivision c, the district court may suspend a sentence, except for sixty days' imprisonment, under subsection 3 of section 12.1-32-02 on the condition that the defendant first undergo and complete an evaluation for alcohol and substance abuse treatment and rehabilitation and upon completion of the twenty-four seven sobriety program. If the offense is subject to subdivision d, the district court may suspend a sentence, except for one year's imprisonment, under subsection 3 of section 12.1-32-02 on the condition that the defendant first undergo and complete an evaluation for alcohol and substance abuse treatment and rehabilitation. If the defendant is found to be in need of alcohol and substance abuse treatment and rehabilitation, the district court may order the defendant placed under the supervision and management of the department of corrections and rehabilitation and is subject to the conditions of probation under section 12.1-32-07. The district court may require the defendant to complete alcohol and substance abuse treatment and rehabilitation under the direction of the drug court program as a condition of probation in accordance with rules adopted by the supreme court. If the district court finds that a defendant has failed to undergo an evaluation or complete treatment or has violated any condition of probation, the district court shall revoke the defendant's probation and shall sentence the defendant in accordance with this subsection.
- g. For purposes of this section, conviction of an offense under a law or ordinance of another state which is equivalent to this section must be considered a prior offense if such offense was committed within the time limitations specified in this section.
- h. If the penalty mandated by this section includes imprisonment or placement upon conviction of a violation of this section or equivalent ordinance, and if an addiction evaluation has indicated that the defendant needs treatment, the court may order the defendant to undergo treatment at an appropriate licensed addiction treatment program under subdivision g of subsection 1 of section 12.1-32-02 and the time spent by the defendant in the treatment must be credited as a portion of a sentence of imprisonment or placement under this section. A court may not order the department of corrections and rehabilitation to be responsible for the costs of treatment in a private treatment facility.
- i. If the court sentences an individual to the legal and physical custody of the department of corrections and rehabilitation, the department may place the individual in an alcohol treatment program designated by the department. Upon the individual's successful completion of the alcohol treatment program, the department shall release the individual from imprisonment to serve the remainder of the sentence of imprisonment on probation, which may include placement in another facility or treatment program. If an individual is placed in another facility or treatment program after release from imprisonment, the remainder of the individual's sentence of imprisonment must be considered time spent in custody.
- j. If the individual has participated in the twenty-four seven sobriety program as a condition of pretrial release or for the purpose of receiving a temporary restricted operator's license under section 39-06.1-11, the sentencing court may give credit for the time the individual

has already served on the twenty-four seven sobriety program when determining the amount of time the individual must serve on the twenty-four seven sobriety program for the purposes of probation, if that individual has not violated the twenty-four seven sobriety program before sentencing.

6. As used in subdivisions b and c of subsection 5, the term "imprisonment" includes house arrest. As a condition of house arrest, a defendant may not consume alcoholic beverages. The house arrest must include a program of electronic home detention and the defendant shall participate in the twenty-four seven sobriety program. The defendant shall defray all costs associated with the electronic home detention. For an offense under subdivision b or c of subsection 5, no more than ninety percent of the sentence may be house arrest.
7. As used in this title, participation in the twenty-four seven sobriety program under chapter 54-12 means compliance with sections 54-12-27 through 54-12-31, and requires sobriety breath testing twice per day seven days per week or electronic alcohol monitoring, urine testing, or drug patch testing. The offender is responsible for all twenty-four seven sobriety program fees and the court may not waive the fees. For purposes of this section, the twenty-four seven sobriety program is a condition of probation and a court may not order participation in the program as part of the sentence.

SECTION 7. A new section to chapter 39-08 of the North Dakota Century Code is created and enacted as follows:

Partial suspension of sentence for drug court completion.

1. Notwithstanding section 39-08-01, all but ten days of the minimum mandatory sentence required for a defendant charged with a third or subsequent violation of section 39-08-01 may be suspended on the condition the defendant successfully completes a drug court program approved by the supreme court.
2. For purposes of this section, unless the context otherwise requires, "drug court program" means a district court-supervised treatment program approved by the supreme court which combines judicial supervision with alcohol and drug testing and chemical addiction treatment in a licensed treatment program. The supreme court may adopt rules, including rules of procedure, for drug courts and the drug court program.

