2 Century Code, relating to appealing a workforce safety and insurance decision; and to provide  
3 for application.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1. AMENDMENT.** Section 65-01-16 of the North Dakota Century Code is  
6 amended and reenacted as follows:

7 **65-01-16. Decisions by organization - Disputed decisions.**

8 The following procedures must be followed in claims for benefits, notwithstanding any  
9 provisions to the contrary in chapter 28-32:

- 10 1. The organization shall send a copy of each initial claim form filed with the organization  
11 to the claimant's employer, by regular mail, along with a form for the employer's  
12 response, if the employer's response has not been filed at the time the claim is filed.  
13 ~~Failure of the employer to file a response within fourteen days from the day the~~  
14 ~~response form was mailed to the employer constitutes the employer's admission that~~  
15 ~~the information in the claim form is correct.~~
- 16 2. The organization may conduct a hearing on any matter within its jurisdiction by  
17 informal internal review of the information of record.
- 18 3. The organization may issue a notice of decision for any decision made by informal  
19 internal review and shall serve the notice of decision on the parties by regular mail. A  
20 notice of decision must include a statement of the decision, a short summary of the  
21 reason for the decision, and notice of the right to reconsideration.
- 22 4. A party has ~~thirty~~forty-five days from the day the notice of decision was mailed by the  
23 organization in which to file a written request for reconsideration. The employer is not  
24 required to file the request through an attorney. The request must state the reason for

- 1 disagreement with the organization's decision and the desired outcome. The request  
2 may be accompanied by additional evidence not previously submitted to the  
3 organization. The organization shall reconsider the matter by informal internal review  
4 of the information of record. Absent a timely and sufficient request for reconsideration,  
5 the notice of decision is final and may not be reheard or appealed.
- 6 5. After receiving a request for reconsideration, the organization shall serve on the  
7 parties by regular mail a notice of decision reversing the previous decision or, in  
8 accordance with the North Dakota Rules of Civil Procedure, an administrative order  
9 that includes its findings, conclusions, and order. The organization may serve an  
10 administrative order on any decision made by informal internal review without first  
11 issuing a notice of decision and receiving a request for reconsideration. If the  
12 organization does not issue an order within sixty days of receiving a request for  
13 reconsideration, any interested party may request, and the organization shall promptly  
14 issue, an appealable determination.
- 15 6. An employee has ~~thirty~~forty-five days from the day the administrative order was mailed  
16 in which to file a request for assistance from the decision review office under section  
17 65-02-27.
- 18 7. A party has ~~thirty~~forty-five days, from the date of service of an administrative order or  
19 from the day the decision review office mails its notice that the office's assistance is  
20 complete, in which to file a written request for rehearing. The request must specifically  
21 state each alleged error of fact and law to be reheard and the relief sought. Absent a  
22 timely and sufficient request for rehearing, the administrative order is final and may not  
23 be reheard or appealed.
- 24 8. Rehearings must be conducted as hearings under chapter 28-32 to the extent the  
25 provisions of that chapter do not conflict with this section.
- 26 9. A party may appeal a posthearing administrative order to district court in accordance  
27 with chapter 65-10. Chapter 65-10 does not preclude the organization from appealing  
28 to district court a final order issued by a hearing officer under this title.
- 29 10. Any notice of decision, administrative order, or posthearing administrative order is  
30 subject to review and reopening under section 65-05-04.
