BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Subsection 3 of section 26.1-40-01 of the North Dakota Century Code is amended and reenacted as follows:

3. "Policy" means any automobile policy which includes automobile liability coverage, uninsured motorist coverage, underinsured motorist coverage, automobile medical payments coverage, basic or optional excess no-fault benefits, or automobile physical damage coverage, delivered or issued for delivery in this state, insuring as the named insured an individual residing in this state, and under which the insured vehicles designated in the policy are of the following types only:
 - a. A motor vehicle of the private passenger ~~or station wagon~~ type that is not used as a public or livery conveyance, nor rented to others.
 - b. Any four-wheel motor vehicle with a load capacity of one thousand five hundred pounds [680.39 kilograms] or less which is not used in the occupation, profession, or business of the insured, nor used as a public or livery conveyance, nor rented to others.
 - c. Any motorcycle as that term is defined in section 39-01-01 that is not used as a public or livery conveyance, nor rented to others.
 - d. An unconventional vehicle, as that term is defined in subsection 2 of section 39-29.2-01, which is not used as a public or livery conveyance, nor rented to others.

"Policy" does not include any policy that has been in effect less than sixty days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy; any policy issued under the North Dakota assigned risk plan; any policy insuring more than six motor vehicles; any policy covering the operation of a garage, automobile sales agency, repair shop, service station, or public parking place; any policy

providing insurance only on an excess basis; or any other contract providing insurance to a named insured even though the contract may incidentally provide insurance with respect to such motor vehicles.

SECTION 2. AMENDMENT. Subsection 10 of section 26.1-41-01 of the North Dakota Century Code is amended and reenacted as follows:

10. "Motor vehicle" means a vehicle having more than three load-bearing wheels, of a kind required to be registered under the laws of this state relating to motor vehicles, designed primarily for operation upon the public streets, roads, and highways, and driven by power other than muscular power, and includes a trailer drawn by or attached to such a vehicle. The term does not include an unconventional vehicle defined in subsection 2 of section 39-29.2-01.

SECTION 3. AMENDMENT. Subsection 49 of section 39-01-01 of the North Dakota Century Code is amended and reenacted as follows:

49. "Motor-powered recreational vehicle" means a motorcycle, unconventional vehicle, or off-highway vehicle as defined in section 39-29-01, or a snowmobile as defined in section 39-24-01.

SECTION 4. AMENDMENT. Subsection 2 of section 39-29.2-01 of the North Dakota Century Code is amended and reenacted as follows:

2. "Unconventional vehicle" means a motor vehicle that is designed to travel on at least three wheels in contact with the ground, has an unladen weight of at least three hundred pounds [136.08 kilograms] but less than eight thousand pounds [3628.7 kilograms], has a permanent upright seat ~~or saddle for the driver which is mounted at least twenty-four inches [50.8 centimeters] from the ground~~ that does not require the operator to straddle or sit astride it, has a steering device for front wheel steering control, is capable of speeds in excess of sixty-five miles [104.61 kilometers] per hour, complies with equipment listed in chapter 39-21 or 39-27, as appropriate, and has an identifying number. The term does not include motor vehicles that otherwise may be registered under this title.

SECTION 5. AMENDMENT. Subsection 5 of section 39-29.2-03 of the North Dakota Century Code is amended and reenacted as follows:

5. The fee for registration of an unconventional vehicle is fifty dollars per year. For a duplicate or replacement registration number plate or registration card that is lost, mutilated, or becomes illegible, the department may charge a fee of not more than five dollars.

SECTION 6. AMENDMENT. Section 39-29.2-04 of the North Dakota Century Code is amended and reenacted as follows:

39-29.2-04. Operation of unconventional vehicle.

To operate an unconventional vehicle on a highway, the operator must be a class D licensed driver. An operator may operate an unconventional vehicle on any highway ~~except an access-controlled highway.~~

SECTION 7. Section 39-29.2-05 of the North Dakota Century Code is created and enacted as follows:

39-29.2-05. Equipment.

1. An unconventional vehicle must be equipped with safety glass or a windshield at all times while operating the vehicle.
2. a. An operator and any passenger under the age of eighteen shall wear protective helmets, except when the unconventional vehicle has a nonremovable roof, a windshield, and an enclosed body.

