ROLL CALL

The roll was called manually and all members were present except Representatives P. Anderson, Becker, Boe, Guggisberg, Hager, and Schneider.

MOTION

REP. LOUSER MOVED that a committee of two be appointed to escort Justice Jerod Tufte to the rostrum to administer the Oath of Office to newly elected members and newly appointed members, which motion prevailed.

SPEAKER KLEMIN APPOINTED Reps. Roers Jones and Dobervich to the escort committee.

OATH OF OFFICE

JUSTICE JEROD TUFTE ADMINISTERED the Oath of Office to the newly elected members and newly appointed members.

MOTION

REP. LOUSER MOVED that the House adopt as temporary rules the House and Joint Rules of the 66th Legislative Assembly as adopted on December 5, 2018, and amended on January 28, 2019, and amended to include amendments to House Rules 102, 201, 303, 305, 321, 360 and 361, and Joint Rule 801 to authorize remote voting, remote participation in committee hearings and floor sessions, and limiting guests and others in the chamber, which motion prevailed.

SECTION 1. AMENDMENT. House Rule 102 is amended as follows:

102. Absence and presence. As used in these rules, "absent" means not present, and "present" means being physically in the chamber or room where the session or meeting is being held, and for purposes of a committee meeting, includes participation or participating in the session or meeting by means of interactive video or teleconference call. A member

present and participating remotely has the same rights, privileges, and duties as a member physically present, is deemed to be "on the floor" for purposes of floor sessions, and may vote remotely. No member or officer of the House, unless unable to attend due to illness or other cause, may be absent from a session of the House, during an entire day, without first having obtained leave from the House, and no one is entitled to draw pay while absent more than one day without leave.

SECTION 2. AMENDMENT. Subsection 2 of House Rule 201 is amended as follows:

2. Preserve order and decorum. In case of disorderly conduct or disturbance in the galleries or the corridors, the Speaker or the chairman of the Committee of the Whole may order the galleries or corridors to be cleared. The Speaker or the chairman of the Committee of the Whole may limit the number of individuals in the galleries or corridors, require spacing between individuals in the galleries or corridors, or take other actions to promote health and safety in the House chamber.

SECTION 3. AMENDMENT. House Rule 303 is amended as follows:

303. Call of the House.

1. Thirty-two members of the House may cause a call of the House to be ordered and absent members to be sent for, but a call may not be ordered while a vote is being taken.
2. The call being requested, the Speaker shall require those desiring the call to rise or raise their hands, and if thirty-two or more members rise or raise their hands, the call must be ordered.
3. The call being ordered, the Sergeant-at-Arms shall close the door and allow no members to leave the chamber. No member present and participating remotely may leave the remote proceeding.
4. The Chief Clerk shall then call the roll and furnish the Sergeant-at-Arms with a list of those members absent without leave, and that officer shall proceed to find and bring in those absentees or compel the absentees' remote participation.
5. While the House is under call, no business can be transacted except to receive and act on the report of the Sergeant-at-Arms and no motion is in order except a motion to suspend further proceedings under the call, and the motion may not be adopted unless a majority of all members-elect vote in favor of the motion.
6. Upon a report of the Sergeant-at-Arms showing that all members who were absent without leave, naming them, are present, the call is at an end, the door must be opened, and the House shall proceed with the business pending at the time the call was made.

SECTION 4. AMENDMENT. House Rule 305 is amended as follows:

305. Recognition by the Speaker. Every member ~~desiring~~ who is present physically and wishes to speak shall so indicate by pressing the "speak" button on the member's desk. If the "speak" button does not work, the member may rise and, respectfully address the Speaker, and shall remain standing in place before proceeding to speak until recognized by the Speaker. Every member who is present and participating remotely and wishes to speak shall so indicate by the means designated by the Speaker and shall wait to speak until recognized by the Speaker. When two or more members ~~rise~~ indicate a wish to speak at the same time ~~to speak~~, the Speaker shall designate the member who is to speak first, but in all other cases the member who rises first ~~and~~ addresses the Speaker must be the first recognized.

SECTION 5. AMENDMENT. House Rule 321 is amended as follows:

321. Vote by members. Every member who is present, before the vote is announced from the chair, shall vote for or against the question before the House, unless the House excuses the member. A member cannot cast a vote on behalf of another member unless the vote is cast according to verbal instructions announced to the House by that other member

while in the chamber present. However, any member who has a personal or private interest in any measure or bill shall disclose the fact to the House and may not vote thereon without the consent of the House. A "personal or private interest" is an interest that affects the member directly, individually, uniquely, and substantially.

SECTION 6. AMENDMENT. House Rule 360 is amended as follows:

360. Electrical voting system and remote voting. Unless otherwise ordered, any vote may be taken by means of the electrical voting system, which is under the control of the Speaker. A member who is present and participating remotely may vote using a system established for that purpose. The system must provide means to record and make public the member's roll call votes.

SECTION 7. AMENDMENT. House Rule 361 is amended as follows:

361. Guests - Introduction and announcement - Limitations.

1. Introduction of guests in the House is limited to those individuals called on to address the House and former members of the Legislative Assembly. ~~The presence of other guests in groups may be announced daily on the electronic message boards.~~
2. ~~No person may be admitted to the floor of the House except state officers; justices of the Supreme Court and judges of the district courts; present and former members of Congress; present and former members of the Legislative Assembly; present officers and officials; all employees of both houses of the Legislative Assembly; reporters for newspapers; and any other person granted admission by the Speaker.~~
3. ~~No member may have more than one guest on the floor during any period guests are restricted under House Rule 205. No member may have more than one guest in the morning on the floor during a session and one guest in the afternoon on the floor during a session. The guest must be seated with the member at the time the session convenes and may not leave the floor during debate. No guest may be seated with the member after that member's original guest for that session leaves the floor.~~
4. ~~For the purposes of this rule, the floor of the House is all of the first floor of the House chamber in front of the railing. No other guests are allowed on the first floor of the chamber in front of the railing.~~

SECTION 8. AMENDMENT. Joint Rule 801 is amended as follows:

801. Open legislative meetings. All meetings of the Legislative Assembly and its committees, including interim legislative committees, are open to the public and the press at all times when pending or proposed legislation is being considered. A meeting available via teleconference call or electronic means is open to the public and the press provided the audio of the meeting may be heard in real time.

MOTION

REP. LOUSER MOVED that the House adopt as a temporary rule the addition of House Rule 364 requiring the wearing of a face mask or shield covering the nose and mouth completely in the chamber and other areas controlled by the Legislative Assembly.