SECTION 8. AMENDMENT. Subsection 2 of section 39-16-03.1 of the North Dakota Century Code is amended and reenacted as follows:

2. After the period of suspension ceases, an entry concerning a suspension under subsection 4, 5, 6, or 73, 4, 5, or 6 of section 39-06-03 or subsection 2, 5, or 6 of section 39-06-32.

SECTION 9. AMENDMENT. Section 39-20-01 of the North Dakota Century Code is amended and reenacted as follows:

39-20-01. Implied consent to determine alcohol concentration and presence of drugs.

1. Any individual who operates a motor vehicle on a highway or on public or private areas to which the public has a right of access for vehicular use in this state is deemed to have given consent, and shall consent, subject to the provisions of this chapter, to a chemical test, or tests, of the blood, breath, or urine for the purpose of determining the alcohol concentration or presence of other drugs, or combination thereof, in the individual's blood, breath, or urine. As used in this chapter, the word "drug" means any drug or substance or combination of drugs or substances which renders an individual incapable of safely driving, and the words "chemical test" or "chemical analysis" mean any test to determine the alcohol concentration or presence of other drugs, or combination thereof, in the individual's blood, breath, or urine, approved by the director of the state crime laboratory or the director's designee under this chapter.

2. The test or tests must be administered at the direction of a law enforcement officer only after placing the individual, except individuals mentioned in section 39-20-03, under arrest and informing that individual that the individual is or will be charged with the offense of driving or being in actual physical control of a vehicle upon the public highways while under the influence of intoxicating liquor, drugs, or a combination thereof. For the purposes of this chapter, the taking into custody of a child under section 27-20-13 or an individual under twenty-one years of age satisfies the requirement of an arrest. The law enforcement officer shall determine which of the tests is to be used.
3.
 - a. The law enforcement officer shall inform the individual charged that North Dakota law requires the individual to take the test to determine whether the individual is under the influence of alcohol or drugs; that refusal to take the test directed by the law enforcement officer is a crime punishable in the same manner as driving under the influence; and that refusal of the individual to submit to the test directed by the law enforcement officer may result in a revocation for a minimum of one hundred eighty days and up to three years of the individual's driving privileges. ~~The law enforcement officer shall determine which of the tests is to be used.~~
 - b. A test administered under this section is not admissible in any criminal or administrative proceeding to determine a violation of section 39-08-01 or this chapter if the law enforcement officer fails to inform the individual charged as required under subdivision a.
4. When an individual under the age of eighteen years is taken into custody for violating section 39-08-01 or an equivalent ordinance, the law enforcement officer shall attempt to contact the individual's parent or legal guardian to explain the cause for the custody. Neither the law enforcement officer's efforts to contact, nor any consultation with, a parent or legal guardian may be permitted to interfere with the administration of chemical testing requirements under this chapter. The law enforcement officer shall mail a notice to the parent or legal guardian of the minor within ten days after the test results are received or within ten days after the minor is taken into custody if the minor refuses to submit to testing. The notice must contain a statement of the test performed and the results of that test; or if the minor refuses to submit to the testing, a statement notifying of that fact. The attempt to contact or the contacting or notification of a parent or legal guardian is not a precondition to the admissibility of chemical test results or the finding of a consent to, or refusal of, chemical testing by the individual in custody.

SECTION 10. AMENDMENT. Subsection 2 of section 39-20-04 of the North Dakota Century Code is amended and reenacted as follows:

2. A person's driving privileges are not subject to revocation ~~under subdivision a of subsection 4~~ if all of the following criteria are met:
 - a. An administrative hearing is not held under section 39-20-05;
 - b. The person mails an affidavit to the director within twenty-five days after the temporary operator's permit is issued. The affidavit must state that the person:
 - (1) Intends to voluntarily plead guilty to violating section 39-08-01 or equivalent ordinance within twenty-five days after the temporary operator's permit is issued;
 - (2) Agrees that the person's driving privileges must be suspended as provided under section 39-06.1-10;
 - (3) Acknowledges the right to a section 39-20-05 administrative hearing and section 39-20-06 judicial review and voluntarily and knowingly waives these rights; and
 - (4) Agrees that the person's driving privileges must be revoked as provided under this section without an administrative hearing or judicial review, if the person does not

plead guilty within twenty-five days after the temporary operator's permit is issued, or the court does not accept the guilty plea, or the guilty plea is withdrawn;

- c. The person pleads guilty to violating section 39-08-01 or equivalent ordinance within twenty-five days after the temporary operator's permit is issued;
- d. The court accepts the person's guilty plea and a notice of that fact is mailed to the director within twenty-five days after the temporary operator's permit is issued; and
- e. A copy of the final order or judgment of conviction evidencing the acceptance of the person's guilty plea is received by the director prior to the return or reinstatement of the person's driving privileges.

