

Testimony on HB 1487 presented to the House Agriculture Committee on February 5, 2021

Good Morning Mr. Chairman and members of the House Agriculture Committee. For the record, my name is Clancy Rangen. I run cattle near McKenzie, ND along with my wife's family.

I urge you to vote **in favor** of HB 1487. Changing the word 'must' to 'may' will truly make this a voluntary check off.

Thank you for hearing my concerns.
