Page 1, line 9, remove "recyclers and"

Page 1, remove lines 10 through 13

Page 1, line 14 replace "special waste received by the recycler or recycling facility" with "recycling facility having a pending beneficial use application, for authorization of operation of the facility as a pilot project and to assist the department to develop standards for recycling of oilfield special waste. The pending beneficial use application of the pilot project facility must be supported by scientific findings from a third-party source focused on the anticipated environmental performance of the end products of the recycled oilfield special waste and the practical utility of those end products"

Page 1, after line 14, insert:

"2. The pilot project facility and any commercial oilfield special waste recycling facility permitted after June 30, 2017, must obtain a special waste landfill permit from the state department of health and a treating plant permit from the industrial commission for treatment of oilfield special waste.

3. The selected pilot project facility may operate as an oilfield special waste recycling facility through June 30, 2017, and may implement beneficial use demonstration projects using processed materials under the guidance of the state department of health. The selected pilot project facility operator shall cooperate with the state department of health to monitor and analyze impacts to the environment.

4."