- b. If the operator of an unconventional vehicle is required to wear a safety helmet, any passenger must also wear a safety helmet regardless of the passenger's age.
- c. A helmet violation under this subsection has the same penalty as driving a motorcycle without a helmet.
3. Operators and passengers in an unconventional vehicle shall comply with seatbelt use laws.

SECTION 8. Section 39-29.2-06 of the North Dakota Century Code is created and enacted as follows:

39-29.2-06. Manufacturer's or distributor's certification.

1. The manufacturer or distributor shall certify that an unconventional vehicle is designed and manufactured for use upon public highways and complies with the performance, United States environmental protection agency equipment requirements, and the rules of this chapter.
2. The certificate must be incorporated on the manufacturer's statement of origin upon transfer of vehicle ownership.

SECTION 9. Section 39-29.2-07 of the North Dakota Century Code is created and enacted as follows:

39-29.2-07. Frame - Chassis - Requirements.

1. The unconventional vehicle frame-chassis, including the suspension components and engine mountings, must be of substantial construction, capable of supporting the combined weight of all vehicle components including the riders for whom the vehicle is designed, and must withstand normal road shocks and operational stresses, without constituting a hazard to the riders or other users of the highway.
2. The unconventional vehicle wheelbase may not be less than forty inches [101.6 centimeters].

SECTION 10. Section 39-29.2-08 of the North Dakota Century Code is created and enacted as follows:

39-29.2-08. Brakes.

1. Every unconventional vehicle must have either a split service brake system or two independently actuated service brake systems, in accordance with rules adopted by the director under chapter 28-32. Brakes must act on the front and rear wheels.
2. Every unconventional vehicle must meet the requirements for brake system effectiveness, fade, and partial systems, as specified in rules adopted by the director under chapter 28-32.
3. If applicable, all linkages, cables, pivots, and bearings must be free of excess friction, with the front wheel brake cable located and secured so as not to become pinched between the fork and frame members when the wheel is turned completely to the right or left.
4. Brake actuating devices must be in an accessible location, unencumbered by vehicle components, and positioned so that adequate leverage and safe operation is ensured. Service brake system controls and operation requirements must be in accordance with rules adopted by the director under chapter 28-32. A suitable mechanism must be provided for the purpose of automatically returning the actuating devices to normal position upon release.

5. Unconventional vehicles brakes must be capable of being adjusted automatically or manually with means provided to prevent unintentional adjustment.
6. An unconventional vehicle must be equipped with an emergency or parking brake of a friction type, with a solely mechanical means to retain engagement.
7. The brake system on an unconventional vehicle should be capable of stopping within a distance of thirty feet [9.14 meters] on a dry, hard, approximately level stretch of highway that is free from loose material at all times and under all conditions, at a speed of twenty miles per hour [32 kilometers per hour].

SECTION 11. Section 39-29.2-09 of the North Dakota Century Code is created and enacted as follows:

39-29.2-09. Tires, wheels, and rims.

1. Unconventional vehicle tires must be of pneumatic design, with a minimum width of two and twenty-five hundredths inches [57.15 millimeters], and must be designed for highway use.
2. Tires on an unconventional vehicle must have a load capacity rating at least equal to the respective gross axle weight ratings. Each tire on the front or rear axle must have a load capacity rating at least equal to one-half the front or rear axle gross axle weight rating.
3. Wheel rim diameters may not be less than ten inches [25.4 centimeters] or must comply with title 49, C.F.R., part 571, federal motor vehicle safety standards, and must comply with applicable state standards, as adopted by the director.

SECTION 12. Section 39-29.2-10 of the North Dakota Century Code is created and enacted as follows:

39-29.2-10. Steering and suspension systems.

1. Unconventional vehicle steering and suspension systems must be designed and engineered to provide the operator with the means of safely controlling the unconventional vehicle direction under all maneuvers required for normal and safe operation.
2. On a three-wheel unconventional vehicle, the midpoint of the front or rear wheel track distance must be within one inch [2.54 centimeters] of the single front or single rear wheel track when the vehicle is proceeding on a straight course. If applicable, the vehicle must be equipped with an adjustment feature that will provide proper wheel tracking.
3. The steering head must be provided with a bearing or similar device that will allow the steering shaft to turn freely in rotational motion only.
4. If applicable, an unconventional vehicle must meet the following specifications in relationship to front wheel geometry:
 - a. Maximum:
 - (1) Rake - Forty-five degrees; and
 - (2) Trail - Fourteen inches [35.56 centimeters] positive.
 - b. Minimum:
 - (1) Rake - Twenty degrees; and

