The operating expenses line item in section 1 of this Act includes the sum of \$25,000 from the general fund for defraying veterans' home resident costs while residents are absent from the veterans' home. This funding is considered a one-time funding item. It is the intent of the sixty-seventh legislative assembly that the veterans' home governing board increase the number of days a resident is authorized to be absent from the veterans' home without incurring a per diem cost from seven consecutive days to fourteen consecutive days. It is further the intent of the sixty-seventh legislative assembly that any future funding requests from the veterans' home for this purpose be requested from the Melvin Norgard memorial fund.

SECTION 5. AMENDMENT. Section 54-59-05 of the North Dakota Century Code is amended and reenacted as follows:

54-59-05. Powers and duties of department. (Effective through July 31, 2023)

The department:

1. Shall provide, supervise, and regulate information technology of all executive branch state entities, excluding the institutions under the control of the board of higher education and the veterans' home.
2. Shall provide network services in a way that ensures the network requirements of a single entity do not adversely affect the functionality of the whole network, facilitates open communications with the citizens of the state, minimizes the state's investment in human resources, accommodates an ever-increasing amount of traffic, supports rapid detection and resolution of problems, protects the network infrastructure from damage and security breaches, provides for the aggregation of data, voice, video, and multimedia into a statewide transport mechanism or backbone, and provides for the network support for the entity to carry out its mission.
3. May review and approve additional network services that are not provided by the department.
4. May purchase, finance the purchase, or lease equipment, software, or implementation services or replace, including by trade or resale, equipment or software as may be necessary to carry out this chapter. With the exception of agreements entered related to the statewide

interoperable radio network, an agreement to finance the purchase of software, equipment, or implementation services may not exceed a period of five years. The department shall submit any intended financing proposal for the purchase of software, equipment, or implementation services under this subsection, which is in excess of one million dollars, to the legislative assembly or the budget section if the legislative assembly is not in session before executing a financing agreement. Any request considered by the budget section must comply with section 54-35-02.9. If the legislative assembly or the budget section does not approve the execution of a financing agreement, the department may not proceed with the proposed financing arrangement. With the exception of financing for the statewide interoperable radio network, the department may finance the purchase of software, equipment, or implementation services only to the extent the purchase amount does not exceed seven and one-half percent of the amount appropriated to the department during that biennium.

5. Shall review requests for lease, purchase, or other contractual acquisition of information technology as required by this subsection. Each executive branch agency or institution, excluding the institutions under the control of the board of higher education, shall submit to the department, in accordance with guidelines established by the department, a written request for the lease, purchase, or other contractual acquisition of information technology. The department shall review requests for conformance with the requesting entity's information technology plan and compliance with statewide policies and standards. If the request is not in conformance or compliance, the department may disapprove the request or require justification for the departure from the plan or statewide policy or standard.
6. Shall provide information technology, including assistance and advisory service, to the executive, legislative, and judicial branches. If the department is unable to fulfill a request for service from the legislative or judicial branch, the information technology may be procured by the legislative or judicial branch within the limits of legislative appropriations.
7. Shall request and review information, including project startup information summarizing the project description, project objectives, business need or problem, cost-benefit analysis, and project risks and a project closeout information summarizing the project objectives achieved, project budget and schedule variances, and lessons learned, regarding any major information technology project of an executive branch agency. The department shall present the information to the information technology committee on request of the committee.
8. May request and review information regarding any information technology project of an executive branch agency with a total cost of between one hundred thousand and five hundred thousand dollars as determined necessary by the department. The department shall present the information to the information technology committee on request of the committee.
9. Shall study emerging technology and evaluate its impact on the state's system of information technology.
10. Shall develop guidelines for reports to be provided by each agency of the executive, legislative, and judicial branches, excluding the institutions under the control of the board of higher education, on information technology in those entities.
11. Shall collaborate with the state board of higher education on guidelines for reports to be provided by institutions under control of the state board of higher education on information technology in those entities.
12. Shall perform all other duties necessary to carry out this chapter.

