7 **UNITED STATES GOVERNMENT AGENCIES.** During the 2015-16 interim, the legislative
8 management shall study the statutory and regulatory requirements placed on North Dakota
9 state government agencies by United States government agencies as a condition of the receipt
10 of federal funding to determine whether there are viable options to meet the needs of our state
11 without having the federal government's oversight and involvement, which state needs can be
12 met if federal funding associated with undesirable regulation or excessive direct and indirect
13 costs is refused, and whether the benefit of accepting certain federal funds outweighs the