- (2) Trail - Two inches [5.08 centimeters] positive.
5. Manufacturer's specifications must include the specific rake and trail for each unconventional vehicle. The terms "rake" and "trail" must be defined by the director by rules adopted under chapter 28-32.
 6. The steering device must be of sturdy construction, adequate in size to provide proper leverage for steering, and capable of withstanding a minimum force of one hundred pounds [45.36 kilograms] applied to each handgrip, if so equipped, in any direction. Steering device grips may not be located above the shoulder height of the seated operator. The steering device must provide a minimum of eighteen inches [45.72 centimeters] between each grip, after final assembly.
 7. The steering device must be equipped with material and surface patterns to ensure firm, nonslip gripping for the driver.
 8. Every unconventional vehicle must be equipped with a suspension system. The suspension system must be effective in reducing road shock and designed for the purpose of maximizing vehicle stability.

SECTION 13. Section 39-29.2-11 of the North Dakota Century Code is created and enacted as follows:

39-29.2-11. Fuel system.

1. All fuel system components, including the tank, pump, tubing, hoses, and clamps must be securely fastened to the unconventional vehicle, so as not to interfere with its operation and must be leakproof when the vehicle is in its normal operating attitude.
2. Fuel lines must be positioned so as to prevent their contact with the engine head, manifold, exhaust system, or other high temperature surfaces, or with moving components. The fuel system must be adequately vented and provided with a fuel shutoff valve located between the fuel supply and the engine.

SECTION 14. Section 39-29.2-12 of the North Dakota Century Code is created and enacted as follows:

39-29.2-12. Exhaust system - Prevention of noise.

1. Unconventional vehicles must be equipped with an exhaust system incorporating a muffler or other mechanical device, for the purpose of effectively reducing engine noise.
2. Cutouts and bypasses in the exhaust system are prohibited.
3. The system must be leakproof and all components must be securely attached to the vehicle and located so as not to interfere with the operation of the unconventional vehicle.
4. Shielding must be provided to prevent inadvertent contact with the exhaust system by the operator or passenger during normal operation.
5. An unconventional vehicle operating on streets and highways must meet the noise decibel limitations as established by the United States environmental protection agency.
6. A person may not sell, offer for sale, or install any noise suppressing system or device, which will produce noise in excess of the maximum allowable decibel limitations set forth in this section.

SECTION 15. Section 39-29.2-13 of the North Dakota Century Code is created and enacted as follows:

39-29.2-13. Mirror.

Every unconventional vehicle must be equipped with two mirrors, securely affixed and capable of adjustment within a range that will reflect an image that includes at least the horizon and the road surface to the rear of the unconventional vehicle. A mirror must consist of a minimum reflective surface of ten square inches [64.52 square centimeters]. A mirror may not contain sharp edges or projections capable of producing injury.

SECTION 16. Section 39-29.2-14 of the North Dakota Century Code is created and enacted as follows:

39-29.2-14. Fenders.

If applicable, each wheel of an unconventional vehicle must be equipped with fenders or otherwise covered by the body configuration. Fenders must be securely mounted and of sufficient size and strength to minimize water or other road surface substances from coming in contact with the vehicle riders or throwing the road substances unreasonably to the rear of the vehicle. The fender design must be effective in reducing side spray.

SECTION 17. Section 39-29.2-15 of the North Dakota Century Code is created and enacted as follows:

39-29.2-15. Seat.

1. A seat securely attached to the vehicle must be provided for the use of the operator and be a permanent upright seat that does not require the operator to straddle or sit astride it. The seat adjustment locking device must prevent relative movement of the seat from its selected and secured position under all normal vehicle operating conditions.
2. An unconventional vehicle designed to carry more than one person must be equipped with a securely mounted seat for each passenger. The seat must be located to the side or rear of the driver so that the passenger seat does not interfere with the driver's control or operation of the vehicle.

SECTION 18. Section 39-29.2-16 of the North Dakota Century Code is created and enacted as follows:

39-29.2-16. Glazing.

An unconventional vehicle windscreen and windshield must meet the following standards:

1. The glazing material must comply with the standards made by rule;
2. The metal support must be of a material that bends rather than fragments under impact; and
3. Any covering material, other than glazing, must be beaded at the edges to prevent fraying.

