³ Funding is removed for operating expenses related to the new FTE positions. The Senate version provided \$47,076, and the House version removed \$47,076.

⁴ Funding is removed to continue the homestead tax credit changes made by the 2013 Legislative Assembly (\$2 million) and to expand the eligibility threshold for homestead tax credit program (\$8 million). Total funding for the homestead tax credit program is \$20 million, which is the same as the base level and House version. The Senate provided funding of \$30 million, an increase of \$10 million over the base level and the House version.

⁵ The amendment removes funding to continue the disabled veterans' tax credit changes made by the 2013 Legislative Assembly. Total funding for the disabled veterans' tax credit program is \$7,678,000, which is the same as the base level and the House version. The Senate version provided total funding of \$8,445,000 from the general fund.

⁶ One-time funding is added for scanners, which is the same as the House version. The Senate version did not include this funding.

This amendment also adds a new section to provide an exemption for the \$16,000 appropriated in the capital assets line item to the Tax Department in the 2013-15 biennium. As a result, \$40,000 will be available to the department to purchase scanners, of which \$16,000 is from carryover authority, \$16,000 is included in the department's base budget, and \$8,000 of one-time funding from the general fund is added in this amendment. The House version also included the exemption, but the Senate version did not provide an exemption.

Engrossed SB 2006 was placed on the Seventh order of business on the calendar.
