- 23 1. Each person engaged in or conducting business as an adult-use cannabis business in  
24 this state shall file with the tax commissioner an application for a permit. Every

1           application for a permit must be made on a form prescribed by the tax commissioner  
2           and must identify the business name, the location of the applicant's place or places of  
3           business, proof of registration with the department, and other information required by  
4           the tax commissioner. The application must be signed by the owner if a natural

8           assignable and must be displayed conspicuously at the place of business.

9           2. The tax commissioner shall require any person required to file and pay tax under this  
10           chapter to file a bond with the tax commissioner, issued by a surety company

12           commissioner as to solvency and responsibility in an amount as the tax commissioner

14           due from the person. In lieu of a bond, securities approved by the tax commissioner in  
15           an amount as prescribed by the tax commissioner may be deposited with the tax  
16           commissioner. The securities must be kept in the custody of the tax commissioner and  
17           may be sold by the tax commissioner at public or private sale without notice to the  
18           depositor if it becomes necessary to recover any tax, interest, or penalty due. All  
19           moneys deposited as security with the tax commissioner under this subsection must  
20           be paid by the tax commissioner to the state treasurer and must be credited by the  
21           state treasurer into a special fund to be known as the adult-use cannabis business  
22           security trust fund. If any tax, interest, penalty, or costs imposed by this chapter are  
23           not paid when due, the tax commissioner shall certify that information to the director of  
24           the office of management and budget who shall transmit the money to the tax  
25           commissioner. The tax commissioner shall apply the money deposited by the person  
26           or so much as is necessary to satisfy the amount due. If the tax commissioner  
27           determines it is no longer necessary to require the deposit to be maintained by the  
28           person, the tax commissioner shall certify that information to the director of the office  
29           of management and budget who shall pay the unused money to the person entitled to  
30           receive the money.

1        **57-36.2-03. Suspension or revocation of registration certificate and permit.**

2        The department may suspend or revoke the registration certificate and the tax  
3 commissioner may suspend or revoke the permit of any adult-use cannabis business for failure

5 or the department.

6        **57-36.2-04. Dispensary gross receipts tax imposed.**

- 7        1. There is imposed a tax of fifteen percent upon the gross receipts of adult-use cannabis  
8 products. The tax is measured by a dispensary's gross receipts derived from the sale  
9 of adult-use cannabis products, exclusive of any discount or other reduction.
- 10       2. Gross receipts of usable marijuana and adult-use cannabis products are not subject to  
11 the tax imposed under 57-39.2 or local option taxes.
- 12       3. A political subdivision may not impose a local option tax on the sale of usable  
13 marijuana and adult-use cannabis products.

19 reduction.

20       **57-36.2-06. Filing of returns - Penalty.**

- 21       1. On or before the last day of the month next succeeding each month, a manufacturing  
22 facility shall prepare a return for the preceding month in the form and manner as may  
23 be prescribed by the tax commissioner, showing the gross receipts from the sale of  
24 usable marijuana and adult-use cannabis products to dispensaries, the amount of the  
25 tax for the period covered by the return, and any other information as the tax  
26 commissioner may require. The tax commissioner, upon request and a showing of  
27 good cause, may grant an extension of time not to exceed thirty days for filing a return.  
28 If the extension is granted, the time required to make a payment must be extended for  
29 the same period of time, but the amount of interest imposed under section 57-36.2-08  
30 applies to the amount of the deferred payment from the date the tax would have been  
31 due if the extension had not been granted to the date the tax is paid.

- 1       2. On or before the last day of the month next succeeding each month, a dispensary  
2       shall prepare a return for the preceding month in the form and manner as may be  
3       prescribed by the tax commissioner, showing the gross receipts from the sale of  
4       adult-use cannabis products, the amount of the tax for the period covered by the  
5       return, and any other information as the tax commissioner may require. The tax  
6       commissioner, upon request and a showing of good cause, may grant an extension of  
7       time not to exceed thirty days for filing a return. If the extension is granted, the time  
8       required to make a payment must be extended for the same period of time, but the  
9       amount of interest imposed under section 57-36.2-08 applies to the amount of the  
10      deferred payment from the date the tax would have been due if the extension had not  
11      been granted to the date the tax is paid.
- 12      3. Returns must be filed electronically by the manufacturing facility, dispensary, or a duly  
13      authorized agent and must contain a declaration that the returns are made and signed  
14      under the penalty of perjury.

15      **57-36.2-07. Payment of tax - Penalty.**

- 16      1. The tax levied under this chapter is due and payable on or before the last day of the  
17      next succeeding month. The manufacturing facility and dispensary shall pay the total

19      and dispensary are subject to the penalties and interest imposed under section  
20      57-39.2-18 for failure to file a return, for filing an incorrect return, or for failure to pay  
21      the tax due. If there is a sale or discontinuance of an adult-use cannabis business, the  
22      tax is due immediately before the sale or discontinuance of the business and if the tax  
23      is not paid within fifteen days, the tax becomes delinquent and subject to the penalties  
24      and interest provided in section 57-39.2-18. A manufacturing facility or dispensary is  
25      not eligible to receive compensation under section 57-39.2-12.1.

2        The provisions of chapter 57-39.2 pertaining to the administration of the retail sales tax,  
3 including provisions for penalties and interest, credits, or adoption of rules, which are not in  
4 conflict with this chapter, govern the administration of the gross receipts tax imposed in this  
5 chapter. The provisions of chapter 57-39.2 pertaining to refunds of tax due do not apply to this  
6 chapter.

7        **57-36.2-09. Tax, penalties, and other charges paid to tax commissioner - Disposition.**

8        All fees, taxes, penalties, and other charges imposed and collected under this chapter must