SECTION 19. Section 39-29.2-17 of the North Dakota Century Code is created and enacted as follows:

39-29.2-17. Horn.

Every unconventional vehicle must be equipped with a horn, in good working order, as described by subsection 1 of section 39-21-36. The horn must operate from a control located on the steering device.

SECTION 20. Section 39-29.2-18 of the North Dakota Century Code is created and enacted as follows:

39-29.2-18. Speedometer and odometer.

Every unconventional vehicle must be equipped with a properly operating speedometer and an odometer, calibrated in miles or kilometers per hour respectively, and must be fully illuminated when the headlamp is activated.

SECTION 21. Section 39-29.2-19 of the North Dakota Century Code is created and enacted as follows:

39-29.2-19. Lighting equipment.

1. An unconventional vehicle must be equipped with lamps, reflective devices, and associated equipment, as required by and in compliance with standards adopted by rule of the director.
2. A gearbox indicator light, if provided, must be located within the operator's field of vision.
3. A headlamp beam indicator light must be located within the operator's field of vision and illuminated automatically when the high beam of the headlamp is actuated.
4. An unconventional vehicle must be equipped with at least one taillamp, in accordance with section 39-21-04.
5. An unconventional vehicle must be equipped with a stop lamp, in accordance with subsection 1 of section 39-21-19.
6. An unconventional vehicle must be equipped with hazard warning signals in accordance with section 39-21-19.1.

SECTION 22. Section 39-29.2-20 of the North Dakota Century Code is created and enacted as follows:

39-29.2-20. Headlamps.

1. The headlamp or headlamps on an unconventional vehicle must be a multiple-beam type.
2. The headlamp or headlamps on an unconventional vehicle must be of sufficient intensity to reveal an individual or a vehicle at a distance of not less than:
 - a. One hundred feet [30.48 meters], when the unconventional vehicle is operated at any speed less than twenty-five miles [40.23 kilometers] per hour;
 - b. Two hundred feet [60.96 meters], when the unconventional vehicle is operated at a speed of twenty-five miles [40.23 kilometers] per hour, but less than thirty-five miles [56.33 kilometers] per hour; and
 - c. Three hundred feet [91.44 meters], when the unconventional vehicle is operated at a speed of thirty-five miles [56.33 kilometers] per hour, or more.
3. An unconventional vehicle must be equipped with a multiple-beam headlamp that meets the minimum requirements set forth in this section and may not exceed the limitations set forth in subsection 1 of section 39-21-20 and the lowermost beam must meet the requirements applicable to a lowermost distribution of light as set forth in subsection 2 of section 39-21-20.

SECTION 23. EMERGENCY. This Act is declared to be an emergency measure."

**"SECTION 17. STATE BOARD OF DENTAL EXAMINERS STUDY -
REPORT TO LEGISLATIVE MANAGEMENT.**

1. During the 2017-18 interim, the state board of dental examiners shall use the evaluation process designed under subsection 2 to evaluate the impact of the use of advanced practice dental hygienists on the delivery of and access to dental services. Before August 1, 2018, the board, in consultation with the department of human services, shall report to the legislative management:
 - a. The number of advanced practice dental hygienists licensed annually by the board;
 - b. The settings at which licensed advanced practice dental hygienists are practicing and the populations being served;
 - c. The number of complaints filed against advanced practice dental hygienists, the basis for each complaint, and the outcome of the complaint;
 - d. The number of disciplinary actions taken against advanced practice dental hygienists and the infractions for which disciplinary action was taken; and
 - e. The number and type of dental services performed by advanced practice dental hygienists and reimbursed by the state under any state health care program.
2. The board shall develop an evaluation process that focuses on assessing the impact of advanced practice dental hygienists in terms of patient safety, cost-effectiveness, and access to dental services. The process must focus on the following outcome measures:
 - a. The number of new patients served, their insurance status, and whether they are located in a dentist shortage area;
 - b. The reduction in waiting times for needed dental services;
 - c. The decreased travel time for patients;

- d. The impact on emergency room usage for dental care; and
 - e. The costs and savings to the public health care system.
3. During the 2015-16 interim, the board shall report to the administrative rules committee on the status of implementation of this Act and the status of any administrative rules necessitated under this Act. Until this Act is fully implemented and the board has adopted rules necessitated under this Act, at each meeting of the administrative rules committee held during the 2015-16 interim, the administrative rules committee shall receive a report from the board on the status of implementation of this Act.