13. May provide wide area network services to a state agency, city, county, school district, or other political subdivision of this state. The information technology department may not provide wide area network service to any private, charitable, or nonprofit entity except the information technology department may continue to provide the wide area network service the department provided to the private, charitable, and nonprofit entities receiving services from the department on January 1, 2003.
14. Shall assure proper measures for security, firewalls, and internet protocol addressing at the state's interface with other facilities.
15. Notwithstanding subsection 13, may provide wide area network services for a period not to exceed four years to an occupant of a technology park associated with an institution of higher education or to a business located in a business incubator associated with an institution of higher education.
16. Shall advise and oversee cybersecurity strategy for all executive branch state agencies, including institutions under the control of the state board of higher education, counties, cities, school districts, or other political subdivisions. For purposes of this subsection, the department shall consult with the attorney general and the veterans' home on cybersecurity strategy.
17. Shall advise and consult with the legislative and judicial branches regarding cybersecurity strategy.

Powers and duties of department. (Effective after July 31, 2023)

The department:

1. Shall provide, supervise, and regulate information technology of all executive branch state entities, excluding the institutions under the control of the board of higher education and the veterans' home.
2. Shall provide network services in a way that ensures the network requirements of a single entity do not adversely affect the functionality of the whole network, facilitates open communications with the citizens of the state, minimizes the state's investment in human resources, accommodates an ever-increasing amount of traffic, supports rapid detection and resolution of problems, protects the network infrastructure from damage and security breaches, provides for the aggregation of data, voice, video, and multimedia into a statewide transport mechanism or backbone, and provides for the network support for the entity to carry out its mission.

General fund	\$10,400	\$25,000	\$0	\$35,400
FTE	0.00	0.00	0.00	0.00

¹ Salaries and wages funding is adjusted for 2021-23 biennium salary increases of 1.5 percent on July 1, 2021, with a minimum monthly increase of \$100 and 2 percent on July 1, 2022. The Senate provided salary adjustments of 2 percent with a minimum monthly increase of \$80 and a maximum monthly increase of \$300 on July 1, 2021, and 2 percent on July 1, 2022.

² One-time funding of \$25,000 from the general fund is added for the cost of resident absences when a resident is away from the Veterans' Home for an extended period of time. If a resident is absent from the Veterans' Home for 4 consecutive days, the United States Department of Veterans Affairs (VA) will not pay the Veterans' Home per diem for that resident for the days in excess of the first 4 days, resulting in the Veterans' Home charging residents for the cost of per diem not received by the VA. The Veterans' Home Governing Board recently extended the policy to allow residents to be absent for up to 7 consecutive days. This amendment provides funding to allow residents to be absent for 7 additional consecutive days, resulting in a total of 14 consecutive days allowed at no cost to the resident. The Senate did not provide funding for this purpose.

³ One-time funding of \$131,500 from the soldiers' home fund is provided to allow the Veterans' Home to replace thermostats in the facility. The Senate authorized this funding for a basic care flooring project.

This amendment also:

- Adds a section to identify one-time funding of \$25,000 from the general fund to defray Veterans' Home resident costs while residents are absent from the Veterans' Home. The section provides legislative intent that the Veterans' Home Governing Board increase the number of days a resident is authorized to be absent from the Veterans' Home without incurring a per diem cost for the absence from 7 to 14 days. Further intent is provided that any future funding requests from the Veterans' Home for this purpose be requested from the Melvin Norgard memorial fund.
- Amends North Dakota Century Code Section 54-59-05 to exclude information technology of the Veterans' Home from being required to be provided by, supervised by, and regulated by the Information Technology Department. The Information Technology Department is required to consult with the Veterans' Home regarding cybersecurity strategy.
- Amends Section 54-59-22 to exclude email, file and print administration, database administration, application server, and hosting services of the Veterans' Home from being required to be provided by the Information Technology Department.
- Provides an exemption to allow the Veterans' Home to continue \$20,700 appropriated from the soldiers' home fund for the purchase of a dryer during the 2019-21 biennium into the 2021-23 biennium.
- Provides an exemption to allow the Veterans' Home to continue \$54,925 appropriated from the soldiers' home fund for the 2019-21 biennium for the demolition of the administrator's residence into the 2021-23 biennium for purchasing security cameras, humidifiers, and a building automation system.

"SECTION 4. AMENDMENT. Section 54-10-14 of the North Dakota Century Code is amended and reenacted as follows:

54-10-14. Political subdivisions - Audits - Fees - Alternative audits and reports.

