

I move that Engrossed House Bill No. 1012 with Senate amendments be adjusted as follows:

- Funding for inflation is adjusted to provide a 2 percent increase the first year of the biennium and a 0.5 percent increase the second year of the biennium;
- Funding from the general fund for child care aware be reduced to \$430,000 and 8 FTE positions are provided for regulatory duties;
- Funding for supportive housing grants is reduced by \$1 million; and
- Funding of \$7.5 million from the community health trust fund be used to replace general fund appropriations in the medical services division.
