"SECTION 3. CONTINGENT APPROPRIATION - LEGISLATIVE MANAGEMENT REPORT. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$50,000, or so much of the sum as may be necessary, to the state board of higher education for the unified workforce, vocational, and technical education program system, for the biennium beginning July 1, 2015, and ending June 30, 2017. The funding provided in this section is available only if the state board of higher education certifies to the office of management and budget that a unified workforce, vocational, and technical program system has been established. The board shall provide reports to the legislative management on the status of the development of the unified system.

SECTION 4. APPROPRIATION - STATE AUDITOR. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$1,221,914, or so much of the sum as may be necessary, to the state auditor for the purpose of conducting audits of institutions and entities under the control of the state board of higher education, for the biennium beginning July 1, 2015, and ending June 30, 2017. The state auditor is authorized six full-time equivalent positions for higher education audit purposes.

SECTION 5. APPROPRIATION - ATTORNEY GENERAL. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$1,604,500, or so much of the sum as may be necessary, to the attorney general for the purpose of providing legal services for the state board of higher education and institutions and entities under the control of the board, for the biennium beginning July 1, 2015, and ending June 30, 2017. The attorney general is authorized six full-time equivalent positions for the purpose of providing legal services to the state board of higher education and institutions and entities under the control of the board.

SECTION 6. AMENDMENT. Section 15-10-12.1 of the North Dakota Century Code is amended and reenacted as follows:

15-10-12.1. Acceptance of buildings and campus improvements - Legislative approval.

The state board of higher education may authorize campus improvements and building maintenance on land under the control of the board ~~which are financed by donations, gifts, grants, and bequests~~ if the cost of the improvement or building maintenance is not more than three hundred eighty-five thousand dollars. The

consent of the legislative assembly is required for ~~the construction, purchase, or receipt of any building financed by donations, gifts, grants, and bequests and for campus improvements or building maintenance financed by donations, gifts, grants, and bequests~~ if the cost or estimated cost of the building, improvements, or maintenance is more than three hundred eighty-five thousand dollars. During the time the legislative assembly is not in session, except for the six months preceding the convening of a regular session and the three months following the close of a regular session, and unless otherwise restricted by previous legislative action or other law, the state board of higher education, with the approval of the budget section of the legislative management, ~~may authorize the use of land under the control of the board and construct buildings financed by donations, gifts, grants, and bequests~~ construction, purchase, or receipt of any building and may authorize campus improvements and building maintenance financed by donations, gifts, grants, and bequests and if the cost or estimated cost of the building, improvement, or maintenance is more than three hundred eighty-five thousand dollars. The budget section approval must include a specific dollar limit for each building, campus improvement project, or maintenance project. The state board of higher education may authorize the sale of any real property or buildings which an institution of higher learning has received by gift or bequest. The board shall prescribe such conditions for the sale of the property as it determines necessary. The conditions must include requiring an appraisal and public auction or advertisement for bids, unless the gift instrument requires a different process. If the state board of higher education submits a request for campus improvements, building maintenance, or to construct buildings under this section to the budget section for approval, the legislative council shall notify each member of the legislative assembly of the date of the budget section meeting at which the request will be considered and provide a copy of the meeting agenda to each member of the legislative assembly. The chairman of the budget section shall allow any member of the legislative assembly an opportunity to present testimony to the budget section regarding any such request.

SECTION 7. AMENDMENT. Subsection 3 of section 15-10-17 of the North Dakota Century Code is amended and reenacted as follows:

3. a. SetCharge tuition and fees in the amounts established by the legislative assembly.
- b. Charge fees subject to any statutory limitations or requirements.

SECTION 8. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Capital project requests - Maintenance reserve account.

Every new building project funding request and building maintenance funding request submitted for approval to the legislative assembly or to the budget section of the legislative management under section 15-10-12.1 must conform to campus master plan and space utilization studies completed by or for the state board of higher education. Each new building project request exceeding five million dollars must include a funding request for future maintenance costs equal to three percent of the project cost. The future maintenance funds must be deposited in an account under the control of the state board of higher education to be used only for future maintenance costs of buildings subject to this section.

SECTION 9. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Required use of electronic mail, file server administration, database administration, application server, and hosting services.

Each institution and entity under the control of the state board of higher education shall obtain electronic mail, file server administration, database administration, storage, application server, and hosting services through a delivery system established by the board. The board shall establish policies and guidelines for the delivery of services, including the transition from existing systems to

functional consolidation, with consideration given to the creation of efficiencies, cost-savings, and improved quality of service.

SECTION 10. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Audits of computer systems - Penalty.