1. The state auditor shall audit the following political subdivisions once every two years, except as provided in this section or otherwise by law:
 - a. Counties.
 - b. Cities, and when a city is audited, to include any political subdivision that was created by the city and has bonding authority.
 - c. Park districts.
 - d. School districts.
 - e. Firefighters relief associations.
 - f. Airport authorities.
 - g. Public libraries.
 - h. Water resource districts.
 - i. Garrison Diversion Conservancy District.
 - j. Rural fire protection districts.
 - k. Special education districts.
 - l. Area career and technology centers.
 - m. Correction centers.
 - n. Recreation service districts.
 - o. Weed boards.
 - p. Irrigation districts.
 - q. Rural ambulance service districts.
 - r. Southwest water authority.
 - s. Regional planning councils.
 - t. Soil conservation districts.
 - u. Western area water supply authority industrial water sales on an annual basis.
2. The state auditor shall charge the political subdivision an amount equal to the fair value of the audit and any other services rendered. The fees must be deposited in the state auditor operating account. The state treasurer shall credit the state auditor operating account with the amount of interest earnings attributable to the deposits in that account. Expenses relating to political subdivision audits must be paid from the state auditor operating account, within the limits of legislative appropriation.
3. In lieu of conducting an audit every two years, the state auditor may require annual reports from school districts with less than one hundred

enrolled students; cities with less than five hundred population; and other political subdivisions subject to this section, or otherwise provided by law, with less than ~~three hundred~~seven hundred fifty thousand dollars of annual receipts, excluding any federal funds passed through the political subdivision to another entity. If any federal agency performs or requires an audit of a political subdivision that receives federal funds to pass through to another entity, the political subdivision shall provide a copy to the state auditor upon request by the state auditor. The reports must contain the financial information required by the state auditor. The state auditor also may make any additional examination or audit determined necessary in addition to the annual report. When a report is not filed, the state auditor may charge the political subdivision an amount equal to the fair value of the additional examination or audit and any other services rendered. The state auditor may charge a political subdivision a fee not to exceed ~~eighty~~eighty-six dollars an hour for the costs of reviewing the annual report.

4. A political subdivision, at the option of its governing body, may be audited by a certified public accountant or licensed public accountant rather than by the state auditor. The public accountant shall comply with generally accepted government auditing standards for audits of political subdivisions. The report must be in the form and content required by the state auditor. The number of copies of the audit report requested by the state auditor must be filed with the state auditor when the public accountant delivers the audit report to the political subdivision. The state auditor shall review the audit report to determine if the report is in the required form and has the required content, and if the audit meets generally accepted government auditing standards. The state auditor also may periodically review the public accountant's workpapers to determine if the audit meets generally accepted government auditing standards. If the report is in the required form and has the required content, and the report and workpapers comply with generally accepted government auditing standards, the state auditor shall accept the audit report. The state auditor may charge the political subdivision a fee of up to ~~eighty~~eighty-six dollars an hour, but not to exceed ~~five~~six hundred dollars per review, for the related costs of reviewing the audit report and workpapers.
5. A political subdivision may not pay a public accountant for an audit until the state auditor has accepted the audit. However, a political subdivision may make progress payments to the public accountant. A political subdivision shall retain twenty percent of any progress payment until the audit report is accepted by the state auditor.
6. The state auditor may require the correction of any irregularities, objectionable accounting procedures, or illegal actions on the part of the governing board, officers, or employees of the political subdivision disclosed by the audit report or workpapers, and failure to make the corrections must result in audits being resumed by the state auditor until the irregularities, objectionable accounting procedures, or illegal actions are corrected.

SECTION 5. AMENDMENT. Section 54-10-27 of the North Dakota Century Code is amended and reenacted as follows:

54-10-27. Occupational and professional boards - Audits and reports.

The governing board of any occupational or professional board shall provide for an audit once every two years by a certified public accountant or licensed public accountant. The accountant conducting the audit shall submit the audit report to the state auditor's office. If the report is in the form and style prescribed by the state auditor, the state auditor may not audit that board. An occupational or professional board may request the state auditor to conduct its audit, and if the state auditor agrees to conduct the audit, the state auditor shall deposit the fees charged to the occupational or professional board into the state auditor operating account. Instead

of providing for an audit every two years, an occupational or professional board that has less than two hundred thousand dollars of annual receipts may submit an annual report to the state auditor. The report must contain the information required by the state auditor. The state auditor also may make any additional examination or audit determined necessary in addition to the annual report. When a report is not filed, the state auditor may charge the occupational or professional board an amount equal to the fair value of the additional examination or audit and any other services rendered. The state auditor may charge an occupational or professional board a fee not to exceed ~~fifty-eighty-six~~ dollars an hour for the costs of reviewing the annual report."
