POINT OF PERSONAL PRIVILEGE

REP. HANSON rose on a point of personal privilege.

REMARKS OF REPRESENTATIVE HANSON

MR. SPEAKER: Over the past year, the pandemic has greatly affected our lives. It has been incredibly challenging for many of North Dakota's families, businesses, schools and health care providers. Businesses have worked hard to adapt, and some even closed their doors. Teachers stepped up as some of our schools moved online or to a hybrid model. Families have struggled because of these challenges – some have lost jobs and many have not been able to see and hug their loved ones. Nearly 100,000 North Dakotans have tested positive for COVID-19 – some falling ill for a short while and others requiring hospitalization and suffering long-term health effects. But the worst effect of the virus by far has been the loss of life. More than 500,000 Americans have died - including 1,440 North Dakotans. Please join me in a moment of silence as we remember our family, friends and neighbors whose lives were cut short and their families who are grieving their loss.

MOTION

REP. LOUSER MOVED that the remarks of Rep. Hanson be printed in the Journal, which motion prevailed on a voice vote.
