

Introduced by

Representative B. Koppelman

1 A BILL for an Act to amend and reenact section 43-09-09 of the North Dakota Century Code,  
2 relating to regulation of electrical systems.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. AMENDMENT.** Section 43-09-09 of the North Dakota Century Code is  
5 amended and reenacted as follows:

6 **43-09-09. License required - Examination - Board to issue license - Reporting.**

7 ~~Every person, partnership, company, corporation, limited liability company, or association-~~  
8 ~~that undertakes or offers~~

9 1. A person that does not have a valid license issued by the board may not undertake or  
10 offer to undertake with another person to plan, lay out, supervise, install, make  
11 additions, make alterations, or make repairs, in the installation of wiring, apparatus, or  
12 equipment for electric light, heat, or power, shall apply to the board for a license. This  
13 licensure requirement does not include the planning, laying out, supervising, installing,  
14 making of additions to, making of alternations to, or making of repairs to a system,  
15 such as an audio system, video system, computer network system, home automation  
16 system, or security system, if the system is not for electric light, heat, or power.

17 2. The board shall examine thean applicant for licensure and, if, upon a technical and  
18 practical examination, the board determines the applicant is found to-  
19 possesspossesses the required knowledge and skill and to beis versed in the laws of  
20 electricity, the applicantboard shall be issuedissue the applicant a license in the class  
21 for which the applicant was examined. The board president shall sign the license shall  
22 be signed by the president and the secretary of the board and attestedshall attest the  
23 license by the seal of the board.

Sixty-sixth  
Legislative Assembly

- 1        3. Each licensee or permitholder shall report that person's licensing or renewals to the
- 2                electrical inspector, if there is one, in the municipality in which that person operates.