1. Any auditor hired to conduct audits of the state board of higher education and the entities under the control and supervision of the board may:
 - a. Conduct a review and assessment of any computer system or related security system of the state board of higher education or any entity under the control and supervision of the board. A review and assessment under this section may include an assessment of system vulnerability, network penetration, any potential security breach, and the susceptibility of the system to cyber attack or cyber fraud.
 - b. Disclose the findings of a review and assessment to an individual or committee designated by the state board of higher education or to the board. Any record relating to a review and assessment, including a working paper or preliminary draft of a review and assessment report and a report of the findings of a review and assessment, and any record that may cause or perpetuate vulnerability of a computer system or related security system which is obtained or created during a review and assessment is an exempt record.
 - c. In conjunction with the state board of higher education or a committee designated by the board, procure the services of a specialist in information security systems or any other contractor deemed necessary in conducting a review and assessment under this section.
2. Any person hired or contracted to provide services in relation to a review and assessment under this section is subject to the privacy and confidentiality provisions of subsection 1 and any other section of law, including section 44-04-27, and for the purposes of section 12.1-13-01, is a public servant.

SECTION 11. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Unified workforce, vocational, and technical education program system.

The state board of higher education shall establish and maintain a unified system to offer workforce training, vocational education, and technical education programs at institutions under its control. The board shall periodically review programs offered by institutions under its control and revise program offerings based on the workforce needs of the state identified by the workforce education advisory council. The board shall develop administrative arrangements that make possible the efficient use of facilities and staff. The board shall limit administrative costs by eliminating duplicative administrative positions.

SECTION 12. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Workforce education advisory council - Membership - Duties.

The state board of higher education shall establish a workforce education advisory council to advise the board regarding skills and qualifications needed for workforce training, vocational, and technical education programs offered at institutions under the control of the board. The council is composed of a representative of the department of career and technical education, a representative of job service North Dakota, a representative of the department of commerce, and

eight members representing business and industry in the state. The eight members representing business and industry shall be appointed by the chairman of the legislative management. The North Dakota university system office shall provide staff services for the advisory council and members of the council who are not employees of the state are entitled to expense reimbursement from the board, as provided by law for state officers, for attending meetings of the council.

SECTION 13. A new section to chapter 15-10 of the North Dakota Century Code is created and enacted as follows:

Annual report - Scholarships.

The state board of higher education shall provide to the legislative management an annual report regarding the number of North Dakota academic scholarships and career and technical education scholarships provided and demographic information pertaining to the recipients."

4. Is pursuing a course of study determined by the board to be full-time.

15-62.5-02. Scholars program - Criteria and procedures.

The state board of higher education shall adopt:

1. Criteria governing the application process;
2. Criteria governing the selection process, within the requirements of section 15-62.5-03; and
3. Procedures for providing fiscal control, fund accounting, and reports.

15-62.5-03. Scholars program - Ranking and selection of recipients.

1. The state board of higher education shall rank scholars program applicants by their ACT composite scores.
2. If two or more applicants have the same composite scores, they must be ranked by the numeric sum of their four scale scores on the ACT.
3. If two or more applicants have the same composite scores and the same numeric sum of the four scale scores, they must be ranked by the numeric sum of their English and mathematics scores.
4. The state board of higher education may establish additional criteria to rank applicants who have the same numeric sum of their English and mathematics scores.
5. Scholarships must be offered to applicants in descending order according to this ranking until available funds have been expended or until the pool of applicants has been exhausted.

15-62.5-04. Scholars program - Scholarship amounts - Stipends.

1. a. Each semester, the state board of higher education shall provide to an eligible student a scholarship in an amount not exceeding the tuition charged at the institution in which the student is enrolled, provided the amount may not exceed the highest undergraduate semester tuition charged at an institution of higher education under the control of the state board of higher education.
b. Each quarter the state board of higher education shall provide to an eligible student a scholarship in an amount not exceeding the tuition charged per quarter at the institution in which the student is enrolled, provided the amount may not exceed two-thirds of the highest undergraduate semester tuition charged at an institution of higher education under the control of the state board of higher education.

- c. For purposes of this subsection, the rates are calculated using a traditional fall and spring academic year.
- 2. The scholarships provided for under this section are conditioned on the student maintaining a 3.5 cumulative grade point average, based on a 4.0 grading system.
- 3. Any student eligible for a scholarship under this section is also eligible for a stipend in an amount not exceeding two thousand dollars annually. The state board of higher education may distribute the stipend on a semester or a quarter basis.
- 4. a. A student is not entitled to receive scholarships under this chapter for more than the equivalent of:
 - (1) Eight semesters of full-time enrollment; or

"SECTION 21. A new section to chapter 54-10 of the North Dakota Century Code is created and enacted as follows:

State board of higher education audits.

