2 relating to the forfeiture and disposition of firearms; and to provide for application.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. AMENDMENT.** Section 62.1-01-02 of the North Dakota Century Code is  
5 amended and reenacted as follows:

6 **62.1-01-02. Forfeiture of dangerous weapon or firearm by person arrested and**  
7 **convicted of crime.**

8 1. Any firearm or dangerous weapon used or possessed while in the commission of a  
9 felony or a misdemeanor involving violence or intimidation must be seized and, upon  
10 conviction and by motion, forfeited to the jurisdiction in which the arrest was made or  
11 the jurisdiction in which the charge arose. Except as provided in chapter 29-01 for  
12 stolen property, the forfeited ~~firearm~~ or dangerous weapon may be, pursuant to court  
13 order, sold at public auction, sold or traded to other law enforcement agencies or  
14 ~~authorized firearm~~ dealers, retained for use, or destroyed.

15 2. Notwithstanding any other provision of law; and subject to the duty to return firearms  
16 to innocent owners under this section, section 29-31.1-02, and as provided in chapter  
17 29-01 for stolen property; all firearms, as defined in section 62.1-01-01, which are  
18 forfeited, recovered as stolen and unclaimed, or abandoned to any law enforcement  
19 agency of this state or a political subdivision of this state, including the game and fish  
20 department, or that are otherwise acquired by the state or a political subdivision of the  
21 state and are no longer needed, shall be disposed of as provided in this section.  
22 Except as provided in chapter 29-01 for stolen property, this section does not apply to  
23 firearms that are seized or confiscated and disposed of under chapter 20.1-10.

- 1       3.   a.   Before the disposal of any firearm under this section, the agency with custody of  
2           the firearm shall use its best efforts to determine if the firearm has been lost by,  
3           or stolen or otherwise unlawfully obtained from, an innocent owner and, if so,  
4           shall provide notification to the innocent owner of its custody of the firearm. An  
5           innocent owner may also notify the agency to claim a firearm.
- 6       b.   After notification, the agency shall return the firearm to its innocent owner  
7           provided the owner submits sufficient proof of ownership, as determined by the  
8           agency, and pays the costs, if any, of returning the firearm to the innocent owner.  
9           Costs are limited to the actual costs of shipping to the innocent owner and  
10          associated costs from any transfer and background check fees charged when  
11          delivering the firearm to the innocent owner.
- 12       c.   If six months elapse after notification to the innocent owner of the custody of the  
13          firearm by an agency and the innocent owner fails to bear the costs of return of  
14          his or her firearm or fails to respond to the agency notification, or if six months  
15          elapse after notice of a claim by an innocent owner and the innocent owner fails  
16          to bear the costs of return of the innocent owner's firearm or take away the  
17          innocent owner's firearm, then the agency shall dispose of the firearm as  
18          provided in this section.
- 19       4.   a.   Except as provided in subdivision b of subsection 3 or subsection 5, the agency  
20          shall dispose of the firearms that it receives under subsection 2 by sale at public  
21          auction to persons that may lawfully possess a firearm and persons licensed as  
22          firearms collectors, dealers, importers, or manufacturers under the provisions of  
23          18 U.S.C. section 921 et seq., and authorized to receive such firearms under the  
24          terms of the licenses.
- 25       b.   The auction required by this subsection may occur online on a rolling basis or at  
26          live events, but in no event may the auction occur less frequently than once every  
27          year during any time the agency has an inventory of saleable firearms. The  
28          agency shall establish a procedure to notify persons of its auctions.
- 29       c.   The agency may not retain proceeds above that which are necessary to cover  
30          the costs of administering this subsection, with any surplus to be transferred to  
31          the general fund of the jurisdiction in which the agency is located, provided that

1           an agency may be reimbursed for any firearms formerly in use by the agency that  
2           are sold under this section.

3           d. Employees of the agency are not eligible to bid on the firearms at an auction  
4           conducted under this subsection, and except for the amounts authorized under  
5           subdivision c of this subsection, neither the agency nor its employees may retain  
6           any proceeds from any sale required by this subsection, nor may the agency or  
7           its employees retain any firearm required to be sold under this subsection.

8           5. a. The requirements of subsection 4 do not apply to a firearm if there are not any  
9           bids from eligible persons received within six months from when bidding opened  
10           on the firearm, or if the agency director, sheriff, chief of police, or a designee of  
11           the official certifies that the firearm is unsafe for use because of wear, damage,  
12           age, or modification or because any federal or state law prohibits the sale or  
13           distribution of the firearm. The agency director, sheriff, chief of police, or a  
14           designee of the official, may transfer any of these firearms to the attorney  
15           general's crime laboratory for training or experimental purposes, or to a museum  
16           or historical society that displays these items to the public and is lawfully eligible  
17           to receive the firearm, or the firearm may be destroyed. The requirements of  
18           subsection 4 do not apply to a firearm and an agency director, sheriff, chief of  
19           police, or a designee of the official may destroy the firearm, if :

20           (1) The firearm was used in a violent crime, in an accidental shooting, or a  
21           self-inflicted shooting resulting in the death of an individual;

22           (2) There is not a claim for the firearm by an innocent owner; and

23           (3) A family member of the deceased individual makes a written request for the  
24           destruction of the firearm.

25           b. Agencies subject to the provisions of this subsection may establish a procedure  
26           to destroy firearms and may expend necessary funds for that purpose.

27           6. All agencies subject to the provisions of this section shall keep records of the firearms  
28           acquired and disposed of as provided in this section, as well as the proceeds of the  
29           sales and the disbursement of the proceeds, and shall maintain these records for not  
30           less than ten years from the date on which a firearm is disposed of or on which a  
31           disbursement of funds is made, as the case may be.

- 1       7. Neither the state nor any political subdivision of the state, nor any of their officers,  
2       agents, and employees, is liable to any person, including the purchaser of a firearm,  
3       for personal injuries or damage to property arising from the sale or disposal of a  
4       firearm under subsection 4 or 5 of this section, unless an officer, agent, or employee of  
5       the state or political subdivision acted with gross negligence or recklessness.
- 6       8. As used in this section, the term "innocent owner" means a person who:
- 7       a. Did not beforehand know or in the exercise of ordinary care would not have  
8       known of the conduct which caused that person's firearm to be forfeited, seized,  
9       or abandoned to any law enforcement agency of the state or any political  
10      subdivision of the state, including the game and fish department;
- 11      b. Did not participate in the commission of a crime or delinquent act involving that  
12      person's firearm;
- 13      c. Legally owned and presently owns the firearm forfeited, seized, or abandoned;  
14      and
- 15      d. Is authorized by state and federal law to receive and possess his or her firearm.

16       **SECTION 2. APPLICATION.** Any firearm held by an agency on August 1, 2015, is subject  
17 to the disposal and sale provisions of this Act.
