"Abandoned infant" means an ~~abandoned infant as defined in section 27-20-02 and which~~who has been abandoned at birth at a hospital or before reaching the age of one year regardless of the location of birth and who has been left with an on-duty staff member at a ~~hospital~~approved location in an unharmed condition.

3. ~~A hospital~~An approved location shall accept an infant ~~abandoned or~~ left under this section. The ~~hospital~~approved location may request information regarding the parents and shall provide the parent or the agent with a medical history form and an envelope with the ~~hospital's~~approved location's return address. If a hospital accepting the infant has the infant's medical history, the hospital is not required to provide the parent or the agent with a medical history form. Neither the parent nor the agent is required to provide any information.
4. ~~If an infant is left at a hospital, the~~ hospital shall provide the parent or the agent with a numbered identification bracelet to link the parent or the agent to the ~~abandoned~~ infant, unless due to birth of the infant, the infant and parent currently have an identification bracelet. Possession of an identification bracelet does not entitle the bracelet holder to take custody of the ~~abandoned~~ infant on demand. The report may not be made before the parent or the agent leaves the ~~hospital~~approved location.
 7. The ~~hospital~~approved location and its employees and agents are immune from any criminal or civil liability for accepting an abandoned infant under this section.
 8. If it appears the abandoned infant who was left was harmed, the department shall initiate an assessment of the matter as required by law.
 9. If an individual claiming to be the parent or the agent contacts the department and requests to be reunited with the abandoned infant who was left, the department may identify or contact the individual as required under this chapter and all other applicable laws. If an individual contacts the department seeking information only, the department may attempt to obtain information regarding the identity and medical history of the parents and may provide information regarding the procedures in ~~an abandoned~~a case involving an infant easewho was left at an approved location. The individual is under no obligation to respond to the request for information, and the department may not attempt to compel response to investigate the identity or background of the individual.