1. The state auditor shall employ an audit manager to perform all audit related functions of the state board of higher education, including the examination and evaluation of the adequacy and effectiveness of the board's governance, risk management, internal controls, and performance of constitutionally and statutorily required duties. The audit manager shall conduct audits, as determined appropriate by the state auditor, of each institution under the supervision and control of the state board of higher education. The audit manager shall consult with the state board of higher education, or a committee designated by the board, regarding audit plans, results of audit activities, and any other appropriate issue. This section does not require the state auditor to perform any duties that would compromise the auditor's independence under government auditing standards.
2. The audit manager may access and examine any record under the control of the state board of higher education. For purposes of reviewing records under the Family Educational Rights and Privacy Act [20 U.S.C. 1232g; 34 CFR 99] or any other federal privacy law, the audit manager must be considered an agent of the state board of higher education.
3. The state auditor may hire employees necessary to carry out the duties and responsibilities of this section. The state auditor may hire consultants to assist with any duties required under this section subject to approval by the legislative audit and fiscal review committee. The state board of higher education shall pay for the cost of any consultant approved under this section.

SECTION 22. AMENDMENT. Section 54-12-08 of the North Dakota Century Code is amended and reenacted as follows:

54-12-08. Assistant and special assistant attorneys general - Appointment - Revocation - Compensation.

After consultation with the head of the state department or institution or with the state board, commission, committee, or agency affected, the attorney general may appoint assistant or special assistant attorneys general to represent the state board, commission, committee, or agency. A state officer, head of any state department, whether elected or appointed, or state department, board, commission, committee, or agency may not employ legal counsel, and no person may act as legal counsel in any matter, action, or proceeding in which the state or any state department, board, commission, committee, or agency is interested or is a party, except upon written appointment by the attorney general. Workforce safety and insurance, the department of transportation, the state tax commissioner, the public service commission, the insurance commissioner, ~~the board of higher education~~, and the securities commissioner may employ attorneys to represent them. These entities shall pay the salaries and expenses of the attorneys they employ within the limits of legislative appropriations. The attorneys that represent these entities must be special assistant attorneys general appointed by the attorney general pursuant to this section. Absent good cause, the attorney general shall appoint as special assistant attorneys general licensed attorneys selected by these entities. The attorney general may revoke the appointment only for good cause or upon the request of the entity. Good cause means an inadequate level of experience, competence, or ethical standards. The powers conferred upon special assistant attorneys general are the same as are exercised by the regular assistant attorneys general, unless the powers are limited specifically by the terms of the appointment. Except as otherwise provided by this section, an appointment is revocable at the pleasure of the attorney general. The appointment may be made with or without compensation, and when compensation is allowed by the attorney general for services performed, the compensation must be paid out of the funds appropriated therefor. The attorney general may require payment for legal services rendered by any assistant or special assistant attorney general to any state official, board, department, agency, or commission and those entities shall make the required payment to the attorney general. Moneys received by the attorney general in payment for legal services

rendered must be deposited into the attorney general's operating fund. General fund moneys may not be utilized for the payment of legal services provided by the attorneys employed by the attorney general, except for those payments required of the department of human services, state department of health, and the state hospital.

SECTION 23. AMENDMENT. Section 54-44.1-04 of the North Dakota Century Code is amended and reenacted as follows:

54-44.1-04. Budget estimates of budget units filed with the office of the budget - Deadline.

The head of each budget unit, not later than July fifteenth of each year next preceding the session of the legislative assembly, shall submit to the office of the budget, estimates of financial requirements of the person's budget unit for the next two fiscal years, on the forms and in the manner prescribed by the office of the budget, with such explanatory data as is required by the office of the budget and such additional data as the head of the budget unit wishes to submit. The estimates of financial requirements for budget units under the control of the state board of higher education must be made using the same forms, supporting information, and documentation as other budget units. Any request for a new full-time or part-time permanent position included in a budget unit's estimate of its financial requirements for the next two fiscal years must include documentation justifying the need for the position. The documentation must describe the circumstances resulting in the need for the position and identify the number of hours the position will be involved in specific types of activities and the anticipated outcomes of the activities. The estimates so submitted must bear the approval of the board or commission of each budget unit for which a board or commission is constituted. The director of the budget may extend the filing date for any budget unit if the director finds there is some circumstance that makes it advantageous to authorize the extension. If a budget unit has not submitted its estimate of financial requirements by the required date or within a period of extension set by the director of the budget, the director of the budget shall prepare the budget unit's estimate of financial requirements except the estimate may not exceed ninety percent of the budget unit's previous biennial appropriation. The director of the budget or a subordinate officer as the director shall designate shall examine the estimates and shall afford to the heads of budget units reasonable opportunity for explanation in regard thereto and, when requested, shall grant to the heads of budget units a hearing thereon which must be open to the public.

