6 amended and reenacted as follows:

7 **40-55-09. Voter-approved levy authority for city public recreation system.**

8 The governing body of a city may, and upon receipt of a petition signed by at least ten
9 qualified electors but not less than five percent of those qualified electors who voted at the last
10 general election of the city shall, submit to the qualified electors the question of approval or
11 disapproval of voter-approved levy authority for establishment, maintenance, and conduct of a

13 to be placed on the ballot is filed thirty days prior to the date of the election. The ballot measure
14 question to approve a levy under this section must be stated to ask if the elector approves a
15 voter-approved tax by the city for a public recreation system in a stated number of mills, not
16 exceeding six mills. If approved by a majority of city electors voting on the question, the city
17 may levy an additional tax within the limitation of subsection 13 of section 57-15-10. After
18 January 1, 2015, approval or reauthorization by electors of voter-approved levy authority under

22 electors after it was approved, whichever is less, under the provisions of law in effect at the time
23 it was approved. The governing body of the city shall discontinue the levy for public recreation
24 purposes if the qualified voters, at a regular or special election, by a majority vote on the