SECTION 18. APPLICATION. The board may wait to develop rules necessary to implement and enforce this Act until August 1, 2016, if the board by majority vote determines that additional information necessary to protect the public interest will become available before the date. However, the board shall work diligently to adopt rules to implement this Act."

Page 1, after line 3, insert:

"SECTION 1. Chapter 26.1-40.1 of the North Dakota Century Code is created and enacted as follows:

26.1-40.1-01. Definitions.

As used in this chapter and chapter 39-34, unless the context otherwise requires:

1. "Application off stage" of operation means the time period when the driver is operating the vehicle for personal noncommercial reasons and not engaged in any manner or operation for the transportation network company.
2. "Application on stage" means the time period the driver is logged onto the online-enabled application of a transportation network company and available for hire but not engaged and there is no passenger on board.
3. "Engaged stage" means the time period from the moment a participating driver accepts a ride request on the transportation network company online-enabled application or platform until the driver completes the transaction on the online-enabled application or platform or until the ride is complete, whichever is later.
4. "Participating driver" or "driver" means any individual who uses a vehicle in connection with a transportation network company's online-enabled application or platform to connect with passengers.
5. "Passengers on-board stage" means the time period when there are passengers in the vehicle pursuant to the driver's participation in a transportation network company.
6. "Transportation network company" means a person operating in this state which provides prearranged transportation services for compensation

using an online-enabled application or platform to connect passengers with drivers using a personal vehicle.

7. "Transportation network company insurance" means an insurance policy that covers a driver's use of a vehicle in connection with a transportation network company's online-enabled application or platform.

26.1-40.1-02. Required disclosures.

1. A transportation network company shall disclose in writing or electronic form to participating drivers, as part of its agreement with those drivers, the insurance coverage and limits of liability that the transportation network company provides while the driver uses a vehicle in connection with a transportation network company's online-enabled application or platform and shall advise a participating driver that the driver's personal automobile insurance policy may not provide coverage under the agreement.
2. A transportation network company shall disclose in writing or electronic form to participating drivers, as part of its agreement with those drivers, of when the driver's personal automobile insurance policy may not provide collision or comprehensive coverage, under the agreement.
3. A transportation network company shall provide notice in writing or electronically to the driver instructing the driver to notify the driver's personal automobile insurer of the driver's participation in the transportation network.

26.1-40.1-03. Coverage required when transportation network company application is engaged until completion of ride when the passenger has exited the vehicle.

1. A transportation network company and any participating driver shall maintain transportation network company insurance that provides for the following requirements that apply to transportation network company insurance during the engaged stage and during the passenger on-board stage.
2. Transportation network company liability insurance is primary and in the amount of one million dollars for death, bodily injury, and property damage. The requirements for the coverage required by this subdivision may be satisfied by any of the following:
 - a. Transportation network company insurance maintained by a participating driver.
 - b. Transportation network company insurance maintained by a transportation network company.
 - c. Any combination of subdivisions a and b.
3. Transportation network company insurance coverage provided under this section also provides for uninsured motorist coverage and underinsured motorist coverage in the amount of one million dollars anytime the driver has transportation network company passengers on board.
4. Transportation network company insurance coverage must provide personal injury protection to drivers, passengers, and pedestrians when required under chapter 26.1-41.
5. The primary insurer, in the case of insurance coverage provided under subdivision a, has the sole duty to defend and indemnify the insured.
6. Coverage under a transportation network company insurance policy may neither be dependent on a driver's personal automobile insurance policy

carrier first denying a claim nor a personal automobile insurance policy carrier being required to first deny a claim.

7. In every instance in which transportation network company insurance maintained by a participating driver to fulfill the insurance obligations of this section has excluded coverage according to its policy or ceased to exist, the transportation network company shall provide the coverage required by this section beginning with the first dollar of a claim.

26.1-40.1-04. Insurance coverage during the application on stage with no passengers in vehicle.