SECTION 24. AMENDMENT. Subsection 4 of section 54-44.1-06 of the North Dakota Century Code is amended and reenacted as follows:

4. Detailed comparative statements of expenditures and requests for appropriations by funds, budget units and classification of expenditures, showing the expenditures for the previous biennium, the first fiscal year of the present biennium, the budget of the current biennium, and the governor's recommendation for appropriations for each budget unit for the next biennium, all distributed according to the prescribed classification of expenditures. Following the lists of actual and proposed expenditures of each budget unit there must be a brief explanation of the functions of the unit and comments on its policies and plans and on any considerable differences among the amounts recommended, with any descriptive, quantitative, comparative, and other data as to work done, unit costs, and like information as may be considered necessary or desirable. For capital outlay expenditures involving construction projects to be completed in two or more fiscal years, there must be shown the total estimated cost of each such project and the amount thereof recommended to be appropriated and expended in each ensuing fiscal year until completion of the project. Capital outlay needs may be projected for at least two years beyond the period covered by the budget. The detailed comparative statements of budget units under the control of the state board of higher education must include the same information presented for other budget units."

skywalk project. Pursuant to section 54-44.1-11, \$200,000 of the unexpended appropriation authority for the project must be continued into the biennium beginning July 1, 2015, and ending June 30, 2017, and must be transferred to the university system office for the purpose of providing a grant to the North Dakota humanities council for the development of elementary and secondary civics education. Any remaining unexpended appropriation authority for the project is not subject to section 54-44.1-11 and the office of management and budget shall cancel the remaining unexpended appropriation authority on the effective date of this section.

SECTION 37. STATE FLEET REIMBURSEMENT - TRANSFER.

Notwithstanding any other provision of law, the university of North Dakota shall transfer the sum of \$375,000 to the department of transportation for costs associated with previous use by the institution of state fleet services motor coaches and North Dakota state university shall transfer the sum of \$375,000 to the department of transportation for costs associated with previous use by the institution of state fleet services motor coaches. The university of North Dakota and North Dakota state university shall transfer the funds as directed under this section to the department of transportation prior to January 1, 2016.

SECTION 38. STATE BOARD OF HIGHER EDUCATION - EVALUATION OF EMPLOYEES. The state board of higher education shall conduct or contract for comprehensive performance evaluations of the president and each individual designated as a vice president of an institution under the supervision and control of the board and of the commissioner of higher education and each individual within the university system office with the title of "vice chancellor". Each performance review must include participation and input from the individual's subordinates, peers, supervisors, and other appropriate individuals, as well as the individual being evaluated. Each performance review must include an analysis of the individual's contribution and performance in leadership, teamwork, interpersonal communication, management, contribution, work habits, interpersonal interaction, and accountability. Notwithstanding any provision of law, any record created or collected in the conduct of a performance review under this section and the report of each performance review is a public record. This section does not apply to any individual who has served in their respective position for less than three years as of July 1, 2015.

SECTION 39. STATE BOARD OF HIGHER EDUCATION DATA INCONSISTENCIES - REPORT TO THE SIXTY-FIFTH LEGISLATIVE ASSEMBLY.

During the biennium beginning July 1, 2015, and ending June 30, 2017, the state board of higher education shall evaluate the following data inconsistency issues at institutions and entities under its control and develop policies and procedures to correct the inconsistencies:

1. Lack of integration of personal and demographic information among computer systems;
2. Lack of use of standard chart of accounts for financial reporting and standard department budget table deduction and tax override flags;
3. Absence of standard business processes for recording mandatory fees and for changing payroll funding source information;
4. Inconsistent methods and procedures at institutions for recording high school completions, identifying student cohorts for reporting purposes, and classifying agency funds;
5. Inconsistent practices and policies at institutions for awarding tuition waivers, admitting students, using purchasing card, charging tuition and fees, and accruing of faculty sick leave;
6. Inconsistent coding and naming for bad debt expense and journal entries;
7. Use of shadow accounting systems for reporting purposes; and

- 8. Inconsistent definitions for a distance education student, a resident student for tuition purposes, and a full-time student for federal tax purposes.

The state board of higher education shall provide a report to the appropriations committees of the sixty-fifth legislative assembly regarding the status of the inconsistencies, including policies and procedures implemented to correct the inconsistencies.

SECTION 40. HIGHER EDUCATION INSTITUTION PERMANENT FUNDS - REPORT TO SIXTY-FIFTH LEGISLATIVE ASSEMBLY. The state board of higher education shall provide a report to the appropriations committees of the sixty-fifth legislative assembly regarding the use of funds received by institutions under its control from permanent fund income established for the benefit of the institutions in section 1 of article IX of the Constitution of North Dakota.

SECTION 41. EXTRAORDINARY CAMPUS NEEDS FUNDING - REPORT TO THE SIXTY-FIFTH LEGISLATIVE ASSEMBLY. The operations line item in subdivision 4 of section 1 of this Act includes the sum of \$2,500,000 for extraordinary campus needs at Williston state college. Williston state college shall provide a report to the appropriations committees of the sixty-fifth legislative assembly regarding the use of this funding and the need to continue the funding in to the biennium beginning July 1, 2017, and ending June 30, 2019.