SECTION 11. AMENDMENT. Subsections 2 and 3 of section 39-20-05 of the North Dakota Century Code are amended and reenacted as follows:

- 2. If the issue to be determined by the hearing concerns license suspension for operating a motor vehicle while having an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to an individual under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, the hearing must be before a hearing officer assigned by the director and at a time and place designated by the director. The hearing must be recorded and its scope may cover only the issues of whether the arresting officer had reasonable grounds to believe the individual had been driving or was in actual physical control of a vehicle in violation of section 39-08-01 or equivalent ordinance or, with respect to an individual under twenty-one years of age, the individual had been driving or was in actual physical control of a vehicle while having an alcohol concentration of at least two one-hundredths of one percent by weight; whether the individual was placed under arrest, unless the individual was under twenty-one years of age and the alcohol concentration was less than eight one-hundredths of one percent by weight, then arrest is not required and is not an issue under any provision of this chapter; whether the individual was tested in accordance with section 39-20-01 or 39-20-03 and, if applicable, section 39-20-02; and whether the test results show the individual had an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to an individual under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight. For purposes of this section, a copy of a certified copy of an analytical report of a blood or urine sample from the director of the state crime laboratory or the director's designee, or electronically posted by the director of the state crime laboratory or the director's designee on the crime laboratory information management system and certified by a law enforcement officer or individual who has authorized access to the crime laboratory management system through the criminal justice data information sharing system or a certified copy of the checklist and test records from a certified breath test operator, and a copy of a certified copy of a certificate of the director of the state crime laboratory designating the director's designees, establish prima facie the alcohol concentration or the presence of drugs, or a combination thereof, shown therein. ~~Whether the individual was informed that the privilege to drive might be suspended based on the results of the test is not an issue.~~
- 3. If the issue to be determined by the hearing concerns license revocation for refusing to submit to a test under section 39-20-01 or 39-20-14, the hearing must be before a hearing officer assigned by the director at a time and place designated by the director. The hearing must be recorded. The scope of a hearing for refusing to submit to a test under section 39-20-01 may cover only the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a vehicle in violation of section 39-08-01 or equivalent ordinance or, with respect to a person under twenty-one years of age, the person had been driving or was in actual physical control of a vehicle while having an alcohol concentration of at least two one-hundredths of one percent by weight; whether the person was placed under arrest; and whether that person refused to submit to the test or tests. The scope of a hearing for refusing to submit to a test under section 39-20-14 may

cover only the issues of whether the law enforcement officer had reason to believe the person committed a moving traffic violation or was involved in a traffic accident as a driver, whether in conjunction with the violation or the accident the officer has, through the officer's observations, formulated an opinion that the person's body contains alcohol and, whether the person refused to submit to the onsite screening test. ~~Whether the person was informed that the privilege to drive would be revoked or denied for refusal to submit to the test or tests is not an issue.~~

SECTION 12. AMENDMENT. Section 39-20-15 of the North Dakota Century Code is amended and reenacted as follows:

39-20-15. Restricted license upon twenty-four seven sobriety program participation.

Any driver suspended under this chapter may elect to participate in the twenty-four seven sobriety program under chapter 54-12. The director may issue a temporary restricted license that takes effect after ~~fifteen~~fourteen days of the suspension have been served provided that the driver is not subject to any unrelated suspension. Notwithstanding any other provision of law, an individual may not receive a temporary restricted operator's license until after fourteen days after the administrative hearing on the offense under this chapter has been waived or held, or after fourteen days of the final appeal, whichever is longer.

SECTION 13. A new section to chapter 54-12 of the North Dakota Century Code is created and enacted as follows:

Law enforcement acceptance of department of transportation action.

A law enforcement agency shall accept, the same as if ordered by the court, an individual as part of the twenty-four seven program if the individual provides documentation that the individual will be issued a temporary restricted license by the department of transportation which is conditioned on participation in the twenty-four seven program.

SECTION 14. RETROACTIVE APPLICATION.
