2 Code, relating to a political subdivision borrowing funds; and to amend and reenact sections
3 11-11-18, 21-02-01, and 21-03-02 of the North Dakota Century Code, relating to exemptions
4 from statutory provisions for bonds and the definition of revenues.

5 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

8 **11-11-18. Board to submit extraordinary outlay to vote.**

9 The board of county commissioners shall submit to the electors of the county at any regular
10 or special election any proposal for an extraordinary outlay of money by the county when the

12 the board considers the courthouse, jail, or other public buildings of the county inadequate for
13 the needs of the county or deems it necessary to build a county hospital, and if it is thought that
14 it is not for the best interests of the county to issue bonds to aid in the construction of such
15 buildings or that the construction of such buildings by any other procedure is not for the best
16 interests of the county, it shall submit to the electors of the county, at any regular or special
17 election, the proposal for the construction of a courthouse, jail, or other public building by
18 establishing a building fund to aid in the construction thereof. The requirements of this section
19 shall not apply to lease-purchase agreements authorized by section 24-05-04 or to bank or

7 **Definitions.**

8 As used in this chapter, unless the context or subject matter otherwise requires:

9 1. "Political subdivision" means a local government unit created by statute or by the
10 Constitution of North Dakota for local governmental or other public purposes.

11 2. "Revenue" means any of the following:

12 a. Amounts to be received from a distribution of federal moneys, including bureau of
13 Indian affairs contracts.

14 b. Amounts to be received from a distribution of state moneys pursuant to a state
15 appropriation or a state statutory or constitutional provision.

16 **Political subdivision authority to enter agreement for bank or credit union loans.**

17 A political subdivision may borrow against its anticipated revenue, from a bank or credit
18 union located in this state. A bank or credit union loan and terms must be authorized by
19 resolution of the governing body for the political subdivision. The resolution must identify the
20 revenue to be used to repay the loan and any collateral that will secure repayment of the loan.
21 The loan agreement must be signed on behalf of the political subdivision by the president,
22 chairman, or equivalent officer; auditor; business manager; and secretary or equivalent officer of
23 the political subdivision.

24 **Limit on amount of loans - Loan terms.**

25 Except as limited by this section, a bank or a credit union and political subdivision may
26 agree to terms and conditions of a bank or credit union loan, including the rate of interest and
27 any collateral.

28 1. A political subdivision may have no more than five hundred thousand dollars in
29 outstanding principal on bank or credit union loans at any time.

30 2. A political subdivision bank or credit union loan must be paid in full within five years
31 from the date of loan origination.

1 3. The loan documents must describe the revenues from which the loan is anticipated to
2 be paid and may require the political subdivision to establish a separate fund for the
3 repayment of the loan, including interest, on or before the due date.

4 4. Collateral for a loan may consist only of property that is purchased with loan proceeds.

5 **Delinquent loans.**

6 If designated revenues are not sufficient to pay a loan balance, in addition to the designated
7 revenues, the political subdivision may set aside up to ten percent of the amount of the
8 collections from current tax revenues to pay to the lending bank or credit union on a monthly
9 basis until the delinquent loans have been paid in full.
