1. In addition to the other preferred provider arrangement requirements under this chapter, a preferred provider arrangement must require the health care insurer and health care provider comply with this section.
2. Except as otherwise provided under this section, before a health care provider arranges for air ambulance services for an individual the health care provider knows to be a covered person, the health care provider shall request a prior authorization from the covered person's health care insurer for the air ambulance services to be provided to the covered person. If the health care provider is unable to request or obtain prior authorization from the covered person's health care insurer:
 - a. The health care provider shall provide the covered person or the covered person's authorized representative an out-of-network services written disclosure stating the following:
 - (1) Certain air ambulance providers may be called upon to render care to the covered person during the course of treatment;
 - (2) These air ambulance providers might not have contracts with the covered person's health care insurer and are, therefore, considered to be out of network;
 - (3) If these air ambulance providers do not have contracts with the covered person's health care insurer, the air ambulance services will be provided on an out-of-network basis;
 - (4) A description of the range of the charges for the out-of-network air ambulance services for which the covered person may be responsible;

 - b. Before air ambulance services are accessed for the covered person, the health care provider shall provide the covered person or the covered person's authorized representative the written disclosure, as

outlined by subdivision a and obtain the covered person's or the covered person's authorized representative's signature on the disclosure document acknowledging the covered person or the covered person's authorized representative received the disclosure document before the air ambulance services were accessed.  - a. ~~A health care insurer may elect to pay out-of-network air ambulance provider bills as submitted, or the health care insurer may elect to use the out-of-network air ambulance provider mediation process described in subsection 5.~~
 - b. ~~This section does not preclude a health care insurer and an out-of-network facility air ambulance provider from agreeing to a separate payment arrangement.~~

A health benefit plan may not be issued in this state if the terms of the health benefit plan do not include the provisions of the health care insurer's air ambulance provider mediation process for payment of out-of-network air ambulance provider bills.~~
 - a. ~~A health care insurer's air ambulance provider mediation process must be established in accordance with mediation standards recognized by the department by rule.~~
 - b. ~~If the health care insurer and the out-of-network air ambulance provider agree to a separate payment arrangement or if the covered person agrees to accept and pay the out-of-network air ambulance provider's charges for the out-of-network services, compliance with the air ambulance provider mediation process is not required.~~
