- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

HB 1371 creates an income tax credit for renters of residential property.

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

HB 1371 creates an income tax credit of up to \$390 for rent paid during the tax year. The tax credit is limited to the taxpayer's tax liability. On the average, rent paid in the state would indicate most renters would receive the maximum credit (\$390) but not every renter will have a net tax liability sufficient to utilize the credit.

Assuming 65% of renting households can utilize the credit, we estimate HB 1371, if enacted, will reduce state general fund revenues by approximately \$58.5 million in the 2015-17 biennium.

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*