1. During the application on stage, the transportation network company insurance must include:
 - a. Motor vehicle liability coverage and the coverage is secondary. The coverage must include at least fifty thousand dollars per person and one hundred fifty thousand dollars per incident for death and bodily injury and at least fifty thousand dollars for property damage.
 - b. Uninsured motorist coverage under subsection 3 of section 26.1-40-15.1 and the coverage is secondary.
 - c. Underinsured motorist coverage under subsection 2 of section 26.1-40-15.1 and the coverage is secondary.
 - d. Personal injury protection under chapter 26.1-41 and the coverage is secondary.
2. The requirements for coverage required by this section may be satisfied by any of the following:
 - a. Transportation network company insurance maintained by a participating driver.
 - b. Transportation network company insurance maintained by a transportation network company that provides coverage in the event that a participating driver's insurance policy under subsection a has ceased to exist or has been canceled or in the event the participating driver does not otherwise maintain transportation network company insurance.
 - c. Any combination of subsections a and b.
3. A transportation network company may meet its obligations under this section through a policy obtained by a participating driver pursuant to subsection a or c only if the transportation network company verifies that the policy is maintained by the participating driver and is specifically written to cover the participating driver's use of a vehicle in connection with a transportation network company's digital platform.
4. If the participating driver's vehicle is insured under a personal automobile insurance policy that does not exclude coverage, then such policy must provide primary coverage and an insurance policy maintained by the transportation network company under subdivision c of subsection 2 must provide excess coverage up to at least the limits required by subsection 1.
5. In every instance in which transportation network company insurance maintained by a participating driver to fulfill the insurance obligations of this section has lapsed or ceased to exist, the transportation network company shall provide the coverage required by this section beginning with the first dollar of a claim.

26.1-40.1-05. Liability of transportation network company beyond required limits.

This chapter does not limit the liability of a transportation network company arising out of an automobile accident involving a participating driver in any action for damages against a transportation network company for an amount above the required insurance coverage.

26.1-40.1-06. Discretionary personal insurance where offered by personal automobile insurer.

A personal automobile insurer may offer an automobile liability insurance policy, or an amendment or endorsement to an existing policy that covers a private passenger vehicle or similar type of vehicle with a passenger capacity of fewer than nine passengers, including the driver, while used in connection with a transportation network company's online-enabled application or platform.

26.1-40.1-07. Duty to cooperate.

In a claims coverage investigation involving a participating driver, a transportation network company or its insurer shall cooperate with insurers that are involved in the claims coverage investigation to facilitate the exchange of information, including the provision of dates and times at which an accident occurred involving a participating driver and the precise times that the participating driver logged on and off the transportation network company's online-enabled application or platform.

26.1-40.1-08. Financial responsibility.

Transportation network company insurance that meets the requirements of this chapter is deemed to satisfy the financial responsibility requirements of chapter 39-16.

26.1-40.1-09. Proof of insurance.

1. A participating driver of a transportation network company shall carry proof of transportation network company insurance coverage at all times during the driver's use of a vehicle in connection with a transportation network company's online-enabled application or platform. In the event of an accident, a participating driver shall provide this insurance coverage information to any other party involved in the accident, and to a police officer, upon request.
2. Before the transportation network company driver is permitted to accept a request for transportation network company services on the transportation network company's digital network, a transportation network company driver shall provide a certificate of insurance to any affiliated transportation network company.

26.1-40.1-10. Authorized or eligible carrier.

Transportation network company insurance required by this chapter may be placed with an insurer authorized to do business in the state or with a surplus lines insurer eligible under section 26.1-44-03."

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. LEGISLATIVE MANAGEMENT STUDY - ENVIRONMENTAL PROTECTION AGENCY REGULATIONS ON CARBON DIOXIDE EMISSIONS.

During the 2015-16 interim, the legislative management shall consider studying the impacts and costs of environmental protection agency regulations on carbon dioxide emissions for new and existing electric generation units. The study must include the regulations' estimated compliance costs on the industry, estimated impacts on regional grid reliability, estimated economic impact to ratepayers in this state, and the feasibility of implementing the regulations, including the proposed timeline. The study must also include an update on the status of technologies related to reduction of carbon dioxide emissions. The legislative management may consult with the lignite energy council, state department of health, public service commission, attorney

general, and other state and federal agencies as needed. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-fifth legislative assembly."

"SECTION 12. AMENDMENT. Section 15.1-36-02 of the North Dakota Century Code is amended and reenacted as follows:

15.1-36-02. (~~Effective through June 30, 2015~~) School construction projects - Loans.

