Introduced by

Government and Veterans Affairs Committee

(At the request of the Public Employees Retirement System)

1 A BILL for an Act to amend and reenact subsection 2 of section 39-03.1-11 and subsection 2 of
2 section 54-52-17 of the North Dakota Century Code, relating to the computation of final average
3 salary for employees who terminate employment after December 31, ~~2021~~2019.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1. AMENDMENT.** Subsection 2 of section 39-03.1-11 of the North Dakota
6 Century Code is amended and reenacted as follows:

7 2. Retirement benefits are based on the contributor's final average salary. Final average
8 salary is the average of the highest salary received by the contributor for any thirty-six
9 months employed during the last one hundred twenty months of employment. For
10 contributors who terminate employment on or after August 1, 2010, final average
11 salary is the average of the highest salary received by the contributor for any thirty-six
12 months employed during the last one hundred eighty months of employment. For
13 contributors who terminate employment between July 31, 2005, and August 1, 2010,
14 final average salary is the average of the highest salary received by the member for
15 any thirty-six months employed during the period for which the board has appropriate
16 and accurate salary records on its electronic database, but that period may not be
17 more than the last one hundred eighty months of employment. For members who
18 terminate employment after December 31, ~~2021~~2019, final average salary is the
19 higher of the final average salary calculated on December 31, ~~2021~~2019, or the
20 average salary earned in the three highest periods of twelve consecutive months
21 employed during the last one hundred eighty months of employment. Months not
22 employed or months in which employment was not as a permanent employee without
23 earnings are excluded in arriving at the thirty-six months to be used for the purpose of
24 computing an average. If the contributor has worked for less than thirty-six months at

the postponed retirement date, the final average salary is the average salary for all months of employment.

SECTION 2. AMENDMENT. Subsection 2 of section 54-52-17 of the North Dakota Century Code is amended and reenacted as follows:

2. Retirement benefits are calculated from the participating member's final average salary, which is the average of the highest salary received by the member for any thirty-six months employed during the last one hundred twenty months of employment. For members who terminate employment on or after August 1, 2010, final average salary is the average of the highest salary received by the member for any thirty-six months employed during the last one hundred eighty months of employment. For members who terminate employment between July 31, 2005, and August 1, 2010, final average salary is the average of the highest salary received by the member for any thirty-six months employed during the period for which the board has appropriate and accurate salary records on ~~its~~the board's electronic database, but that period may not be more than the last one hundred eighty months of employment. For members who terminate employment after December 31, 20212019, final average salary is the higher of the final average salary calculated on December 31, 20212019, or the average salary earned in the three highest periods of twelve consecutive months employed during the last one hundred eighty months of employment. Months not employed without earnings are excluded in arriving at the thirty-six months to be used for the purpose of computing an average. If the participating member has worked for less than thirty-six months at the normal retirement date, the final average salary is the average salary for the total months of employment.
