The contractor shall provide reports on the status of the study at the request of the legislative management during the 2019-20 interim and shall provide a final report to the legislative management by October 1, 2020.

SECTION 20. A new section to chapter 6-09 of the North Dakota Century Code is created and enacted as follows:

Rebuilders home loan program - Rebuilders home loan fund - Continuing appropriation - Requirements.

1. There is created in the state treasury the rebuilders home loan fund administered by the Bank of North Dakota. The fund consists of all moneys transferred to the fund by the legislative assembly. All moneys in the fund are appropriated to the Bank on a continuing basis for the rebuilders home loan program.

2. The Bank shall develop policies to implement this section. The Bank shall make or participate in loans to North Dakota residents affected by river flooding in the state due to ice jams in the winter and spring of 2019. Loans are available for rebuilding the resident's flood-damaged home or rebuilding nonowner-occupied property. A loan from the fund must have the interest rate fixed at one percent per year for no more than twenty years. A loan made to a homeowner or owner of nonowner-occupied property under this section may not exceed the lesser of seventy-five thousand dollars or the actual amount of documented damage not paid by flood insurance. For purposes of this section, "nonowner-occupied property" means property consisting of one or more rental dwelling units, none of which is occupied by the owner, and does not include hotel or motel accommodations or any other commercial property. For a resident rebuilding the resident's flood-damaged home, up to twenty percent of the loan proceeds disbursed under this program may be used for debt service, debt retirement, or other credit obligations. For every loan made from the fund to a homeowner to rebuild or replace that individual's flood-damaged home, principal and interest payments must be deferred for the first twenty-four months of the loan. There is no deferral of principal and interest payments for a loan for nonowner-occupied property.
3. A resident homeowner or owner of nonowner-occupied property is eligible for a loan under this section only if the home or property is located in an area affected by river flooding in the state due to ice jams in the winter and spring of 2019. To qualify for a loan under this section, the owner of nonowner-occupied property must have been the owner at the time of the flooding event, and the number of rental dwelling units in the property rebuilt under this section must remain the same as before the flooding event. A loan to the owner of nonowner-occupied property must be secured by the property for which the loan is made.
4. An application for a loan from the fund must be made to the Bank or originating financial institution, and, upon approval, a loan must be made from the fund in accordance with this section. An application for a loan to a homeowner or for a loan for nonowner-occupied property under this section may not be accepted after September 30, 2020.
5. Repayments to the rebuilders home loan fund must be transferred annually to replenish the Bank's current earnings and undivided profits which were transferred to the rebuilders home loan fund. If, subsequent to receiving a loan from the fund, the property for which the loan was made is purchased for flood mitigation purposes or otherwise sold, the balance of the loan and any interest accrued on the loan must be repaid to the fund upon the closing of the sale. If the borrower provides financial evidence satisfactory to the Bank to show that the borrower does not have the financial ability to repay the loan in full upon sale of the property, after the sale of the property the Bank may allow the borrower to continue to make payments based on the loan terms.
6. The Bank may deduct, from interest payments received on loans, a service fee for administering the fund for the Bank and originating financial institutions. The Bank shall contract with a certified public accounting firm to audit the fund as necessary. The cost of the audit, and any other actual costs incurred by the Bank on behalf of the fund, must be paid by the fund.

SECTION 21. AMENDMENT. Section 54-17-40 of the North Dakota Century Code is amended and reenacted as follows:

54-17-40. Housing incentive fund - Continuing appropriation - Report to budget section.

1. The housing incentive fund is created as a special revolving fund at the Bank of North Dakota. The housing finance agency may direct

disbursements from the fund and a continuing appropriation from the fund is provided for that purpose.