- 1. In order to provide school construction loans, the board of university and school lands may authorize the use of:
 - a. Fifty million dollars, or so much of that amount as may be necessary, from the coal development trust fund, established pursuant to section 21 of article X of the Constitution of North Dakota and subsection 1 of section 57-62-02; and
 - b. One hundred fifty million dollars from the strategic investment and improvements fund, established pursuant to section 15-08.1-08.
- 2. In order to be eligible for a loan under this section, the board of a school district shall:
 - a. Propose a construction project with a cost of at least one million dollars and an expected utilization of at least thirty years;

- b. Obtain the approval of the superintendent of public instruction for the construction project under section 15.1-36-01; and
 - c. Submit to the superintendent of public instruction an application containing all information deemed necessary by the superintendent, including potential alternative sources or methods of financing the construction project.
 3. If an eligible school district's taxable valuation per student is less than eighty percent of the state average taxable valuation per student, the district is entitled to receive:
 - a. A school construction loan equal to the lesser of twenty million dollars or ninety percent of the actual project cost;
 - b. An interest rate discount equal to at least one hundred but not more than four hundred basis points below the prevailing tax-free bond rates; and
 - c. A term of repayment that may extend up to twenty years.
 4. If an eligible school district's taxable valuation per student is equal to at least eighty percent but less than ninety percent of the state average taxable valuation per student, the district is entitled to receive:
 - a. A school construction loan equal to the lesser of fifteen million dollars or eighty percent of the actual project cost;
 - b. An interest rate buydown equal to at least one hundred but not more than three hundred fifty basis points below the prevailing tax-free bond rates; and
 - c. A term of repayment that may extend up to twenty years.
 5. If an eligible school district's taxable valuation per student is equal to at least ninety percent of the state average taxable valuation per student, the district is entitled to receive:
 - a. A school construction loan equal to the lesser of ten million dollars or seventy percent of the actual project cost;
 - b. An interest rate discount equal to at least one hundred but not more than three hundred basis points below the prevailing tax-free bond rates; and
 - c. A term of repayment that may extend up to twenty years.
 6. The board of a school district may submit its loan application to the superintendent of public instruction before or after receiving authorization of a bond issue in accordance with chapter 21-03. If the vote to authorize a bond issue precedes the application for a loan, the application must be acted upon by the superintendent expeditiously but no later than one hundred eighty days from the date it is received by the superintendent.
 7. The superintendent of public instruction shall consider each loan application in the order it received approval under section 15.1-36-01.
 8. If the superintendent of public instruction approves the loan, the superintendent may determine the loan amount, the term of the loan, and the interest rate, in accordance with the requirements of this section. A school district's interest rate may not be less than one percent, regardless of any rate discount for which the district might otherwise qualify under this section.

9.
 - a. If a school district seeking a loan under this section received an allocation of the oil and gas gross production tax during the previous fiscal year in accordance with chapter 57-51, the board of the district shall provide to the board of university and school lands, and to the state treasurer, its evidence of indebtedness indicating that the loan originated under this section.
 - b. If the evidence of indebtedness is payable solely from the school district's allocation of the oil and gas gross production tax in accordance with section 57-51-15, the loan does not constitute a general obligation of the school district and may not be considered a debt of the district.
 - c. If a loan made to a school district is payable solely from the district's allocation of the oil and gas gross production tax in accordance with section 57-51-15, the terms of the loan must require that the state treasurer withhold the dollar amount or percentage specified in the loan agreement, from each of the district's oil and gas gross production tax allocations, in order to repay the principal and interest of the evidence of indebtedness. The state treasurer shall deposit the amount withheld into the fund from which the loan originated.
 - d. Any evidence of indebtedness executed by the board of a school district under this subsection is a negotiable instrument and not subject to taxation by the state or any political subdivision of the state.
10. For purposes of this section, a "construction project" means the purchase, lease, erection, or improvement of any structure or facility by a school board, provided the acquisition or activity is within a school board's authority.

(Effective after June 30, 2015) School construction projects -- Loans.

