MR. SPEAKER: Mr. Speaker and Members of the Assembly, yesterday at surprise ceremony in the auditorium of Cheney Middle School in West Fargo, sixth-grade science teacher Sandra Evensen was named 2017-2018 West Fargo School District teacher of the year.

Evenson has taught in West Fargo since 1991, and has taught kindergarten, first, second, forth and sixth grades during her 25 year tenure.

She has been recognized by fellow colleagues as being the best at making relationships, reaching each student at their own level and bringing out the best in everyone with a smile on her face.

As the the Professional Staff Member of the Year, Evenson will receive a crystal apple, flowers, and a \$500 check from from the WF Educational Foundation.

Commenting on this award, Superintendent David Flowers said "She was very surprised" and that "she's certainly very deserving of this award."

It is teachers like these that make it great to be a kid in the District 13's West Fargo schools, and on behalf of both Rep. Kim Koppelman and myself, I thank the speaker and the members of this assembly for allowing us a moment to recognize Sandra Evenson.