2.
 - a. After a public hearing, the housing finance agency shall create an annual allocation plan for the distribution of the fund. At least ~~twenty-five~~^{fifteen} percent of the fund must be used to assist developing communities to address an unmet housing need or alleviate a housing shortage.
 - b. The annual allocation plan must give first priority ~~through its scoring and ranking process to housing for essential service workers. For purposes of this subsection, "essential service workers" means individuals employed by a city, county, school district, medical or long-term care facility, the state of North Dakota, or others as determined by the housing finance agency who fulfill an essential public service.~~
 - c. The second priority in the annual allocation plan must be to provide housing for individuals and families of low or moderate income. For purposes of this second priority, eligible income limits are determined as a percentage of median family income as published in the most recent federal register notice. Under this second priority, the annual allocation plan must give preference to projects that benefit households with the lowest income and to projects that have rent restrictions at or below department of housing and urban development published federal fair market rents or department of housing and urban development section 8 payment standards.
3. The housing finance agency shall adopt guidelines for the fund so as to address unmet housing needs in this state. Assistance from the fund may be used solely for:
 - a. New construction, rehabilitation, or acquisition of a multifamily housing project;
 - b. Gap assistance, matching funds, and accessibility improvements;
 - c. Assistance that does not exceed the amount necessary to qualify for a loan using underwriting standards acceptable for secondary market financing or to make the project feasible; and
 - d. Rental assistance, emergency assistance, or targeted supportive services designated to prevent homelessness.
4. Eligible recipients include units of local, state, and tribal government; local and tribal housing authorities; community action agencies; regional planning councils; and nonprofit organizations and for-profit developers of multifamily housing. Individuals may not receive direct assistance from the fund.
5. Except for subdivision d of subsection 3, assistance is subject to repayment or recapture under the guidelines adopted by the housing finance agency. Any assistance that is repaid or recaptured must be deposited in the fund and is appropriated on a continuing basis for the purposes of this section.
6. The agency may collect a reasonable administrative fee from the fund, project developers, applicants, or grant recipients. The origination fee assessed to grant recipients may not exceed five percent of the project award.
7. ~~The housing finance agency shall maintain a register reflecting the number of housing units owned or master leased by cities, counties, school districts, or other employers of essential service workers. This~~

~~register must also reflect those entities that are providing rent subsidies for their essential workers.~~

- 8. Upon request, the housing finance agency shall report to the industrial commission regarding the activities of the housing incentive fund.
- 9-8. At least once per biennium, the housing finance agency shall provide a report to the budget section of the legislative management regarding the activities of the housing incentive fund. ~~The report must include the following:~~
 - a. ~~The overall number of units owned, master leased, or subsidized by political subdivisions or other employers of essential service workers; and~~
 - b. ~~A listing of projects approved and the number of units within those projects that provide housing for essential service workers."~~

Information pertaining to the volume of grain handled is a confidential trade secret and is not a public record. The ~~commission~~ commissioner may make this information available for use by other governmental entities, but the information may not be released by those entities in a manner that jeopardizes the confidentiality of individual licensees.

2. File the report with the ~~commission~~commissioner not later than the last day of the following month. Failure to file this report promptly will be considered cause for revoking the grain buyer license after due notice and hearing.
3. Keep a separate account of the grain business, if the grain buyer is engaged in handling or selling any other commodity, and under no circumstances may the grain account and other accounts be mixed.

The ~~commission~~commissioner may refuse to renew a license to any grain buyer who fails to make a required report.

³ Funding of \$127 is reduced from the general fund to provide a salary equity increase of \$14,586, including increases for fringe benefits, for the Agriculture Commissioner. Of this amount, \$5,889 is related to a salary equity increase, the same salary equity increase provided to the State Treasurer. The Senate provided total funding for a salary equity increase for the Agriculture Commissioner of \$14,713 to align the Agriculture Commissioner's salary to the Tax Commissioner's salary. The House did not provide a salary equity increase for the Agriculture Commissioner.

⁴ The funding source for \$49,400 for wildlife services operating fees is changed to the environment and rangeland protection fund rather than the general fund to provide total funding of \$1,457,400 for wildlife services, the same amount as the Senate. The House also provided for this funding source change to provide a total of \$1,457,400 for the program.

⁵ Funding for the Agricultural Products Utilization Commission (APUC) is adjusted as follows:

Total funding approved by the Conference Committee for APUC is \$4 million, of which \$1,760,417 is from the APUC fund and \$2 million is one-time funding from the profits of the Bank of North Dakota for operating expenses and grants in the APUC line item. The remaining \$239,583 is from the general fund for salaries and benefits of 1 FTE in the salaries and wages line item.

The House approved \$4 million, of which \$2 million was from the APUC fund and \$2 million was one-time funding from the profits of the Bank of North Dakota, and 1 FTE position for the program. The Senate approved total funding of \$3,176,791 from the APUC fund and 2 FTE positions.

Total	\$728,499	\$125,000	\$853,499

These transfers were also provided for by the House.

⁷ One-time funding of \$100,000 is added from the general fund to pay the Public Service Commission to continue providing services related to grain insolvency litigation that began prior to July 1, 2019. This appropriation is provided in a separate section of the bill. The Senate and House did not provide funding for this purpose.

The House removed 1 FTE undesignated position and funding of \$157,940, of which \$123,517 was from the general fund, \$6,673 was from the Department of Agriculture operating fund, and \$27,750 was from federal funds. The Conference Committee did not remove this FTE positions.

This amendment also:

- Amends a section identifying the amount of funding from the environment and rangeland protection fund.
- Amends a section relating to the salary increase of the Agriculture Commissioner to provide a salary equity increase to the Agriculture Commissioner of \$5,889, increasing the current annual salary of \$108,656 to \$114,545 and to increase the salary to \$116,836 (2 percent) in fiscal year 2020 and to \$119,757 (2.5 percent) in fiscal year 2021.

- Adds a section related to the transfer of \$2 million from Bank of North Dakota profits to the APUC fund during the 2019-21 biennium, the same as the House version.
- Remove statutory sections related to APUC, the same as the House version. The statutory changes needed to move APUC from the Department of Commerce to the Agriculture Commissioner are included in Senate Bill No. 2328.
- Adds a section to provide a one-time appropriation of \$100,000 from the general fund for the purpose of paying the Public Service Commission to continue providing services related to grain insolvency litigation that began prior to July 1, 2019. The Senate and House did not provide funding for this purpose.
- Adds statutory sections to transfer grain, grain buyers, warehousing, deposits, and warehousemen programs from the Public Service Commission to the Agriculture Commissioner and increases annual license fees, resulting in additional general fund revenues of approximately \$83,200 during the 2019-21 biennium. The House also included this section.

COMMUNICATION FROM GOVERNOR DOUG BURGUM

This is to inform you that on April 26, 2019, I have signed the following: SB 2017 and SB 2022.

REMARKS OF SENATE MAJORITY LEADER WARDNER

Mr. President:

This has been a legislative session that will go down in history as one that can be characterized as cooperative, professional, and respectful and by high work ethic and integrity. I personally want to thank the following people:

Committee clerks - You are the engine that keeps the legislative process moving. Thank you for your dedicated work!

Committee interns - You provide the assistance to the chairpersons and committee clerks. Thank you for your contribution!

Pages and sergeants-at-arms - You have maintained an orderly and professional atmosphere here in the Senate. Thank you for your pride and personal attention to the Senate chambers.

Front desk staff - Wow, what a job!! You make us all look good! Thank you for your professionalism and your steady hand.

Office staff (Majority and Minority) - Kathy and Renae, you are both rock stars! You both keep the mental health of the Senate positive.

Legislative Council - What a great talented and dedicated group of professionals. You are truly the best!!

To my colleagues in the loyal opposition, you were truly the loyal opposition. You dug in beside the majority and worked as partners for the benefit of the people of North Dakota. Your cooperation, service attitude and professionalism did not go unnoticed. Thank you for all your work.

To my colleagues in the majority, you have displayed an attitude of professionalism, reaching out to make the minority party a partner. Your leadership and professionalism is most appreciated. You know how to get things done.

All of you in the majority and minority party have served the people of North Dakota, and not for personal reasons. I feel the Senate can feel good in achieving important milestones in the areas of infrastructure, behavioral health, re-insurance, K-12 funding, county social service final transfer to the Department of Human Services, funding of water projects, UAS, presidential library, building package and a salary package that will have a big benefit to lower-paid state employees.

