REPORT OF PROCEDURAL COMMITTEE

MR. PRESIDENT: Your procedural **Rules Committee (Sen. Holmberg, Chairman)** recommends the Senate and Joint Rules of the 66th Legislative Assembly, as adopted on December 5, 2018, be adopted as the permanent rules of the Senate for the 67th Legislative Assembly, with the following amendments:

SECTION 1. AMENDMENT. Senate Rule 102 is amended as follows:

102. Absence and presence. As used in these rules, "absent" means not present, and "present" means being physically in the chamber or room where the session or meeting is

being held, ~~and for purposes of a committee meeting, includes participation or participating in the session or meeting by means of interactive video or teleconference call. A member present and participating remotely has the same rights, privileges, and duties as a member physically present, is deemed to be "on the floor" for purposes of floor sessions, and may vote remotely.~~ No member or officer of the Senate, unless unable to attend due to illness or other cause, may be absent from a session of the Senate, during an entire day, without first having obtained leave from the Senate, and no one is entitled to draw pay while absent more than one day without leave.

SECTION 2. AMENDMENT. Subsection 2 of Senate Rule 201 is amended as follows:

2. Preserve order and decorum. In case of disorderly conduct or disturbance in the galleries or the corridors, the President or the chairman of the Committee of the Whole may order the galleries or corridors to be cleared. The President or the chairman of the Committee of the Whole may limit the number of individuals in the galleries or corridors, require spacing between individuals in the galleries or corridors, or take other actions to promote health and safety in the Senate chamber.

SECTION 3. AMENDMENT. Senate Rule 303 is amended as follows:

303. Call of the Senate.

1. Eight members of the Senate may cause a call of the Senate to be ordered and absent members to be sent for, but a call may not be ordered while a vote is being taken.
2. The call being requested, the presiding officer shall require those desiring the call to rise or raise their hands, and if eight or more members rise or raise their hands, the call must be ordered.
3. The call being ordered, the Sergeant-at-Arms shall close the door and allow no members to leave the chamber. No member present and participating remotely may leave the remote proceeding.
4. The Secretary shall then call the roll and furnish the Sergeant-at-Arms with a list of those members absent without leave, and that officer shall proceed to find and bring in those absentees or compel the absentees' remote participation.
5. While the Senate is under call, no business can be transacted except to receive and act on the report of the Sergeant-at-Arms, and no motion is in order except a motion to suspend further proceedings under the call, and the motion may not be adopted unless a majority of all members-elect vote in favor of the motion.
6. Upon a report of the Sergeant-at-Arms showing that all members who were absent without leave, naming them, are present, the call is at an end, the door must be opened, and the Senate shall proceed with the business pending at the time the call was made.

SECTION 4. AMENDMENT. Senate Rule 305 is amended as follows:

305. Recognition by the presiding officer. Every member ~~desiring~~ who is present physically and wishes to speak shall so indicate by pressing the "speak" button on the member's desk. If the "speak" button does not work, the member may rise and, respectfully address the presiding officer, and shall remain standing in place before proceeding to speak until recognized by the presiding officer. Every member who is present and participating remotely and wishes to speak shall so indicate by the means designated by the presiding officer and shall wait to speak until recognized by the presiding officer. When two or more members ~~rise~~ indicate a wish to speak at the same time to speak, the presiding officer shall designate the member who is to speak first, but in all other cases the member who rises first ~~and addresses the presiding officer must be the first recognized.~~

SECTION 5. AMENDMENT. Senate Rule 320 is amended as follows:

320. Roll call vote. ~~Except as required by the Constitution or these rules, a roll call vote may not~~ must be ordered unless ~~when~~ requested by one-sixth of those members present

or when otherwise required by the Constitution or these rules. When a recorded roll call vote is ordered pursuant to this rule held, the results must be printed in the journal in their entirety.

SECTION 6. AMENDMENT. Senate Rule 321 is amended as follows:

321. Vote by members. Every member who is present, before the vote is announced from the chair, shall vote for or against the question before the Senate, unless the Senate excuses the member. If the member has not voted before the key is closed, the member shall vote before the vote is announced. A member cannot cast a vote on behalf of another member unless the vote is cast according to verbal instructions announced to the Senate by that other member while in the chamber present. However, any member who has a personal or private interest in any measure or bill shall disclose the fact to the Senate and may not vote thereon without the consent of the Senate. A "personal or private interest" is an interest that affects the member directly, individually, uniquely, and substantially.