- ~~1. The board of university and school lands may authorize the use of moneys in the coal development trust fund established pursuant to section 21 of article X of the Constitution of North Dakota and subsection 1 of section 57-62-02 to provide school construction loans, as described in this chapter. The outstanding principal balance of loans under this chapter may not exceed fifty million dollars. The board may adopt policies and rules governing school construction loans.~~
- ~~2. In order to be eligible for a loan under this section, the board of a school district shall:

 - ~~a. Propose a construction project with a cost of at least one million dollars and an expected utilization of at least thirty years;~~
 - ~~b. Obtain the approval of the superintendent of public instruction for the construction project under section 15.1-36-01; and~~
 - ~~c. Submit to the superintendent of public instruction an application containing all information deemed necessary by the superintendent, including potential alternative sources or methods of financing the construction project.~~~~
- ~~3. The superintendent of public instruction shall give priority to any district that meets the requirements for receipt of an equity payment under section 15.1-27-11.~~
- ~~4. If an eligible school district's imputed taxable valuation per student is less than eighty percent of the state average imputed valuation per student, the district is entitled to receive:~~

- a. ~~A school construction loan equal to the lesser of twelve million dollars or eighty percent of the actual project cost;~~
 - b. ~~An interest rate discount equal to at least one hundred but not more than two hundred fifty basis points below the prevailing tax-free bond rates; and~~

Page 1, after line 11, insert:

"SECTION 1. AMENDMENT. Subsections 8 and 9 of section 2-06-10 of the North Dakota Century Code are amended and reenacted as follows:

8. ~~Whenever bonds are issued under this chapter and made payable from revenues of an airport involving municipalities with over ten thousand population, subject to requirements of subsection 9, the governing body of the municipality, if at any time all revenues, including taxes, appropriated and theretofore collected for such bonds are insufficient to pay principal or interest then due, shall levy a general tax upon all of the taxable property in the municipality for the payment of the deficiency. If at any time a deficiency is likely to occur within one year for the payment of principal and interest due on the bonds, the governing body, in its discretion, may levy a general tax upon all the taxable property in the municipality for the payment of the deficiency.~~
The governing body of the municipality shall levy a general tax upon all of the taxable property in the municipality for the payment of any deficiency in airport authority funds to pay principal or interest due for revenue bonds issued under this chapter before August 1, 2015, and made payable from revenues of an airport authority. The governing body of the municipality may levy a general tax upon all of the taxable property in the municipality for the payment of any deficiency that is likely to occur within one year in airport authority funds to pay principal or interest due for revenue bonds issued under this chapter before August 1, 2015, and made payable from revenues of an airport authority. The taxes levied by the municipality under this subsection are not subject to any limitation of rate or amount applicable to other municipal taxes.
9. ~~For bonds issued under this section to be an obligation of a municipality or authority, the issuance of the bonds must be approved by a majority vote of the governing body of each municipality involved or, within thirty days after the authority decides it wishes to issue the bonds, the municipality or authority must put the question, specifying the amount of the bond at issue, to the people at an election. The question may be put at a general election, a primary election, a municipal election, or at an election called for the purpose. If a majority of the qualified electors voting on the issue vote in favor of issuing the bonds, the authority or municipality may, to the amount authorized in the election, pledge the general obligation of the authority or municipality to guarantee the repayment of the principal and interest on the bonds.~~
Revenue bonds issued by an airport authority after July 31, 2015, must include the commitment of the municipality for the payment of any deficiency in airport authority funds to pay principal or interest due for revenue bonds as provided in this subsection. The governing body of the municipality shall levy a general tax upon all of the taxable property in the municipality for the payment of any deficiency in airport authority funds to pay principal or interest due for revenue bonds issued under this chapter after July 31, 2015, and made payable from revenues of an airport authority. The governing body of the municipality may levy a general tax upon all of

the taxable property in the municipality for the payment of any deficiency that is likely to occur within one year in airport authority funds to pay principal or interest due for revenue bonds issued under this chapter after July 31, 2015, and made payable from revenues of an airport authority. The taxes levied by the municipality under this subsection are not subject to any limitation of rate or amount applicable to other municipal taxes. The commitment of the municipality and the issuance of the bonds must be approved by a majority vote of the governing body of each municipality involved or, upon placement of the question on the ballot at a primary, general, or special election, by approval of a majority of the qualified electors of the municipalities voting on the question."

Page 1, line 19, after the period insert "With its levy request under this section, an airport authority may certify its current and anticipated revenues and resources, any anticipated revenue shortfall for bonded debt payment, and the amount necessary from its property tax levy authority for its annual principal and interest payment for bonded debt incurred under this chapter and, if it finds that the certified amount is necessary for the annual bonded debt payment, the municipality shall levy for the airport authority not less than the certified amount."