Areas of concern as we go forward would be state highway funding, K-12 funding, research, low interest infrastructure fund, and we need to find ways to be more efficient in funding long term care.

I feel we have much to feel good about, but the challenges never end; therefore, we need to go get some R and R and then go back to work for the people of the State of North Dakota.

Thank you! God Bless all of you!

REMARKS OF SENATE MINORITY LEADER HECKAMAN

Mr. President:

As we close out the 66th Legislative Session I want start with a lot of thank yous.

To the Governor: Thank you for always taking the time to hear my concerns and those of my caucus. I know that I will not be getting tickets to the opening of the TR Library, but your kind response to me the following day speaks to your humanity and thoughtfulness.

To you, Mr. President, for keeping us in line and on task. We appreciate your steady leadership and attention to detail.

To my leadership team: Thanks to my assistant leader and caucus chair. The three of us have had our heads together several time and always to serve North Dakota with good policy and sufficient funding or maybe just to eat fruit rollups!

To my caucus: Thanks for your hard work. If you have not been in the minority, I am sure you would not enjoy carrying the work load these senators carry daily, carrying your bills to committee, to the floor, to caucus, and working for your district. I applaud your tenacity and dedication to North Dakota. Thanks for having confidence in me this session.

To my office staff: What a wonderful group to have each day working for North Dakota. My administrative assistant, research assistant and communications director work collaboratively to ensure this is a smooth-running machine. Thanks.

To the front desk: Your work makes our work easier. One day I know you will acknowledge Senator Robinson as he waves his hand to "start our engines."

To Renae: Thank you for your kindness and smile as I bop into the office any time-looking for an audience with the leader.

To the Majority Leader and your leadership team: It is a pleasure to work with you this legislative session. Thanks for keeping me in the loop. I wish you and your families a lovely summer, and I look forward to working with you over the interim.

Also, thanks to the gals in the supply room and kiosk, thanks for your work for our chamber. And the guys in back of the chamber: You always make us feel at ease.

To our friends and colleagues across the hall: Thank you for the challenges and supports during the session. Without both, the work of the people would not be successful.

To our lobbyists and observers: Your work is crucial in providing information to us and keeping us on the right path.

To the media: What can I say? You are always looking for sound bites that make the headlines. And often you get some doozies! Thanks for putting information out to the public.

To Legislative Council and IT: You are crucial to the work we do. Thanks for always being ready, willing, and able to assist us at a minute's notice. Amendments are being prepared for this speech as I speak! No, not really!

To my fellow Senators: Thank you for the privilege of working with all of you. It has been a great honor to serve with you. The collaboration this session is like none I have ever seen before. We have continued to work together to bring better policy forward for the greater good of our state. Not always agreeing is a good thing. It brings out many more ideas and initiatives than if we always agreed on everything. And in the end, we remain friends and colleagues. I am proud to serve with all of you.

And to all of our families! We will see you soon. None of us can do the work we do here without support from our families. We miss important milestones, activities, and events that we cannot recreate. We know that our absence often causes heartache, but we love the support you give to us as we work here for our districts and state.

Thank you, great friends! It has been an outstanding 66th Session. I look forward to working with you during the interim, and may our paths meet again in many ways.

REMARKS OF PRESIDENT SANFORD

I want to thank Senator Wardner and Senator Heckaman for your leadership. It's a cooperative place because of your attitudes and work styles.

I also want to thank the folks who made the floor sessions run so smoothly, from Legislative Council to Renae and all of the front desk staff, to Senator Klein, Shanda, and to Joe Wolf.

To all of the Senators: It's truly an honor to serve with you in this noble endeavor. We all strive, in these eighty days, to pass legislation that improves the lives of the citizens of North Dakota.

We accomplished a lot in this session, for education, recreation, infrastructure, behavioral health, taxes, human services, agriculture, energy, and emerging technologies. And we took our first steps in the direction of making Legacy Investments.

Tomorrow we start implementing the new policies, and we begin our interim work for next session. So I wish all of you a great summer, a great interim, and we shall see a lot of you back here and ready to go in a short 560 days!