SECTION 7. AMENDMENT. Senate Rule 329 is amended as follows:

329. Measures referred to Appropriations Committee.

1. Every bill providing an appropriation of ~~five~~ten thousand dollars or more must be referred or rereferred to and acted on by the Appropriations Committee, and every bill or resolution proposing a change in the audit or fiscal procedures of a state agency or institution must be originally referred to and acted upon by that committee, before final action by the Senate thereon, unless otherwise ordered by a majority vote of the members present.
2. Every bill or resolution to which is attached ~~with~~with a fiscal note stating that the measure has an effect of ~~fiftyone hundred~~fiftyone hundred thousand dollars or more on the appropriation for a state agency or department must be rereferred to and acted on by the Appropriations Committee before final action by the Senate thereon, unless otherwise ordered by a majority vote of the members present.
3. A bill or resolution required to be referred or rereferred to the Appropriations Committee which received a do not pass recommendation from committee and which then is passed by the Senate is deemed reconsidered and must be referred to and acted upon by the Appropriations Committee if that measure has not been referred or rereferred to the Appropriations Committee before passage. The Appropriations Committee shall report the measure back to the Senate for action in accordance with these rules.
4. Except for bills approved for introduction after the deadline for introduction of bills, all Senate bills required to be rereferred to the Appropriations Committee must be rereferred not later than the ~~twenty-first~~twenty-fifth legislative day and all House bills required to be rereferred to the Appropriations Committee must be rereferred not later than the ~~fifty-third~~fifty-seventh legislative day. If an appropriation bill is not reported to the floor and rereferred as required herein, the bill is deemed rereferred and is under the jurisdiction of the Appropriations Committee at the end of the ~~twenty-first~~twenty-fifth or ~~fifty-third~~fifty-seventh legislative day, as appropriate.

SECTION 8. AMENDMENT. Senate Rule 338 is amended as follows:

338. Disposition of measures after ~~fifty-first~~fifty-fifth legislative day. After the ~~fifty-first~~fifty-fifth legislative day, all bills and resolutions under consideration must immediately be placed on the calendar for second reading and final passage.

SECTION 9. AMENDMENT. Senate Rule 347 is amended as follows:

347. Transmittal of measure to House - Notice of intention to reconsider.

1. After the second reading of a bill or resolution, the Secretary of the Senate shall retain the bill or resolution until the end of the next legislative day, unless the bill or resolution has previously been disposed of.
2. On the ~~thirty-fourth~~thirty-eighth and ~~thirty-fifth~~thirty-ninth legislative days and after the ~~fifty-fifth~~fifty-ninth legislative day, the Secretary of the Senate shall transmit the

bill or resolution to the House immediately upon adjournment of the last session on that day unless action on the bill or resolution is pending as the result of the Senate passing a motion to reconsider or unless the Majority or Minority Leader has given notice of intention to move the reconsideration of that bill or resolution.

3. After the ~~sixty-fourth~~sixty-eighth legislative day, the Secretary of the Senate shall transmit the bill or resolution to the House immediately after the second reading of the bill or resolution unless the Majority or Minority Leader has given notice of intention to move the reconsideration of that bill or resolution.
4. When a member in explaining the member's vote states to the Senate that the member's vote is for the purpose of reconsideration, that statement also is notice of such intention.
5. If notice is given by a member other than the Majority or Minority Leader but the motion to reconsider is not made before the end of the next legislative day, the Secretary of the Senate shall transmit the bill or resolution to the House at the end of that next legislative day.

SECTION 10. AMENDMENT. Senate Rule 348 is amended as follows:

348. Motion for reconsideration.

1. Any member may move for reconsideration of a question if any of the following apply:

 - b. The member did not vote on the question; or
 - c. The member voted on the question and the ayes and nays were not recorded.

4. The vote by which any measure passed or failed to pass may not be reconsidered more than once in any legislative day. For purposes of this subsection, a clincher motion that fails is not a motion to reconsider.
5. No motion to reconsider may be made unless the matter is in possession of the Senate.
6. ~~Determination~~Except when a roll call vote is required under Senate Rule 320,
determination of any vote required under this rule must be by a verification vote.

A member who is present and participating remotely may vote using a system established for that purpose. The system must provide means to record and make public the member's roll call votes.

SECTION 12. AMENDMENT. Senate Rule 361 is amended as follows:
