A graduate who received a scholarship under this section shall remain and work in this state for a minimum of three years following degree or certificate completion.

7. The skilled workforce scholarship program must be a joint public and private effort. The Bank of North Dakota shall provide one dollar of funding for each one dollar of funding raised from the private sector. The Bank of North Dakota shall provide no more than ten million dollars per biennium for the purpose of funding the skilled workforce scholarship program fund.

8. The scholarship, which is intended to assist the student in meeting attendance costs, must be designed to supplement any other financial aid received by a student.
