Subject: HB 1016 - Local County Cost Share Map
Attachments: HB 1016 Local Cost Share Map.pdf

Good afternoon Chairman Vigesaa,

As we discussed at our recent Appropriations hearing work session, I have attached a map that breaks down local disaster cost share funding remaining. Please note that the total dollar amount has come down to approximately 967,000 because we have made a few payments and filtered out a state agency that was mistakenly included in the previous estimates . If you have any questions please let me know. Thanks.

Cody Schulz