SECTION 42. LEGISLATIVE MANAGEMENT STUDY - HIGHER EDUCATION COURSE DELIVERY METHODS. During the 2015-16 interim, the legislative management shall consider studying the delivery methods of higher education courses offered by institutions under the control of the state board of higher education. The study, if conducted, must include a review of current methods of distance education offered by institutions, options to improve delivery methods, revenue generated by each type of delivery method, and how course delivery methods may affect future campus infrastructure needs. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-fifth legislative assembly.

SECTION 43. LEGISLATIVE MANAGEMENT STUDY - INSTITUTION MISSIONS. During the 2015-16 interim, the legislative management shall study the missions of all two-year institutions and the missions of any other institutions under the control of the state board of higher education, as determined by the legislative management, including the feasibility and desirability of the institutions offering only workforce and career and technical education programs. The study must review the current missions of the institutions, current and projected course and program enrollments, projected workforce needs, including how the institutions can serve the needs, and options to increase operating efficiencies. The legislative management shall report its findings, together with any legislation necessary to implement the findings, to the sixty-fifth legislative assembly."

Identity management system		1,020,000	1,020,000
Total	\$2,978,300	\$2,821,500	\$5,799,800

⁴ Funding is added for student financial assistance programs to:

- Increase the maximum student financial assistance grant award (needs-based aid) amount from \$1,650 per year to \$1,950 per year.
- Increase the academic and career and technical education scholarship award (merit-based aid) amount from \$1,500 per year to \$1,950 per year with a lifetime maximum of \$7,800.

Section 6 of the bill is amended to provide the statutory adjustments needed to increase the academic and career and technical education scholarship award amount. Sections are also added to repeal North Dakota Century Code Chapter 15-62.2 which relates to the student financial assistance grant program and the scholars program and to add two new chapters regarding the programs. The new chapters provide the statutory adjustments needed to increase the student financial assistance grant award amount and to provide clarification

regarding residency requirements for the programs and the ability to distribute awards on a semester or quarterly basis.

⁵ University System internal audit legal functions are removed as follows:

- General fund base funding of \$771,964 and 7 FTE internal audit positions are removed.
- General fund base funding of \$2,558,140 and 8.6 FTE legal positions are removed.

⁶ Funding is added for the following pools to be transferred by the State Board of Higher Education to institutions and entities under its control:

- A \$5 million deferred maintenance funding pool is added and is to be distributed to institutions based on campus master plan and space utilization studies.
- A \$3 million campus security pool is added and is to be distributed to institutions based on campus security and risk assessments.

Section 8 of the bill is amended to provide transfer authority for the funding pools.

⁷ A contingent appropriation of \$50,000 is added from the general fund for a unified system of workforce, vocational, and technical education. The appropriation is contingent upon the State Board of Higher Education certifying to the Office of Management and Budget that a unified system of workforce, vocational, and technical education has been established. The board is to provide reports to the Legislative Management regarding the status of establishing the unified system.

⁸ Funding is removed for the following campus assessments and consolidated services:

- Funding of \$431,627 previously used by campuses to pay internal audit assessments is removed.
- Funding of \$224,500 is removed from campus budgets for predictive analytics and student success programs.
- Funding of \$366,825 is removed from campus budgets for document imaging.

Funding for document imaging and predictive analytics and student success services is added to the University System office budget to provide consolidated systemwide services. Please see the "Adds Funding for Core Technology Services Initiatives" footnote for additional information.

⁹ Base funding for extraordinary repairs is transferred from campuses and the Forest Service to the University System office for an extraordinary repairs funding pool. Funds in the pool are to be distributed to campuses and the Forest Service based on campus master plan and space utilization studies and identified needs of the Forest Service.

¹⁰ The following funding adjustments are made based on the higher education funding formula and other adjustments:

	<u>General Fund</u>
Bismarck State College	\$4,015,574
Dakota College at Bottineau	(10,453)
Lake Region State College	2,857,081
North Dakota State College of Science	3,550,254
Williston State College	(519,108)
Dickinson State University	(1,068,842)
Mayville State University	643,518
Minot State University	3,035,365
Valley City State University	1,266,020
North Dakota State University	10,810,835
University of North Dakota	<u>12,563,795</u>
Total	\$37,144,039

The funding formula adjustments are based on 2011-13 biennium completed student credit hours. Sections are also added to the bill to provide for statutory adjustments to the funding

formula remedial education factor rate, credit completion factor rates, and institutional size factor rates.

The adjustments include the removal of \$2.5 million of base funding provided to Minot State University during the 2013-15 biennium for flood recovery needs.

