Sixty-seventh Legislative Assembly of North Dakota

## **SENATE BILL NO. 2269**

Introduced by

Senator Poolman

Representative Martinson

A BILL for an Act to create and enact a new section to chapter 15.1-27 of the North Dakota
Century Code, relating to school district payments to postsecondary transitional programs for
students on individualized education programs; and to amend and reenact section 15.1-27-03.1
of the North Dakota Century Code, relating to the addition of students on individualized
education programs enrolled in postsecondary transitional programs to the weighted average
daily membership calculation.for an Act to create and enact a new section to chapter 15.1-32 of
the North Dakota Century Code, relating to a postsecondary transitional grant program.

## 8 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

9	SECTION 1. AMENDMENT. Section 15.1-27-03.1 of the North Dakota Century Code is				
10	amended and reenacted as follows:				
11	— 15.1-27-03.1. Weighted average daily membership - Determination. (Effective through				
12	<del>June 30, 2021)</del>				
13	1. For each school district, the superintendent of public instruction shall multiply by:				
14	a. 1.00 the number of full-time equivalent students enrolled in an extended-				
15	educational program in accordance with section 15.1-32-17;				
16	b. 0.60 the number of full-time equivalent students enrolled in a summer education-				
17	program, including a migrant summer education program;				
18	c. 0.40 the number of full-time equivalent students who:				
19	(1) On a test of English language proficiency approved by the superintendent of				
20	public instruction are determined to be least proficient and placed in the first				
21	of six categories of proficiency; and				
22	(2) Are enrolled in a program of instruction for English language learners;				
23	d. 0.28 the number of full-time equivalent students who:				

## Sixty-seventh Legislative Assembly

1	(1) On a test of English language proficiency approved by the superintendent of
2	public instruction are determined to be more proficient than students placed
3	in the first of six categories of proficiency and therefore placed in the second-
4	of six categories of proficiency; and
5	(2) Are enrolled in a program of instruction for English language learners;
6	e. 0.25 the number of full-time equivalent students under the age of twenty-one
7	enrolled in grades nine through twelve in an alternative high school;
8	f. 0.20 the number of full-time equivalent students enrolled in a home-based
9	education program and monitored by the school district under chapter 15.1-23;
10	g. 0.17 the number of full-time equivalent students enrolled in an early childhood
11	special education program;
12	h. 0.15 the number of full-time equivalent students in grades six through eight
13	enrolled in an alternative education program for at least an average of fifteen
14	hours per week;
15	i. 0.10 the number of students enrolled in average daily membership, if the district
16	has fewer than one hundred students enrolled in average daily membership and
17	the district consists of an area greater than two hundred seventy-five square-
18	miles [19424.9 hectares], provided that any school district consisting of an area
19	greater than six hundred square miles [155399 hectares] and enrolling fewer than
20	fifty students in average daily membership must be deemed to have an
21	enrollment equal to fifty students in average daily membership;
22	j. 0.082 the number of students enrolled in average daily membership, in order to
23	support the provision of special education services;
24	k. 0.07 the number of full-time equivalent students who:
25	(1) On a test of English language proficiency approved by the superintendent of
26	public instruction are determined to be more proficient than students placed
27	in the second of six categories of proficiency and therefore placed in the
28	third of six categories of proficiency;
29	(2) Are enrolled in a program of instruction for English language learners; and
30	(3) Have not been in the third of six categories of proficiency for more than
31	three years;

1	I. 0.025 the number of students representing that percentage of the total number of
2	students in average daily membership which is equivalent to the three-year-
3	average percentage of students in grades three through eight who are eligible for
4	free or reduced lunches under the Richard B. Russell National School Lunch Act-
5	[42 U.S.C. 1751 et seq.];
6	m. 0.002 the number of students enrolled in average daily membership in a school-
7	district that is a participating member of a regional education association meeting
8	the requirements of chapter 15.1-09.1; and
9	n. 0.50 the number of students by which the district's September tenth enrollment
10	report exceeds the number of students in the prior year's average daily-
11	membership.
12	2. The superintendent of public instruction shall determine each school district's weighted
13	average daily membership by adding the products derived under subsection 1 to the
14	district's average daily membership.
15	— Weighted average daily membership - Determination. (Effective after June 30, 2021)
16	1. For each school district, the superintendent of public instruction shall multiply by:
17	a. 1.00 the number of full-time equivalent students enrolled in an extended-
18	educational program in accordance with section 15.1-32-17;
19	b. 0.60 the number of full-time equivalent students enrolled in a summer education
20	program, including a migrant summer education program;
21	c. 0.40 the number of full-time equivalent students who:
22	(1) On a test of English language proficiency approved by the superintendent of
23	public instruction are determined to be least proficient and placed in the first
24	of six categories of proficiency; and
25	(2) Are enrolled in a program of instruction for English language learners;
26	d. 0.28 the number of full-time equivalent students who:
27	(1) On a test of English language proficiency approved by the superintendent of
28	public instruction are determined to be more proficient than students placed
29	in the first of six categories of proficiency and therefore placed in the second-
30	of six categories of proficiency; and
31	(2) Are enrolled in a program of instruction for English language learners;

**SECTION 1.** A new section to chapter 15.1-32 of the North Dakota Century Code is created and enacted as follows:

Postsecondary transitional grant program - Students.

The superintendent of public instruction shall provide payments to postsecondary transitional programs for eligible students enrolled in a postsecondary transitional program within the state. For purposes of this section, "eligible student" means a student with a documented intellectual or developmental disability who is at least eighteen years of age but has not reached the age of twenty-one, who has graduated high school or obtained an equivalent degree, and who enrolls in a postsecondary transitional program. Grant payments under this section may not exceed the per student rate under section 15.1-27-04.1. The superintendent of public instruction shall review and approve postsecondary transitional programs and develop a system for the distribution of payments necessary to implement this section.