¹¹ Funding is added for the following University of North Dakota School of Medicine and Health Sciences initiatives:

	<u>General Fund</u>
RuralMed program	\$996,843
Health care workforce initiative (includes the addition of 21 FTE positions)	13,814,806
Residency positions	<u>4,700,000</u>
Total	\$19,511,649

The funding for the health care workforce initiative and residency positions is considered one-time funding.

¹² Funding from the general fund is added for Phase II of the University of North Dakota School of Medicine and Health Sciences facility project (\$62 million) and for special assessments payments at campuses (\$4,250,689).

House Bill No. 1003 - Other Changes - House Action

This amendment also:

- Amends Section 15-10-12.1 regarding legislative approval for campus building and maintenance projects.
- Amends Section 15-10-17 regarding the authority to set tuition and fees at institutions of higher education.
- Adds a new section to Chapter 15-10 to require capital projects to conform to University System master plan and space utilization studies and requires future capital project budget requests for new buildings over \$5 million to include a 3 percent funding request for future building maintenance costs.
- Adds a new section to Chapter 15-10 relating to consolidated use of electronic mail, file server administration, database administration, application server, and hosting services by higher education institutions.
- Adds a new section to Chapter 15-10 to exempt computer audit risk assessment results from open records requirements.
- Adds two new sections to Chapter 15-10 to create a unified workforce, vocational, and technical education program system and to create a workforce education advisory council.
- Amends Sections 54-44.1-04 and 54-44.1-06 to require budget requests of institutions and entities under the control of the State Board of Higher Education to include the same detailed information as budget requests of other state agencies.
- Amends Section 16 of the bill to cancel the appropriation authority provided for a 2013-15 biennium higher education performance funding pool.
- Cancels \$550,000 of 2013-15 biennium general fund appropriation for the University of North Dakota Bismarck Family Practice Center skywalk project and requires the remaining funding of \$200,000 to be provided as a grant for the development of civics curriculum.
- Requires University System institutions to reimburse the Department of Transportation for costs associated with previous use of State Fleet Services motor coaches.
- Requires comprehensive performance evaluations of the chancellor, vice-chancellors, institution presidents, and institution vice-presidents if the individuals have been employed in those positions for at least three years.
- Requires the State Board of Higher Education to address identified data inconsistency issues and report to the 65th Legislative Assembly regarding the status of the inconsistencies.
- Requires the State Board of Higher Education to provide a report to the appropriations committees of the 65th Legislative Assembly regarding the use of funds received by each campus from permanent constitutional fund income

distributions.

- Requires Williston State College to provide a report to the appropriations committees of the 65th Legislative Assembly regarding the use of extraordinary campus needs funding.
- Provides for a Legislative Management study of higher education course delivery methods.
- Provides for a Legislative Management study of the missions of institutions under the control of the State Board of Higher Education.

"SECTION 4. APPROPRIATION - TRANSFER - GENERAL FUND TO HIGHWAY FUND. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$504,115,558, or so much of the sum as may be necessary, which the office of management and budget shall transfer to the highway fund during the biennium beginning July 1, 2015, and ending June 30, 2017. The office of management and budget shall transfer the funds provided under this section to the state highway fund at the request of the director of the department of transportation. This appropriation is a one-time funding item.

SECTION 5. APPROPRIATION - TRANSFER - GENERAL FUND TO SPECIAL ROAD FUND. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$1,000,000, or so much of the sum as may be necessary, which the office of management and budget shall transfer to the special road fund during the biennium beginning July 1, 2015, and ending June 30, 2017. The office of management and budget shall transfer the funds provided under this section to the special road fund at the request of the director of the department of transportation. This appropriation is a one-time funding item.

SECTION 6. APPROPRIATION. There is appropriated out of any moneys in the strategic investment and improvements fund in the state treasury, not otherwise appropriated, the sum of \$2,000,000, or so much of the sum as may be necessary, to the department of transportation for the purpose of one-time funding for the department of transportation's short line railroad program, for the biennium beginning July 1, 2015, and ending June 30, 2017.

SECTION 7. APPROPRIATION - STATE TREASURER. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$8,000,000, or so much of the sum as may be necessary, to the state treasurer for allocation to counties for allocation to or for the benefit of organized and unorganized townships in non-oil-producing counties, for the biennium beginning July 1, 2015, and ending June 30, 2017. The funding provided in this section must be distributed in February 2016. The state treasurer shall distribute the funds provided under this section to counties and the county treasurer shall allocate the funds to or for the benefit of townships in non-oil-producing counties through a one-time distribution of \$5,000 to each organized township and a one-time distribution of \$5,000 for each unorganized township to the county in which the unorganized township is located. For unorganized townships within the county, the board of county commissioners may expend an appropriate portion of revenues under this section for township roads or other infrastructure needs in those townships. A township is not eligible for an allocation of funds under this section if the township does not maintain any township roads. For the purposes of this section, a "non-oil-producing county" means a county that has received an allocation of funding under section 57-51-15 of less than \$5,000,000 in the state fiscal year ending June 30, 2014.

SECTION 8. LEGISLATIVE INTENT - CONTINGENT FUNDING FOR BUILDING AND NEW MAJOR INFORMATION TECHNOLOGY PROJECTS. It is the intent of the legislative assembly that the department of transportation refrain from using funds appropriated to the department of transportation in section 1 of this Act for construction or improvements to buildings and any new major information technology projects during the biennium beginning July 1, 2015, and ending June 30, 2017, unless the department receives at least the amount of federal highway construction funds that was anticipated by the sixty-fourth legislative assembly."

Page 3, line 2, replace "\$904,115,558" with "\$504,115,558"

Page 3, after line 17, insert:

"SECTION 13. AMENDMENT. Section 39-02-03 of the North Dakota Century Code is amended and reenacted as follows:

39-02-03. Powers and duties of director and department.

The director, ~~subject to the approval of the governor,~~ may adopt and enforce such administrative rules and designate such agencies and establish such branch offices as may be necessary to carry out the laws applicable to the director's office and department. The director shall provide suitable forms for applications, registration cards, license number plates, and all other forms requisite for the operation of the director's office and department, and shall prepay all transportation charges thereon. Branch office contracts entered into under this section may extend five years and may be renewed in accordance with this section. At the end of each current branch office contract term, the department shall consider entering into contracts with new branch office vendors. Notwithstanding any other provision of law,

the director may enter into direct negotiations and contract with qualified vendors to provide branch office services. The director may provide for a maximum fee schedule for the various services provided by the branch offices, not to exceed ten dollars for each service provided. Any branch office may establish a different fee schedule if the schedule does not contain a fee that exceeds a maximum fee established by the director and is approved by the director. All branch office managers must be bonded. The department may lease or provide office space or other costs as necessary to independent motor vehicle branch managers. All rents collected under this section must be deposited in the state highway fund. The department and the officers thereof shall enforce the provisions of all laws pertaining to the director and the department.

SECTION 14. LEGISLATIVE MANAGEMENT STUDY - SHORT LINE RAILROAD INFRASTRUCTURE. During the 2015-16 interim, the legislative management shall consider studying short line railroad expansion, spurs, switches, or other infrastructure enhancements and the effect of short line railroads on reducing commercial traffic on the state highway system. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-fifth legislative assembly.

SECTION 15. LEGISLATIVE MANAGEMENT STUDY - HIGH-EFFICIENCY VEHICLES. During the 2015-16 interim, the legislative management shall consider studying the potential effect high-efficiency vehicles may have on the revenue generated from motor vehicle registration fees, special fuels taxes, special fuels excise taxes, and gasoline and gasohol taxes. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-fifth legislative assembly.

SECTION 16. LEGISLATIVE MANAGEMENT STUDY - AUTOMATED MOTOR VEHICLE. During the 2015-16 interim, the legislative management shall consider studying potential statutory changes that may be necessary to accommodate the introduction or testing of automated motor vehicles in North Dakota and any automated corridors affecting North Dakota. "Automated motor vehicle" means a vehicle capable of operating in a full automation mode where full automation is defined by the Society of Automotive Engineers Standard, J3016, section 5.6 issued January 2014, as the unconditional, full-time performance by an automated driving system of all aspects of the dynamic driving task. The study may include research into the degree that automated motor vehicles could reduce traffic fatalities and crashes by reducing or eliminating driver error and the degree that automated motor vehicles could reduce congestion and improve fuel economy through better utilization of existing highway capacity and more efficient operation of the vehicles' acceleration and braking controls. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-fifth legislative assembly."

Renumber accordingly

Page 1, line 1, after "A BILL" replace the remainder of the bill with "for an Act to provide student loan repayment programs for health care professionals; to repeal chapters 43-12.2 and 43-17.2 of the North Dakota Century Code, relating to loan repayment programs for nurse practitioners, physician assistants, certified nurse midwives, and physicians; to provide for a continuing appropriation; and to provide for an application.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1.**Student loan repayment programs - Health care professionals.**

The health council shall administer student loan repayment programs, as established by this chapter, for healthcare professionals willing to provide services in cities that have a defined need for such services.

SECTION 2.**Application process.**

The health council shall develop an application process for cities seeking to fill health care needs and for healthcare professionals willing to provide necessary services in exchange for benefits under a student loan repayment program.

SECTION 3.**Cities - Selection criteria - Matching funds.**

1. The health council shall establish criteria to be used in selecting cities for participation in a program. The criteria must include:
 - a. The number of healthcare professionals, by specified field, already providing services in the city;
 - b. Access to healthcare services in the city and the surrounding area; and
 - c. The level of support from the city and the surrounding area.
2. The health council may consult with public and private sector entities in establishing criteria and evaluating needs based on the criteria.
3. A city may not be selected for participation unless it contractually commits to provide matching funds equal to the amount required for a loan repayment program in accordance with section 6 of this Act.

SECTION 4.**Cities - Eligibility for participation - Priority.**

In selecting cities for participation in a program, the health council shall give priority, in descending order, to those cities that meet the selection criteria, or to a practice with a focus on an underserved population and:

"(Effective after June 30, 2017) Infrastructure revolving loan fund - Continuing appropriation.

1. The infrastructure revolving loan fund is a special fund in the state treasury from which the Bank of North Dakota shall provide loans to political subdivisions for essential infrastructure projects. The Bank shall administer the infrastructure revolving loan fund. The maximum term of a loan made under this section is thirty years. A loan made from the fund under this section must have an interest rate that does not exceed one and one-half percent per year.
2. The Bank shall establish priorities for making loans from the infrastructure revolving loan fund. Loan funds must be used to address the needs of the community by providing critical infrastructure funding. Except as expressly provided under this section, a political subdivision may not use infrastructure revolving loan funds for capital construction. In addition to eligible infrastructure needs established by the Bank, eligible infrastructure needs may include new water treatment plants; new wastewater treatment plants; new sewer lines and water lines; new conduit for telecommunications infrastructure; new construction and renovation of critical access hospitals; and new storm water and transportation infrastructure, including curb and gutter construction.
3. In processing political subdivision loan applications under this section, the Bank shall calculate the maximum loan amount for which a qualified applicant may qualify, not to exceed seven million dollars for an eligible critical access hospital loan and not to exceed fifteen million dollars each

for all other eligible loans. The total amount of loans issued for critical access hospitals may not exceed thirty-five million dollars. The Bank shall consider the applicant's ability to repay the loan when processing the application and shall issue loans only to applicants that provide reasonable assurance of sufficient future income to repay the loan. The Bank may adopt policies establishing priorities for issuance of loans, setting additional qualifications for applicants, and establishing timelines addressing when a participating political subdivision may be required to make loan draws and the consequences of not meeting these timelines, and setting other guidelines relating to the loan program under this section.

4. The Bank shall deposit in the infrastructure revolving loan fund all payments of interest and principal paid under loans made from the infrastructure revolving loan fund. The Bank may use a portion of the interest paid on the outstanding loans as a servicing fee to pay for administrative costs which may not exceed one-half of one percent of the amount of the interest payment. All moneys transferred to the fund, interest upon moneys in the fund, and payments to the fund of principal and interest are appropriated to the Bank on a continuing basis for administrative costs and for loan disbursement according to this section.
5. The Bank may adopt policies and establish guidelines to supplement and leverage the funds in the infrastructure revolving loan fund. Additionally, the Bank may adopt policies allowing participation by local financial institutions.

SECTION 2. LEGISLATIVE INTENT - ELIGIBLE BORROWERS UNDER INFRASTRUCTURE REVOLVING LOAN FUND. If a political subdivision receives funds distributed by the state treasurer under subsection 1 or 4 of section 1 or by the department of transportation under subsection 1 of section 2 of Senate Bill No. 2103, as approved by the sixty-fourth legislative assembly, it is the intent of the sixty-fourth legislative assembly that political subdivision be ineligible to receive a loan under the infrastructure revolving loan fund until July 1, 2017. However, this section does not apply to loans for critical access hospitals.

SECTION 3. LEGISLATIVE INTENT - CRITICAL ACCESS HOSPITAL LOAN LIMITATION. It is the intent of the sixty-fourth legislative assembly that the total amount of loans associated with a critical access hospital issued from the medical facility infrastructure fund and the infrastructure revolving loan fund for the period beginning July 1, 2013, and ending June 30, 2017, not exceed fifteen million dollars."

STATEMENT OF PURPOSE OF AMENDMENT:

This amendment provides \$150 million for the infrastructure revolving loan fund, of which \$100 million is from Bank of North Dakota profits and \$50 million is from the strategic investment and improvements fund. This amendment also includes the following:

- Limits the interest rate to 1.5 percent for loans issued from the fund.
- Adds critical access hospitals to the list of eligible loans, limits critical access hospital loans to \$7 million per loan, and limits total critical access hospital loans issued to \$35 million.
- Limits all other eligible loans to \$15 million per loan.
- Allows new telecommunications conduit infrastructure to be eligible for loans after June 30, 2017.
- Provides legislative intent for eligible borrowers.

- Provides legislative intent to limit the total amount of loans associated with a critical access hospital issued from the medical facility infrastructure fund and the infrastructure revolving loan fund to \$15 million.
